Whirlwind on the Outlaw Trail Dale B. Weston,2011-09-28 In the year 1896 the sheriff of Uintah County John T Pope rode alone on the trail of Butch Cassidy and his infamous Wild Bunch Hailed as one of America s greatest lawmen John T Pope lived by the fire in his blood and the gun in his hand Because John never boasted about how many bad men he d actually been forced to kill the outlaws he chased from Uintah County and surrounding regions have received more notoriety but John s fame with a blazing gun and keen intellect

was well known to those that knew him Sheriff Pope despised the yellow cowardice of backshooters and badmen and he rode on the trail of many Butch Cassidy offered as much as 4 000 reward for the death of the tough as nails sheriff Unmarked graves bear witness that a few fools tried to collect John T Pope was a genuine hero of the American west fighting to make brighter and safer communities for future generations He was an entrepreneur pioneer patriot rancher trapper freighter tracker lawman attorney and family man *14 Days on the Outlaw Trail* Larry Ervin Heck,2019-08-30 During a time in our history that included the 1800s Rustlers established a trail from the Canadian border to the Mexican Border It was used to move rustled cattle to markets that were not too fussy about branded animals The route they used was called the Outlaw Trail by those who chose to write about them The first book ever written about the Outlaw Trail was published in 1938 Well I should say it s the first one I found A writer by the name of Charles Kelly spent years putting it together About the time the rustlers were fading out Butch Cassidy and his Wild Bunch used the hideouts and the trails to avoid lawmen looking for them It is period of time that I became most interested in In 2004 I connected the hideouts using backcountry roads and trails I mapped them out one piece at a time until I had a trail going from Malta Montana to El Paso Texas For many years between 2004 and 2013 friends joined me to spend days at a time traveling sections of that trail on weekends and holidays Then in 2013 the first attempt was made to run the entire trail from end to end Three drivers went from Malta to El Paso using the backroads previously mapped out by Larry E Heck me Later that same year some of those who missed the first trip tried it again but only lasted one week and broke it off in Caspar Wy In 2014 a third group gathered together through email and other social media They convinced Larry E Heck to join them to be sure they completed a trip from Malta to Page AZ That was all they could do in a 14 day time span This book is based on that last trip but includes photos and other information from previous trips It was a 14 day journey along the Outlaw Trail It visits locations where banks and trains were robbed It passes through all the designated hideouts used by the Wild Bunch and takes the readers to the campsites we used along the way GPS waypoints and mile by mile directions keep the reader on the route we used from end to end For someone who enjoys remote scenery this book will take them on a 14 adventure that brings back our history from a century in the past
