neighbourhoods and public spaces across Britain young working people walked out together congregated in the streets and paraded up and down on the monkey parades The beginnings of a distinct youth culture can be traced to the late nineteenth century and the street and neighbourhood provided its forum *Dangerous amusements* explores these sites of leisure and courtship examining how young working class men and women engaged with their environment Drawing on an extensive range of sources from newspapers and institutional records to oral histories and autobiography this book traces the movements of young people across space Exploring the relationship between the leisure lives of the young working class and urban space this book offers a sensitive reappraisal of working class youth and will be essential reading for historians of modern Britain [Kyoto's Gion Festival](#) Mark Teeuwen,2023-01-12 This book focuses on the long history of what is arguably

the most prestigious and influential festival in Japan Kyoto s Gion festival It explores this history from the festival s origins in the late 10th century to its post war revival drawing on Japanese historical studies and archival materials as well as the

author's participant observation fieldwork Exploring the social and political networks that have kept this festival alive for over a millennium this book reveals how it has endured multiple reinventions In particular it identifies how at each historical juncture different groups have found new purposes for the festival and adapted this costly enterprise to suit their own ends The history of this festival not only sheds light on the development of Japanese festival culture as a whole but also offers a window on Kyoto's history and provides a testing ground for recent festival theory *Inequality, Identity, and the Politics of Northern Ireland* Curtis C. Holland, 2022-07-26 *Inequality Identity and the Politics of Northern Ireland* examines how the politics of threat and resentment undergirded by persistent poverty and class and gender inequalities across Catholic and Protestant communities shape dynamics of political conflict while simultaneously giving way to critical subjectivities at the community level through which more transformative visions of peace may emerge
