

WRITING SUCCESSFUL PARAGRAPHS & Composition

OVERVIEW: This activity guides students through the writing process for a successful five-sentence paragraph with varied sentence beginnings. Repeating this process frequently with many, varied topics teaches students to use variety to create interesting paragraphs.

1st objective: Students will be able to identify gerund, gerund phrases, infinitive, infinitive phrases, prepositions, and prepositional phrases.

2nd objective: As a result of this activity, the students will each write a five-sentence paragraph with varied sentence beginnings, correct spelling and punctuation, and appropriate margins.

3rd objective: Students will write a fourteen-sentence extended paragraph.

4th objective: Student will write a five-paragraph composition.

ACTIVITIES AND PROCEDURES: Each step in this activity should be modeled by the teacher and result in a sample paragraph for the students.

1. Each student lists three material things they wish for, three happenings that would make them happy, and three places they would like to visit.

sample:

THINGS

Ferrari

Diamonds

Lottery

HAPPENINGS

Peace on Earth

Energy consciousness

More recycling

PLACES

Australia

Jamaica

Italy

2. Each student circles one favorite item from each list. The following five sentence patterns are used as each student writes his/her sentences. Sentences are all numbered and begun at the left margin in this step. A later step puts them in paragraph form. For each pattern, the teacher models first, students give oral examples, then students write their own sentences.

3. a. This is the opening or topic sentence.
