Jensen,Phillip C. Yerington,1997 **GANGS: How to Keep Your Children Away from Gangs, Drugs & Violence** Stacey Chillemi,2012-09-24 Do you know who your child is socializing with outside the home Are you protecting your child from gang activity through taking positive actions such as monitoring their activities fostering close relationships with them and using positive discipline strategies Parents play a pivotal role in keeping young people out of gangs Most parents think not my child and lack information about gangs Most gang members tend to be adolescents or young adults however recent trends indicate that children are being recruited into gangs at a much earlier age some when they are in elementary school Gangs can include people of every gender race culture and socioeconomic group This book is geared toward parents trying to keep their kids away from gangs drugs and violence gang members who are looking for a way out or readers who just want to learn about gangs and how to keep kids away from gangs drugs and violence *Our Mother's Tears* Manuel Jaramillo,2012-11 Gangs are a blemish on our society and cause much distress to those who are around them They sell drugs commit acts of violence and influence our children We need to learn how to fight back not with more police or longer sentences but at the heart of gangs which is their recruitment ability We can only do this by arming our children and ourselves with the necessary tools Awareness education and truth are what is needed Gangs come off as glamorous and cool when in reality the life is brutal and eats a person up like cancer We can beat this together 1-2-3
