**The Pegnitz Junction** Mavis Gallant, 2014-12-16 A devastating collection exploring the wake of mankind's greatest conflict World War II exerted a psychic toll on Europe that is still evident today The Pegnitz Junction is Mavis Gallant's look at how Europe handles that collective pain In the title novella of this sharply written collection a girl rides the train with her boyfriend and his son in postwar Europe Onboard she encounters all manner of personalities each person burdened by the weight of what he or she has just experienced openly bleeding from the emotional wounds of a terrifying global conflict A wife must come to terms with her husband's mistakes and find reconciliation in herself as she meets the refugee he had an affair with A soldier must reintegrate himself into civilian life no matter how difficult it is An unlikely friendship between an actress and a police commissioner begins to form No matter where or when Gallant's stories are set each one is a small enchantment anchored by the insights of a master of her craft

**Pegnitz Junction [sound Recording] : a Novella and Five Short Stories** Dutton, Marise, Mavis Gallant, Seaton, Aileen, narrator, 1982 [A Reader's Companion to the Short Story in English](#) Erin Fallon, R.C. [The Canadian Short Story](#) Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany

**Transient Questions**, 2021-09-20 Mavis Gallant has been a leading literary figure in Canada since her first short story published in 1951 and has grown to be considered internationally as a modern master of the genre Her writing is nuanced sensitive gifted deep and concise She leaves everything open for the hidden potential that can always be discovered Times change society history politics may develop out of recognition Cultures metamorphose Literary landscapes and theories are renewed But the classics of our time stay where they are pillars of that which is solidly about us Mavis Gallant's work is of that calibre her writing will remain interesting and relevant no matter what else happens This book is an exploration of what Gallant's readers are thinking now where they place her in the panorama of literature and what meaning she has for them now Scholars continue to probe into the stories their characters the capsules of history they present and continue to find them challenging As with Shakespeare no amount of scrutiny will yield the final answer That is how complex Gallant's writing is Especially now when the positioning of her characters is a more prominent condition in general we need to review Gallant's artistic insights As Francine Prose says in Harper's Magazine Gallant's cast of characters are a motley assortment of refugees fugitives and travelers and displaced persons scrambling on the margins of a society they will never belong to This is the modern condition As with other great writers Gallant shows herself to be prophetic in cutting down to the roots of the sensibility of our era We are reading her work and we are thinking about it and talking about it This book is part of that large conversation Contributors are Neil Besner Di Brandt Nicole C t John Lent Gerald Lynch Maria No lle Ng Peter Stevens Simone Vauthier Per Winther

**The Moslem Wife and Other Stories** Mavis Gallant, 2011-06-01 Internationally celebrated as among the finest stories written in English today Mavis Gallant's fiction offers a penetrating and powerful vision of contemporary human relationships in Europe and North America The Moslem

Wife and Other Stories brings together eleven of Gallant's best stories from over three decades. These embody the beauty, irony, and compassion of a master writer's fictional universe. Amid the complex perceptions of the past that haunt her characters, Gallant deploys her sharp comic eye to superb effect in the figures who move through her stories; we catch troubling, fleeting glimpses of our own lives. Selected and with an afterword by Mordecai Richler. *Private and Fictional Words (Routledge Revivals)* Coral Ann Howells, 2014-08-07. First published in 1987, this is an introductory study of the most widely read Canadian women novelists of the 1970s and 1980s. At its centre lies the question of how the search for a distinctive cultural identity relates to the need for a national cultural identity in the post-colonial era. Coral Ann Howells argues that Canadian women's fiction throughout the period of study represents how the Canadian cultural identity exceeds its geographical limits and those traditional structures of patriarchal authority need revision if women's alternative views are to be taken into account. Including short biographical sketches and a complete list of the books published by the authors under discussion, writers examined include Margaret Atwood, Alice Munro, and Margaret Laurence. *Postmodern Fiction in Canada*, 1992. **Across the Bridge** Mavis Gallant, 2011-04-20. In *Across the Bridge*, four of the eleven stories are connected, following the fortunes of the Carette family in Montreal. In 1933, their widowed mother teaches Berthe and Marie to deny that she was a seamstress and to say instead that she was clever with her hands. In *The Chosen Husband*, the luckless suitor Louis has to undergo the front parlour scrutiny of Marie's mother and sister. But then Louis began to cough and had to cover his mouth. He was in trouble with a caramel. The Carettes looked away so that he could strangle unobserved. We then follow their marriage, the birth of Raymond, and Raymond's flight from his mother and aunt to his eventual role as a motel manager in Florida. With the exception of *The Fenton Child*, an eerie story set in postwar Montreal, the other stories take place in the Paris Mavis Gallant knows so well. *Across the Bridge*, the title story, begins with the narrator's mother throwing her reluctant daughter's wedding invitations into the Seine. I watched the envelopes fall in a slow shower and land on the dark water and float apart. Strangers leaned on the parapet and stared too, but nobody spoke. This is a superb collection of stories by a writer at the top of her form. *Tropes and Territories* Marta Dvorak, W.H. New, 2007-10-26. *Tropes and Territories* demonstrates how current debates in postcolonial criticism bear on the reading, writing, and status of short fiction. These debates, which hinge on competing definitions of trope, motif vs. rhetorical turn, and territory, political or aesthetic, lead to studies of space, place, influence, and writing and reading practices across cultural divides. The essays also explore the character of diasporic writing, the cultural significance of oral tale telling, and interconnections between socio-political issues and strategies of style. **Arrival** Nick Mount, 2017-09-02. The most important book to be written in more than 40 years about the rise of Canadian literature. *Arrival: The Story of CanLit* brims and crackles in equal measure with information and energy. Winnipeg Free Press. A Globe and Mail Top 100 Book. National Post 99 Best Books of the Year. In the mid-twentieth century, Canadian literature transformed from a largely ignored trickle of books into an enormous cultural phenomenon that produced Margaret Atwood.

Alice Munro Michael Ondaatje Mordecai Richler and so many others In Arrival acclaimed writer and critic Nick Mount answers the question What caused the CanLit Boom Written with wit and panache Arrival tells the story of Canada's literary awakening Interwoven with Mount's vivid tale are enlightening mini biographies of the people who made it happen from superstars Leonard Cohen and Marie Claire Blais to lesser known lights like the troubled and impassioned Harold Sonny Ladoo The full range of Canada's literary boom is here the underground exploits of the blew ointment and Tish gangs revolutionary critical forays by highbrow academics the blunt force trauma of our plain spoken backwoods poetry and the urgent political writing that erupted from the turmoil in Quebec Originally published to coincide with the 150th anniversary of Canadian Confederation Arrival is a dazzling variegated and inspired piece of writing that helps explain how we got from there to here

**The Found Voice** Denis Sampson, 2016-05-12 The Found Voice Writers Beginnings uses the means of literary biography and criticism to do something rarely attempted to understand how a key creative period establishes the authoritative voice of a unique artist The essays which explore this hidden process of the writer writing focus on some of the

major writers of recent times V S Naipaul J M Coetzee Alice Munro William Trevor and Mavis Gallant The focus of investigation is a single work by each author and many of them identify the book in which this turning point was reached The writers have a somewhat different sense of what the voice is a true voice the voice in the mind the writing voice etc yet all of them accept the phrase finding a voice as a decisive and necessary process towards a unique style and vision their raison d'être as artists These essays allow each one to define his or her sense of the process of writing and their style is exploratory Nevertheless certain patterns emerge of migration and cultural displacement of linguistic self consciousness of memory and a reimagining of the first home of absorbing and rejecting mentors and models Crucially the essays rely not just on what led up to the moment of creation but on a sense of the career that emerged from it Most of the writers have written retrospectively in memoirs interviews or essays about the pivotal work and its foundational significance They are the best witnesses to the process although their silence or their commentary is understood in terms of the many strands of the narrative that each essay presents

Mavis Gallant Marta Dvořák, 2019-11-19 With a confidante's insights Marta Dvořák sets up an innovative connection between Mavis Gallant's dazzling writing and the whole spectrum of the arts She simultaneously engages with the feats of art making and the adventures of reading looking and listening Drawing on private correspondence and conversations with the Gallants she repositions her as a late modernist Dvořák investigates the relationships between the Paris-based master of the short story and visual and sound culture Through the filter of philosophical aesthetics she identifies the painterly cinematic and musical dynamics which light up Gallant's craft At the same time she opens a dialogue between Gallant and other international modernists and with those they were reading watching and listening to from the moving pictures which shaped Gallant's generation to the rhythm and dissonance of say Stravinsky and jazz which like the Cubist rupture with spatial perspective spearheaded modernity's aesthetics of breakage How does Gallant's work work Dvořák's hands-on rhetorical analyses of Gallant's stories and lesser-known recently reissued novels illuminate the superb stylist's language and vision via an emphasis on both image and rhythm Providing keys to Gallant's famous sleights of hand and tonal shifts the discussions reveal a fictional world as multidimensional as a Cubist picture or a symphony depending on whether we lean towards the eye or the ear

**150 Years of Canada** Ursula Lehmkuhl, Elisabeth Tutschek, 2020 On July 1 2017 Canada celebrated the 150th anniversary of Confederation The nation-wide festivities prompted ambiguous reactions and contradictory responses since they officially proclaimed to celebrate what it means to be Canadian Drawing on the analytical perspectives of Diversity Studies this fifth volume of the Diversity Diversität series explores the repercussions of Canada 150's focus on identity The contributions touch upon issues of Canada's French and English dualism of its settler colonial past and present and the role of Indigenous Peoples in Canada's identity narrative of Canada's religious cultural ethnic and racial diversity and of the challenge of forging a Canadian identity The authors analyze these and other problems arising from the tensions between identity and diversity by empirically addressing topics such as multicultural memories
