The People Of God:

Covenant and the People of God Jonathan Kaplan, Jennifer M. Rosner, David J. Rudolph, 2023-05-23 *Covenant and the People of God* gathers twenty four essays from friends and colleagues of Messianic Jewish theologian and New Testament scholar Mark S Kinzer in honor of his seventieth birthday The essays are organized around two central themes that have animated Kinzer's work the nature of the covenant and what it means to be the people of God The volume includes fascinating discussions of some of the most sensitive areas related to Jewish Christian dialogue post supersessionist interpretation of Scripture and the theological shape of Messianic Judaism Among the contributors are scholars working in North America Europe and Israel They include Gabriele Boccaccini Douglas A Campbell Holly Taylor Coolman Gavin D Costa Jean Miguel Garrigues Douglas Harink Richard Harvey Vered Hillel Jonathan Kaplan Daniel Keating Amy Jill Levine Antoine Levy Gerald McDermott Michael C Mulder David M Neuhaus Isaac W Oliver Ephraim Radner Jennifer M Rosner David J Rudolph Thomas Schumacher Faydra L Shapiro R Kendall Soulen Lee B Spitzer and Etienne Veto *The Future of the People of God* Andrew Perriman, 2010-07-01 At a time when the Western church is having to come to terms painfully and often reluctantly with its diminished social and intellectual status in the world following the collapse of Christendom we find ourselves as interpreters of Paul increasingly impressed by the need to relocate his writings in their historical context That is not a coincidence *The Future of the People of God* is an attempt to make sense of Paul's letter to the Romans at the intersection of these two developments It puts forward the argument that we must first have the courage of our historical convictions and read the text before Christendom from the limited shortsighted perspective of an emerging community that dared to defy the gods of the ancient world This act of imaginative critical engagement with the text will challenge many of our assumptions about Paul's gospel of God but it will also put us in a position to reconstruct an identity and purpose for the people of God after Christendom that is both biblically and historically coherent **The People of God** Paul Basden, David S. Dockery, 2009-08-01 The term Believers Church refers to those who regard the church as the fellowship of regenerate followers of Jesus Christ Membership in these churches is founded on a voluntary confession of Jesus as Lord Each member has access to God in worship and prayer and accepts responsibility for carrying the gospel to the world The Word of God serves as the final authority in all matters of faith and practice Written by capable thinkers in the Believers Church tradition *The People of God* addresses key issues in the area of ecclesiology The contributions represent a wide variety of mature theological reflection Exploring these ecclesiological concerns from a theological biblical historical and contemporary perspective these essays reflect the unity and diversity of the Believers Church heritage **The People of God** Markus Barth, 1983-01-01 It makes no sense to do theological work in an ivory tower The necessity of defining the concept people of God may be illustrated by at least four elements of present day experience the baffling fate and often shocking politics of the State of Israel since the six day war in 1967 the anti Jewish elements which still shame many books written for the church

and many Christian declarations about Israel the stuttering progress in matters of Jewish Christian unity and finally the need for a united and unequivocal testimony to Jesus Christ who is a Jew and the Son of God and as such the saviour of the world Markus Barth combines Pauline exegesis church history and dogmatics in this provocative contribution to an important contemporary debate **The People of God Concept** Wilhelm Haller,2024-08-27 The members of the new People of God do not live in the struggle against and in the separation from the others the evil ones the enemies but in an all connectedness that includes and accepts everyone so that at some point separation division and enmity may be abolished for them as well

God's People in God's Land Christopher J. H. Wright,1990 In recent sociological approaches to the Old Testament Christians have been finding unexpected resources for their ethical reflection and action relative to the modern world s pressing social and economic dilemmas This unique survey by Christopher Wright examines life in Old Testament Israel from an ethical perspective by considering how the economic facts of Israel s social structure were related to the people s religious beliefs Observing the centrality of the family in social economic and religious spheres of Israelite life Wright analyzes Israel s theology of land the rights and responsibilities of property owners and the socioeconomic and legal status of dependent persons in ancient Israel wives children and slaves showing the mutual interaction between such laws institutions and customs and the nation s covenant relationship with God While primarily exegetical *God s People in God s Land* contains many useful insights for Christian social ethics Wright suggests how the ethical application of his findings might proceed as Christians with different theological perspectives and cultural contexts seek to work out the relevance of the Old Testament for today **Redemptive Kingdom Diversity** Jarvis J. Williams,2021-09-28 This book provides a comprehensive biblical and theological survey of the people of God in the Old and New Testaments offering insights for today s transformed and ethnically diverse church Jarvis Williams explains that God s people have always been intended to be a diverse community From Genesis to Revelation God has intended to restore humanity s vertical relationship with God humanity s horizontal relationship with one another and the entire creation through Jesus Through Jesus both Jew and gentile are reconciled to God and together make up a transformed people Williams then applies his biblical and theological analysis to selected aspects of the current conversation about race racism and ethnicity explaining what it means to be the church in today s multiethnic context He argues that the church should demonstrate redemptive kingdom diversity for it has been transformed into a new community that is filled with many diverse ethnic communities **Scripture and the People of God** John DelHousaye,Jeff T. Purswell,John J. A Discourse on the Rest of the People of God E. H. Burnham, 1867 **God's Holy People** Jo Bailey Wells, 2000-03-01 God calls his people to be holy What does this mean Holiness means belonging to God and being stamped with his character This belonging is expressed for ancient Israel in the story of the foundational events on Mount Sinai The idea is then developed refined and transformed through the establishment of the priesthood the gift of the Law the challenge of the prophets and in the New Testament through the life of Christ This book sets out these perspectives alongside each other and considers their interplay within the canon of scripture as a whole The result is both a biblical theology of holiness and a

The People of God Vol. I Israel People of God Joseph D'Ercole, The People's Bible: John Joseph Parker, 1893 *Mixed Blessings* Barbara Brown Taylor, 2015-10-31 In a series of exquisite and memorable reflections on scripture Barbara Brown Taylor considers the startling reality of what it means to be the people of God It is a calling not to be taken lightly as it is just as likely to challenge everything we think we know about ourselves and the world as it is to bring comfort and assurance *Mixed Blessings* looks at the unexpected and surprising ways in which God's presence is experienced in the Bible in burning bushes thunder angelic visitations dreams and voices in the night blind eyes opened and the dead raised In these familiar yet strange stories Barbara Brown Taylor finds the broader open spaces of faith and reflects on what it looks like to be blessed by God This remarkable book is a spiritual hazard warning to stop and consider what we are doing when we ask for a direct intervention of God in our lives The transformation God brings will almost certainly shatter the small safe worlds we build around ourselves
