A Short History of Communism Robert Harvey, 2014-12-23 Today global communism seems just a terrible memory an expressionist nightmare as horrific as Nazism and the Holocaust or the slaughter in the First World War Was it only just over a decade ago that stone faced old men were still presiding over workers paradises in the name of the people while hundreds of millions endured grinding poverty under a system of mind controlling servitude which did not hesitate to murder and imprison whole populations in the cause of progress Or that the world seemed under threat from revolutionary hordes engulfing one country after another backed by a vast military machine and the threat of nuclear annihilation In the 1970s with the fall of South Vietnam Cambodia and Laos the march of Marxism Leninism across the world seemed irresistible Less than two decades later the experiment had collapsed leaving perhaps 100 million dead as well as economic devastation spanning continents Even China now increasingly embraces free market economics Only in a few backwaters does communism endure as obsolete as rust belt industry This book is the first global narrative history of that defining human experience It weighs up the balance sheet why did communism occur largely in countries wrenched from feudalism or colonialism to twentieth century modernism rather than as Marx had predicted in developed countries groaning under the weight of a parasitic middle class Were coercion and state planning in fact the only way forward for backward countries What was the explanation for its appeal not least among

many highly intelligent observers in the West Why did it grow so fast and collapse with such startling suddenness A Short History of Communism sets out the whole epic story for the first time a panorama of human idealism cruelty suffering and courage and provides an intriguing new analysis **History Year by Year** DK,2024-03-05 The entire course of history is revisited in this unique and unforgettable visual guide The most memorable moments and significant events of each year are charted in a definitive timeline that runs throughout the book From the ancient origins of our earliest African ancestors right up to our modern world today Timelines of History includes a diverse range of people cultures and countries Ideas inventions and innovations come together to provide a truly global view of history Dramatic photography eye catching maps and supporting graphics bring history to life as never before The instantly accessible multi layered timeline enables you to move effortlessly through the ages This essential reference strikes a balance between being completely comprehensive but also ideal for browsing thanks to the organized structure chronological order and bitesize information This celebratory compendium makes an outstanding addition to any family library enabling you to dip into the past any time you like **Life and Love** Terry Polakovic,2018-06-19 Human life We marvel at its complexity we wonder at its fragility and as Catholics we embrace its dignity But as far back as 1880 the Church has faced the reality that our culture often stands in opposition to God s loving design for life love marriage and family In Life and Love Opening Your Heart to God s Design Terry Polakovic takes us on a fascinating tour of eight Church documents spanning nearly 140 years that pertain to human life and love Arcanum Divinae On Christian Marriage by Pope Leo XIII 1880 Casti Connubii Of Chaste Wedlock by Pope Pius XI 1930 Humanae Vitae Of Human Life by Pope Paul VI 1968 Familiaris Consortio On the Role of the Christian Family in the Modern World by Pope John Paul II 1981 Mulieris Dignitatem On the Dignity and Vocation of Women by John Paul II 1988 Evangelium Vitae The Gospel of Life by John Paul II 1995 Deus Caritas Est God Is Love by Pope Benedict XVI 2005 Amoris Laetitia The Joy of Love by Pope Francis 2016 Whether you ve read these documents before or are discovering them for the first time Life and Love will help you understand how the Church consistently and fearlessly offers the only true response to the battles of our time Click here to register for the related webcast
