Wedding is a humorous wedding planning book based on the thirty plus weddings I have been invited to from the perspective of a wedding goer with the knowledge of a wedding planner In 2013 when I was invited to seven weddings I made an arbitrary goal to be invited to thirty weddings by the time I turned 30 years old As years went by this became a legitimate life goal and I grew more and more excited about each wedding invitation I received As this goal started to turn into reality I decided it would be fun to convert it into a book Throughout the book I share all the hilarious stories from all the weddings I have attended as well as some practical how to lessons in planning a wedding I will never forget the weddings where the father of the bride forgot his pants and the best man forgot the rings Or the bridezilla that was so demanding she lost a friend through the wedding planning process Weddings can be very stressful and unfortunately bring out the worst in people While the book has a lot of comical real life stories from each wedding I have attended it also has practical lessons and tips on how to plan your perfect wedding A theme that runs throughout the book is a reminder that your wedding is only one day and things will go wrong I encourage the brides planning their wedding to focus more on their relationship with their fianc and their forever life together and not get too overwhelmed with all the details of planning a wedding The planning process should be fun and exciting not stressful and turn you into a bridezilla Thirty by 30 is a lighthearted easy read to help eliminate the stress of the wedding planning process The content has a good balance of humor and seriousness to calm any nervous bride down as they plan their dream wedding **Wedding Planner** Prolunis, 2019-11-08 This planner notebook has essential tools you need to plan and organize your dream wedding The notebook includes tons of worksheets checklist all kinds of planners Your wedding is one of the most important days of your life you don't need to leave anything to chance or leave any stone unturned Inside features Budget Worksheet Date specific task reminders 12 9 6 months before wedding etc Menu Planning Vendor and Entertainment Details Important Date Lists Guest List Worksheets Seating Plan Worksheets Line Notes Sheets Many More Makes the perfect gift for any bride to be Kws wedding book wedding binder wedding planner book and organizer for the bride wedding organizer and planner wedding planner notebook the knot ultimate wedding planner wedding planner books wedding organizer the knot wedding planner wedding books planners for brides wedding planner organizer wedding planner checklist the wedding planner checklist wedding binder organizer bride planner bridal book planner planning a wedding bridal organizer planner wedding checklist best wedding planning book bridal planning book wedding planning books best wedding planner book bridal notebook wedding checklist planner bridal planning organizer wedding planner binder organizer wedding planer simple wedding planner bridal planner organizer bride to be notebook bride wedding planner planning a wedding book wedding planning journal wedding book planner wedding planner notebook organizer bride notebook planner wedding planner wedding planners and organizers wedding planning book wedding planner book wedding planning wedding planner book and organizer wedding planning books for brides The Perfect Wedding Planner for the Modern Practical Bride Wedding Bees Publications, 2019-06-24 For the modern practical bride to be
