Take Hyperianism to the Morgue: Book II The Illuminist Army,2023-02-18 When a cult gives out red flags everywhere then all decent moral people have an absolute duty a categorical imperative to blow the whistle and protect others People should have blown the whistle on influencer Andrew Tate long ago and now it s even more essential to blow the whistle on people such as Morgue the leader of the modern cult of Hyperianism and all the rest of the cult predators who are preying on na ve people those easy to manipulate and fleece This Hyperian cult is the epitome of cancel culture It actively tries to cancel anyone who says anything against it Absolutely no one is allowed to get away with criticizing it even though the cult leader hilariously claims that he will answer any question well except any question he doesn t like and that s nearly all of them The cult s attack dogs will be out for sure regarding this book We know what s coming We ve been through it all before This is a book featuring the direct victims of this dangerous Hyperian cult and its predatory leader Morgue Three people were criminally swatted by the leadership of this cult And that s just the tip of the iceberg Come inside and find out all about what the leader of this cult and his chief accomplices get up to Hear those affected in their own words uncensored This book will be of enormous value to anyone including academic researchers dealing with a modern online cult There are many cults out there just like Hyperianism with dark triad leaders just like Morgue Society needs to do something about it The influencer industry resembles the Wild West It s completely unregulated and is doing extraordinary damage to some of the feeblest most impressionable and suggestible people in society They are sitting ducks for online predators looking for a fast buck and adulation Buffy a former member of this cult added this alarming comment about Morgue He has ways of punishing people they verbally punish you until you feel at your lowest He gets the other admin to do it he never does it Watch out

The Life Cycle of Language Darya Kavitskaya,Alan C. L. Yu,2024-02-22 This volume brings together an international group of linguists from a diverse range of research backgrounds to explore the cycles of change in the world s languages The chapters in this book draw on data both from languages from the distant past such as Hittite and Proto Bantu and from a wide range of present day languages

Grammaticalising the Perfect and Explanations of Language Change Bozhil Hristov,2019-11-26 In *Grammaticalising the Perfect and Explanations of Language Change* Have and Be Perfects in the History and Structure of English and Bulgarian Bozhil Hristov investigates key aspects of the verbal systems of two distantly related Indo European languages highlighting similarities as well as crucial differences between them and seeking a unified approach The book

reassesses some long held notions and functionalist assumptions and shines the spotlight on certain areas that have received less attention such as the role of ambiguity in actual usage The detailed analysis of rich contextualised material from a selection of texts dovetails with large scale corpus studies complementing their findings and enhancing our understanding of the phenomena This monograph thus presents a happy marriage of traditional philological techniques and recent advances in theoretical linguistics and corpus work

World as Lover, World as Self: 30th Anniversary Edition Joanna

Macy,2021-06-22 This overview of Joanna Macy s innovative work combines deep ecology general systems theory and the Buddha s teachings on interdependent co arising A blueprint for social change World as Lover World as Self shows how we can reverse the destructive attitudes that threaten our world with concrete suggestions on how to address An Inconvenient Truth The essays are based on the Buddha s teachings of Paticca samuppada interdependent co arising Reduced to deceptively simple terms this says that everything in the world every object feeling emotion and action is influenced by a huge all inclusive web of factors Any change in the condition of any one thing in this web affects everything else by virtue of interconnectedness It makes World as Lover World as Self a quintessential guide for those readers who want to integrate their Buddhist practice with concerns for social issues like global warming It also breaches the dualities that have haunted much of both Eastern and Western thought namely the dichotomies between mind body humanity nature reason emotion self world science spirituality The premise is that self centeredness and modern individualisms are ultimately destructive for the environment We are not individuals separate from the world Instead we are always co arising or co creating the world and we cannot escape the consequence of what we do to the environment Joanna Macy presents a re focusing on the beauty of the natural world as personally nourishing and replenishment as one way to move away from our self centeredness For this revised edition the author will be adding some chapters as well as removing others The new ones will deal largely with her new work around the Great Turning that will add a somewhat more visionary future oriented and strategic dimension to the book World as Lover World as Self shows us how to realize that the earth is an extension of ourselves and how to discover the knowledge authority and courage to respond creatively to the crises of our time Foreword Thich Nhat Hanh
