Loved the book I enjoyed reading it today with cups of tea and my feet up It s very accessible and easy to read as well as very insightful helpful and practical Shae M psychologist *The Ground of Holy Life* David D. Cho,2021-08-12 The Reformation put the grace of God in the right place in the salvation of man Luther s proclamation of justification by faith brought the concept of grace to the fore and made it the centrality of Christian theology But the overemphasis on the doctrine of justification in the Reformation created the imbalance between justification and sanctification in the soteriology of the Protestant church To some people just the profession of faith without an accompanying godly life was not good enough for salvation It seemed that salvation by grace of God in the doctrine of justification made man s salvation too easy thereby opening the floodgate for nominal Christians who were no different from pagans in their hearts Christian leaders and theologians in the modern church age have tried to rectify this problem by injecting the necessity of works into the Christian life The spiritual movements such as pietism and perfectionism and new theologies such as the New Perspective on Paul and the Federal Vision are such endeavors that have stressed good works in the salvation of man However without the concept of definitive sanctification they all lost the monergistic nature of salvation and deviated to the humanistic theology of Arminianism or Pelagianism **The Perfectionists: Radical Social Thought in the North, 1815-1860** Laurence R.
