front door asked Luella s mother coming in from the kitchen with a dish towel in her hand I thought I heard the door bell  
Luella s gone to the door said her sister from her vantage point at the crack of the sitting room door It looks to me like a  
telegraph boy It couldn t be Crete said Luella s mother impatiently coming to see for herself Who would telegraph now that  
Hannah s dead Lucretia was short and dumpy with the comfortable patient look of the maiden aunt that knows she is  
indispensable because she will meekly take all the burdens that no one else wants to bear Her sister could easily look over  
her head into the hall and her gaze was penetrative and alert I m sure I don t know Carrie said Lucretia apprehensively but I  
m all of a tremble Telegrams are dreadful things Nonsense Crete you always act like such a baby Hurry up Luella Don t stop  
to read it Your aunt Crete will have a fit Wasn t there anything to pay Who is it for Luella a rather stout young woman in  
stylish attire with her mother s keen features unsoftened by sentiment advanced irreverently tearing open her mother s  
telegram and reading it as she came It was one of the family grievances that Luella was stout like her aunt instead of tall and  
slender like her mother The aunt always felt secretly that they somehow blamed her for being of that type It makes one so  
hard to fit Luella s mother remarked frequently and adding with a disparaging glance at her sister s dumpy form So  
impossible At such times the aunt always wrinkled up her pleasant little forehead into a V upside down and trotted off to her  
kitchen or her buttonholes or whatever was the present task sighing helplessly She tried to be the best that she could always  
but one couldn t help one s figure especially when one was partly dependent on one s family for support and dressmakers  
and tailors took so much money It was bad enough to have one stout figure to fit in the family without two and the aunt  
always felt called upon to have as little dressmaking done as possible in order that Luella s figure might be improved from  
the slender treasury Clothes do make a big difference she reflected And sometimes when she was all alone in the twilight and  
there was really nothing that her alert conscience could possibly put her hand to doing for the moment she amused herself by  
thinking what kind of dress she would buy and who should make it if she should suddenly attain a fortune But this was a

harmless amusement inasmuch as she never let it make her discontented with her lot or ruffle her placid brow for an instant But just now she was all of a tremble and the V in her forehead was rapidly becoming a double V She watched Luella's dismayed face with growing alarm
