## **Spike Milligan:**

**Spike Milligan: Man of Letters** Spike Milligan, 2013-10-03 Spike Milligan's letters contain some of the best material he ever wrote. Collected here for the first time are the funniest, rudest and most revealing of them, most of which have never been seen before from one of the greatest comics of the twentieth century to some of its most famous politicians, actors, celebrities and rock stars as well as a host of unlikely individuals on some surprising subjects: rounded teabags, what did you do with the corners, backless hospital gowns, beyond my comprehension, heartfelt apologies, pardon me for being alive and the imbalance of male and female ducks in London's parks. Here then is the real Spike Milligan: obsessive, rude, generous and relentlessly witty. Milligan's zaniness shines through. *Telegraph*. The godfather of alternative comedy. Eddie Izzard. Spike Milligan was one of the greatest and most influential comedians of the twentieth century. Born in India in 1918, he served in the Royal Artillery during WWII in North Africa and Italy. At the end of the war, he forged a career as a jazz musician, sketch show writer and performer before joining forces with Peter Sellers and Harry Secombe to form the legendary Goon Show. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories. [Hidden Words](#) Spike Milligan, 1993 **Spike Milligan** Humphrey Carpenter, 2003-01-01 Spike Milligan was one of Britain's best-loved comics as well as one of the most original. In this reassessment of Spike's life and career, biographer Humphrey Carpenter has, through copious research and access to many of those closest to the great man, unearthed a character who could be as difficult and contradictory as he was generous and talented. [Spike Milligan](#) Pauline Scudamore, 2003-02-08 The biography of Spike Milligan, one of the most gifted creative individuals of our time and remembered as a true comic genius. However, many people are unaware that he battled throughout his adult life against anxiety and depression, neither of which he was able to conquer. **Box 18** Spike Milligan, 2006 Dealing with Spike Milligan's work, this title is chosen and edited by Norma Farnes, Milligan's manager, biographer and close friend. Drawing on diaries and letters, it consists of the contents of Box 18, a file into which the highly prolific Spike would put his writing and drawings as they came to him. *The Compulsive Spike Milligan* Spike Milligan, 2004 This second superb collected work of one of Britain's best-loved comedians is an excellent companion to the sensational original *The Essential Spike Milligan*. Spanning his 50-year career and incorporating a rich and varied range of material, this second anthology is as wonderfully unmissable as the first. When Spike Milligan died in 2002, he left behind one of the most diverse legacies in British entertainment history as well as a legion of devoted fans and admirers. His themes ranged from environmental issues to the war, from nostalgia to depression, and his prolific output covers some of the most evocative events of the twentieth century in a style both twistedly comic and harrowingly honest. The huge success of the Spike Milligan anthology *The Essential Spike Milligan* has inspired a second raid on the original brilliant source. Milligan was arguably the most one of the prolific and mould-breaking comic writers of the twentieth century, and this second anthology

gives another opportunity to sample his finest writing It includes more of the best from his war memoirs and novel Puckoon his children s stories poetry and drawings plus a wonderful collection from his voluminous **Spike Milligan** ,1983
