The United States Catalog ,1921 **Fathers True** Chuck Mansfield, 2023-02-23 When the author s son John suggested he write a book about fatherhood he thought with all the books on fatherhood who needs another He concluded Perhaps I do While the book is indeed about fatherhood and fathers it also tells of other fitting paternal exemplars father figures who may not have had children of their own but nonetheless have or had the right stuff as men and mentors A central tenet herein is that good strong fathers are essential to the character building and moral fiber of our young and the very fabric and future of our currently downward spiraling society One reviewer writes the testimonials describing the influence for good one person can have over another be he parent son friend teacher comrade barber sports coach or even our children are remarkable The vignettes sometimes evoke amusement sometimes tears but lift the spirit and stay in the memory

Hawkins, 1921 *Power Shift* Dan Gillcrist, 2006 *Power Shift* is the first comprehensive account of the US Navy's Submarine Force transition from diesel to nuclear power It represented the biggest most costly and disruptive technological change in naval history This was all done against the backdrop of intense Cold War operations where US submarines played a critical role in maintaining the peace The story is told by the people who were part of the power shift From seamen to admirals they tell the stories of how the technological and cultural changes affected them *The Sea and Its Story from Viking Ship to Submarine* Frank Hubert Shaw, Ernest H. Robinson, 1910 *Spindrift* Geoffrey Callender, 2013-03-28 This 1915 collection presents a series of pieces written by various masters of English prose relating to maritime themes The pieces are presented as far as knowledge permits in the order of their composition or publication beginning with John Wycliffe's *The story of Jonah* and finishing with James Anthony Froude's *Drake* *Of Municipal Bondage* Dan Gillcrist, 2001-03-01 This story is about the zany profane and politically incorrect people who gravitated toward the municipal bond business in Texas in the 70s and 80s It is fictional but many of the colorful events throughout the book actually happened None of the characters represent actual people however but the author infused all of the quirks habits character flaws physical attributes and senses of humor he could recall from actual municipal bond people into his characters The two main characters are Leon Walla a very bright muni trader who is a bit short drank a little too much used the f word along with an array of others and never did all that well with the ladies His friend Jack Armstrong is in many ways the antithesis of his pal Leon Jack has a nice family he is big and handsome he is a muni institutional salesman and former Marine helicopter pilot The two have a symbiotic relationship where they need each other They sit at the trading desk of a fictional firm in Houston relaying stories selling trading taking calls from customers laughing and generally living their lives

irreverently All this is told through profane and realistic dialogue Their Irish friend and fellow trader at a competing firm is Johnny Cannon He mostly drinks and provides the other characters with someone to take care of If you caught him between the third and ninth drink he was lots of fun Anytime after that he was too much baggage Danny McKay also a trader is afflicted with a huge ass and like Leon Walla did only moderately well with the ladies His nickname is Wide Load Marc Rapoport is a Jewish broker s broker who is very bright and a close friend of Leon s He is nosy and is disappointed if he doesn t know every little rumor and piece of news on the street Sammy David Stein who is not Jewish was raised on the Grand Concourse in the Bronx and can do a perfect Yiddish dialect which he uses throughout the book to entertain Rapoport and the others with hilarious Jewish jokes He is older than the others and a leader in the Houston bond community There are many other minor characters such as Lung the Chinese bartender at their favorite bar where they all meet after work Antonio the back office Cuban expatriate whose dialogue sounds like an excited Desi Arnez who Jack describes as one enchilada short of a Mexican plate lunch Archie the shoeshine man who comes through the tall building doing his think at the desks of his clientele at 4 a pop like a bumblebee Hey Zeus is the lucky Mexican bartender in the final chapter Charlie Stonebreaker a muni syndicate guy with a firm he calls Preparation Bache in New York Mortabella the zaniest of the lot is a hugely successful trader in New York Because of his record of making his firm tons of money he is permitted to come to work as head trader in a Jones Beach t shirt and jeans and attend the board meetings in an old wide lapelled black tuxedo jacket The main characters go to bond outings in Brownsville Texas and New York City hunting in Pearsall Texas eat lunch out everyday commute to work faithfully attend Happy Hour at their favorite bar The Sewer and generally get into mischief
