The Montana Cree Verne Dusenberry, 1998 The Montana Cree is a study of religion as a sustaining force in American Indian life On the small Rocky Boy reservation in northern Montana the Cree Indians provide an example of how a people transplanted and persecuted throughout their history can maintain and develop a tribal identity and unity through the continuance of their religious values

As the adopted son of Mose Michelle a hereditary Pend O Reille chief Verne Dusenberry moved easily within Indian circles as an accepted participant observer in many religious ceremonies His ethnographic study provides detailed descriptions of ceremonies the Shaking Tent Ghost Dance and Sun Dance which are seldom accurately described elsewhere **Mysticism** Jess Hollenback,1996-09-15 This sweeping study of mysticism by Jess Hollenback considers the writings and experiences of a broad range of traditional religious mystics including Teresa of Avila Black Elk and Gopi Krishna It also makes use of a new category of sources that more traditional scholars have almost entirely ignored namely the autobiographies and writings of contemporary clairvoyants mediums and out of body travelers This study contributes to the current debate about the contextuality of mysticism by presenting evidence that not only are the mystic s interpretations of and responses to experiences culturally and historically conditioned but historical context and cultural environment decisively shape both the perceptual and affective content of the mystic s experience as well Hollenback also explores the linkage between the mystic s practice of recollection and the onset of other unusual or supernormal manifestations such as photisms the ability to see auras telepathic sensitivity clairvoyance and out of body experiences He demonstrates that these extraordinary phenomena can actually deepen our understanding of mysticism in unexpected ways A unique feature of this book is its in depth analysis of empowerment an important phenomenon ignored by most scholars of mysticism Empowerment is a peculiar enhancement of the imagination thoughts and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience **The Prairie Provinces of Canada** Henry J. Boam,1914 *The Arapaho Sun Dance* George Amos Dorsey,1903 **Life with a Cosmos Clearance** Daniel M. Salter,2003-06-01 On May 9 2001 the Disclosure Project hosted a major event at the National Press Club in Washington D C This historic event had witness testimony from twenty to twenty five military intelligence government and corporate individuals involved with UFO projects over the past fifty years who presented their information before a worldwide group of media correspondents Those of us who were military witnesses of UFO history showed official government documentation with detailed testimony Our focus was and is on the facts and documents Our purpose was and is to get the mainstream media and government officials to hear those facts and move us toward an honest congressional inquiry We who came forward want to ban weapons from space and stop aggressively shooting down these space vehicles and their extraterrestrial occupants We need to declassify the advanced electromagnetic propulsion systems in use by the secret government start producing them for the world to use and thereby help save this planet The people who had been employed in agencies within the military and knew the truth about UFOs were sworn to secrecy Now I am finally relieved to speak the truth We military men who hold on to this knowledge are getting old and dying and we want the truth to come out We will either do it ourselves or leave it for our children and wives to do Personally I have told those on Capitol Hill that I am being led to do it

by the aliens themselves They have convinced me that it is time They have been waiting on the government and if the government does not come forward with the truth then the aliens will take a more public role in disclosure **Sundancing** Thomas E. Mails,1998 To the Plains Indians the Sun Dance has traditionally been a profound religious ceremony the highest form of worship of the Most Holy One Thomas E Mails was invited to attend and record in detail the Sioux Sun Dances at Rosebud and Pine Ridge This was a singular honor no white man has been accorded before or since The result is this groundbreaking work illustrated with rare photographs and stunning four color paintings **Christ Is a Native American** Achiel Peelman,2006-03-14 During his 1984 visit to Canada Pope John Paul II declared Christ in the members of his body is himself Indian Who is this native Christ What is his place in the spiritual universe of native people Achiel Peelman examines these questions in this timely and groundbreaking book which is the result of research he has carried out since 1982 in native communities across Canada While Peelman s book is a work of theology and Christology it is also a work of profound friendship that will help its readers know more deeply the Amerindian experience **Sacred Narrative** Alan Dundes,1984-11-15 Alan Dundes defines myth as a sacred narrative that explains how the world and humanity came to be in their present form This new volume brings together classic statements on the theory of myth by the authors The twenty two essays by leading experts on myth represent comparative functionalist myth ritual Jungian Freudian and structuralist approaches to studying the genre **The Medicine Hills** Joachim Fromhold,2010 *Kiowa Belief and Ritual* Benjamin R. Kracht,2017-07 Directed by anthropologist Alexander Lesser in 1935 the Santa Fe Laboratory of Anthropology sponsored a field school in southwestern Oklahoma that focused on the neighboring Kiowas During two months graduate students compiled more than 1 300 pages of single spaced field notes derived from cross interviewing thirty five Kiowas These eyewitness and first generation reflections on the horse and buffalo days are undoubtedly the best materials available for reconstructing pre reservation Kiowa beliefs and rituals The field school compiled massive data resulting in a number of publications on this formerly nomadic Plains tribe though the planned collaborative ethnographies never materialized The extensive Kiowa field notes which contain invaluable information remained largely unpublished until now In *Kiowa Belief and Ritual* Benjamin R Kracht reconstructs Kiowa cosmology during the height of the horse and buffalo culture from field notes pertaining to cosmology visions shamans sorcery dream shields tribal bundles and the now extinct Sun Dance ceremony These topics are interpreted through the Kiowa concept of a power force permeating the universe Additional data gleaned from the field notes of James Mooney and Alice Marriott enrich the narrative Drawing on more than thirty years of field experiences Kracht s discussion of how Indigenous notions of power are manifested today significantly enhances the existing literature concerning Plains religions *The Spiritual Legacy of the American Indian* Joseph Epes Brown,2007-02-22 This book offers fascinating insights into the world of the pre reservation Indians It is a collection of classic essays that examines the universal characteristics of American Indian culture and tradition This new edition also offers a personal view of Dr

Brown's life and research through his private correspondence from his time on the reservation and sheds insights into his relationship with old time Indian leaders including the legendary Sioux Medicine Man Black Elk

Colonialism on the Prairies Blanca Tovias, 2012-07-23 This book spans a century in the history of the Blackfoot First Nations of present day Montana and Alberta. It maps out specific ways in which Blackfoot culture persisted amid the drastic transformations of colonisation with its concomitant forced assimilation in both Canada and the United States. It portrays the strategies and tactics adopted by the Blackfoot in order to navigate political, cultural and social change during the hard transition from traditional life ways to life on reserves and reservations. Cultural continuity is the thread that binds the four case studies presented encompassing Blackfoot sacred beliefs and ritual dress practices, the transmission of knowledge and the relationship between oral stories and contemporary fiction. Blackfoot voices emerge forcefully from the extensive array of primary and secondary sources consulted, resulting in an inclusive history wherein Blackfoot and non-Blackfoot scholarship enter into dialogue. Blanca Tovias combines historical research with literary criticism, a strategy that is justified by the interrelationship between Blackfoot history and the stories from their oral tradition. Chapters devoted to examining cultural continuity discuss the ways in which oral stories continue to inspire contemporary Native American fiction. This interdisciplinary study is a celebration of Blackfoot culture and knowledge that seeks to revalorise the past by documenting Blackfoot resistance and persistence across a wide spectrum of cultural practice. The volume is essential reading for all scholars working in the fields of Native American studies, colonial and postcolonial history, ethnology and literature.
