Spirit In The Flesh Removing Limiting Beliefs About Our Psyche And Our Soul:

Genesis: Your Journey Home, 2Nd Edition Terry L. Newbegin, 2011-04-21 Genesis Your Journey Home is a groundbreaking book that goes far beyond the usual levels of biblical interpretations and the ideas taught by religion that are difficult to understand. It bypasses word definition, root studies, historical explanations, and the ideas taught by religion that are difficult to understand but are important. This book examines the first twenty-five chapters verse by verse, exploring and revealing the deeper metaphysical beyond the literal meaning of the text. Most people know that there are multiple levels of truth contained within the Bible, but until now, none have brought forth the ultimate Truth hidden within the mundane, semi-historical writings. Rather than creating new doctrines, this book gently peels back ALL levels of dogmatic views to reveal the true core essence of God, humanity, and the nature of reality. Deep within the ancient biblical text is found the true story, record of creation, the reason for our very existence, and the history of All That IS. This book is for those that are searching for authenticity, purpose, and a sense that truth lies somewhere beyond religious teachings but who are reluctant to discard the inherent value of scripture. This book brings comfort, personal empowerment, a new understanding of God, and fosters a renewed sense of responsibility for life. It is a book whose time has come at last as it brings humanity to a deeper understanding of God and a realization of their ultimate purpose.

Genesis Terry L. Newbegin, 2008-08-06 Genesis is not just the story of Adam and Eve; it's your own story and a roadmap helping you understand why you are here and how you can return home.

How to Be a Miracle Maker Keith Varnum, 2013-02 This groundbreaking book reveals the extraordinary creative powers within you that can heal your body, expand your love, and attract phenomenal abundance into every area of your life. Talented storyteller Keith Varnum shares a practical manual that shows you how to be an everyday Miracle Maker. Fresh and captivating, chock full of riveting escapades, this inspirational book chronicles how the author develops his inner guidance to lead him to unexpected power and wisdom. And you discover how you can do the same to conquer your greatest fears, soar above the ordinary, and reach all your heart's desires. The book's 48 true personal stories illustrate how miracles flow when you listen to your inner counsel. At 19, after Varnum cured himself of blindness, this extraordinary visionary began teaching others how to heal themselves and fulfill their deepest passions. Drawing from his broad exploration as a healer, acupuncturist, urban shaman, filmmaker, personal coach, vision quest guide, corporate VP, and international seminar leader, Varnum describes in down-to-earth terms how following intuition can uncover hidden secrets of previously unimaginable human ability. The author demonstrates the real-life use of the seemingly implausible potentials of quantum physics, such as possibilities as alternate realities, time travel, near-death experience, out-of-body journeys, and levitation. These mind-boggling true stories will expand the way you think about yourself and your ability to transform your world. Neale Donald Walsch, author of the best-selling *Conversations with God*, calls this book so captivating that it can shift any reader beyond time and space. Relish the stories that convey the lessons that can be learned from nature.
