Cave,2006-01-01 Prophets of the Great Spirit offers an in depth look at the work of a diverse group of Native American visionaries who forged new syncretic religious movements that provided their peoples with the ideological means to resist white domination By blending ideas borrowed from Christianity with traditional beliefs they transformed high gods or a distant and aloof creator into a powerful activist deity that came to be called the Great Spirit These revitalization leaders sought to regain the favor of the Great Spirit through reforms within their societies and the inauguration of new ritual practices Among the prophets included in this study are the Delaware Neolin the Shawnee Tenkwatawa the Creek Red Stick prophets the Seneca Handsome Lake and the Kickapoo Kenekuk Covering more than a century from the early 1700s through the Kickapoo Indian removal of the Jacksonian Era the prophets of the Great Spirit sometimes preached armed resistance but more often used nonviolent strategies to resist white cultural domination Some prophets rejected virtually all aspects of Euro American culture Others sought to assure the survival of their culture through selective adaptation Alfred A Cave explains the conditions giving rise to the millenarian movements in detail and skillfully illuminates the key histories personalities and legacies of the movement Weaving an array of sources into a compelling narrative he captures the diversity of these prophets and their commitment to the common goal of Native American survival Genius of Christianity.
