**Zavaliv: In Spirit of Legends** Roman Kurys, Mynodora Kutsa, 2022-09-25 Roman Petriv a retired voivod is looking forward to enjoying some peace after a lifetime of warring His last fight leading a successful defense of Zavaliv from the Ottoman attack ten years ago made him a first choice for the town s magistrate They had known ten years of peace and it felt good When Cossack s sotnja comes by it stirs up memories of his past and reminds him that his sense of peace is not shared by the rest of the land Many of the Cossacks are wounded from the battles which rage closer and closer to home When warriors leave a new threat emerges the kind Roman has no idea how to fight Ancient forest gods of his predecessors do not feel threatened by the sharp edge of a steel weapon While the Christian faith is the predominant one in the land the truth is that it like a veil is laid over the much older faith Ancient Slavic paganism and its deities still exist deep in the abundant forests of these lands Sometimes they meddle in human affairs When the old gods answer the town witch things begin to spiral out of control

Ghaly MD FACS,2018-06-07 There is no doubt in my mind that the Spirit of God is connected to the human brain within the skull The human brain is not limited to the boundaries of the skull Instead it goes beyond the physical barriers of our planet and into the spiritual world My Christian faith as a Coptic Egyptian Orthodox was the main reason I chose to be a neurosurgeon It is in this way how my soul becomes closer to Lord Jesus Christ I have devoted my life and withstood a very long journey in medicine and neuroscience leaving my home country of Egypt and coming to America to strive in the difficult fields of neurological surgery neuroscience and anesthesiology Every day my soul learns more and more about my Lord Jesus I see him in my patients in my surgeries and in my surroundings Deep within the brain lies the Spirit of Christ As the author I explore not only the connectivity of the human brain with the Spirit of God but also the Spirit of Christ in my neurosurgery practice My human brain continues to be both thirsty and hungry for more and more of his eternal love In this present book of sixty five chapters much of my soul I wish to share with you the beloved reader A section is designated to my most recent neurosurgery patients testimonials and experiences Another section reflects upon the biblical words used during President Donald Trumps inauguration and Melanias speech and the presidents visit to the Middle East for peace      **Infinity Over Zero** Cole Coonce,2002 meditations on maximum velocity and the land speed record      **Moribito: Guardian of the Spirit** Nahoko Uehashi,2014-07-29 You ve never read a fantasy novel like this one The deep well of Japanese myth merges with the Western fantasy tradition for a novel that s as rich in place and culture as it is hard to put down Balsa was a wanderer and warrior for hire Then she rescued a boy flung into a raging river and at that moment her destiny changed Now Balsa must protect the boy the Prince Chagum on his quest to deliver the great egg of the water spirit to its source in the sea As they travel across the land of Yogo and discover the truth about the spirit they find themselves hunted by two deadly enemies the egg eating monster Rarunga and the prince s own father      **TO THE MOUNTAIN TOPS** Harold Mason Young,2013-08-26 This is a report about the Lahu people more precisely the Lahu Na divisions of the several ethnic Lahuspeaking tribal groups During the period of this report written by Harold Mason Young most of the Lahu Na lived in northeastern Burma in the Kengtung Shan State of Burma and the bordering province of Yunnan China Harold s focus on the Lahu Na arose from the unusual experience of having been born of missionary parents 1901 Kengtung Burma and not only growing up among the Lahu but working with them as a missionary during his young adult years in Banna China Naturally Harold would learn to speak Shan and Lahu and more important to become united with this unique culture Harold accumulated knowledge and appreciation for their ways as few other foreigners from the outside

world would accomplish during this time of history Harold considered the Lahu Na as unique and while similar to other Lahu hill people they were distinct in their own ways In this book he carefully details the people their history as passed down from generation to generation their customs beliefs and rituals and most notable their wonderful knowledge of nature Harold s report of the Lahu Na during this period of history is extraordinary as the Lahu people did not write or document any of these cultural points of interest and the fact that he made the effort to write this book makes available to all a piece of history that is almost now lost to the modern world This book is not intended to be a formal work on the cultural anthropology of the Lahu people yet considerable information has been offered here to students of disappearing cultures It is intended that this collection will expand information that students of social sciences might seek and if that is realized then the efforts of publishing Harold s writing with its detailed and sincere reporting will have been sufficiently rewarded The Gordon Young Family
