The Spirit Speaks Today W. R. Williamson, 2001 **Our Lost Christian Community** Jim Howard, 2019-04-22 How many phonies are in our Christian community today According to Jesus many Matt 7 22 KJV What Jesus said we must accept

God in Dispute Roger E. Olson, 2009-10-01 This volume creatively explores the history of Christian thought by imagining a series of twenty nine dialogues and debates among key figures throughout church history It traces the history of theology via such conversation partners as Augustine and Pelagius Calvin and Arminius Barth and Brunner and Bultmann and Pannenberg Each imagined dialogue includes a brief summary that introduces the figures under consideration a more detailed assessment of the thinkers and theological issues presented and a guide for further reading This approach offers readers an entertaining informative and concise history of Christian thought *The God who Speaks* Ben Campbell Johnson, 2004 This is a print on demand book and is therefore non returnable As Christians we believe that God speaks that God has spoken to people down through the centuries and still speaks to us today But just how does God speak to us Has his speech changed over time And how do we hear the voice of God In this insightful book Ben Campbell Johnson explores the subject of divine speech highlighting its importance to faith and leading Christian believers into the practice of listening for God s voice in daily life Johnson first explores the biblical foundations of divine communication tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church He then gleans important lessons about God s language from a wide range of Christian figures throughout history Polycarp Julian of Norwich Teresa of Avila Henri Nouwen and others As this historical record shows God communicates with us in a variety of ways In exploring these different modes of GodSpeech Johnson deftly guides readers into the practice of intensive listening a way of posing issues to God and discerning his response Numerous anecdotes illuminate Johnson s discussion and each chapter ends with questions for reflection and discussion as well as suggestions for journaling Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God s voice At a time when many Christians hunger for a more personal meaningful connection with God this book shows readers how to discern divine language and forge a closer richer relationship with the God who speaks If We Follow Jesus, He Will Lead Us Out of Christianity and Into Messianic Judaism Donald Werner, 2020-02-03 Beginning around the 4th Century the Christian church accelerated its downhill slide into apostasy Today the Christian church is nothing at all what we read about in the Book of Acts and that is because it has set aside Jesus teachings to follow the teachings of Paul Jesus teachings and Paul s teaching are polar opposites and cannot be reconciled regardless of how hard the church tries to gloss over the differences Today s Christian Church bases its doctrines on Paul s writings to the exclusion of Jesus words And because they have set Jesus words aside they have reject God s Torah law which Jesus told us to keep and that leads to many other problems And as a result today the Christian church is divided into hundreds of sects and it is confused and weak

Christians following those corrupt doctrines are lawless which means God does not answer their prayers Proverbs 28 9 and they worship in vain Mark 7 7 9 Read this book to learn much more and what we must do to be among the redeemed

Saving Church Martyn Atkins, Ken

Carter,2024-01-16 The 21st century Church is in a state of distress In the pulpit and the pews people are disquieted disenchanted and dispirited Some are afraid the church they love won t be there for the next generation while others feel tired and desperate for something more With skepticism on the rise and church attendance down churches have a choice cling to the way things were or stop and ask Could God want to do something new in and through us Saving Church is a hopeful authentic vision for the future of the Church rooted in the convictions that 1 The Church is still God s chosen vehicle for accomplishing His purposes 2 Things aren t going back to the way they were and they shouldn t Combining the expertise and experiences of two giants of missional theology and the Fresh Expressions movement Saving Church will give you a fresh perspective on what church can be and help you reframe retrieve and reclaim the Church s role as a healing saving force in the world Through storytelling biblical anecdotes and honest experience you will walk away excited for the future with A healthy theology of mission that makes you want to be part of what God is up to A vision for God s mission that runs throughout all of Scripture The true meaning of the Great Commission and why it s not just about conversion A fresh take on concepts that can be difficult for a modern audience like evangelism and repentance A deeper connection to the why of Church and God s intent for it Principles to make your church more missional today Church and evangelism shouldn t be about attending an event engaging in uncomfortable tactics because that s what you should do or creating a subculture where we expect people to come to us act like us and believe like us It should be an exciting journey of embodying God s presence and purpose in the world a God of expansion inclusion outreach and reconciliation Saving Church will give you a renewed sense of what s possible permission to do things differently and a restored passion for sharing God s goodness with the world

An African Pentecostal Hermeneutics Marius Nel,2018-12-27 The face of African Christianity is becoming Pentecostal African Pentecostalism is a diverse movement but its collective interest in baptism in the Spirit and the result of Pentecost in daily living binds it together Pentecostals read the Bible with the expectation that the Spirit who inspired the authors will again inspire them to hear it as God s word They emphasize the experiential at times at the cost of proper doctrine and practice This book sketches an African hermeneutic that provides guidance to a diverse movement with many faces and serves as corrective for doctrine and practice in the face of some excesses and abuses especially in some parts of the neo Pentecostal movement African Pentecostalism s contribution to the hermeneutical debate is described before three points are discussed that define it the centrality of the Holy Spirit in reading the Bible the eschatological lens that Pentecostals use when they read the Bible and the faith community as normative for the interpretation of the Bible

Mission, Ministry, Order David N. Power, O.M.I.,2008-06-01 What is the mission of the church What are the ministries that futher its mission How should the traditional orders of bishop overseer priest presbyter and deacon be reconsidered in the light of 21st century challenges and ecumenical unity These big questions involve a constellation of neuralgic issues both within the Roman Catholic Church and between it and its sister churches both East and West women priests women bishops

married priests lay ministries the unaccountability of bishops to their flocks The rapid decline of priests in the US has led to an enormous number of lay people in leadership positions but they can't preside at the Eucharist the heart and soul of Catholic identity and practice and their roles are nebulous undefined and severely constrained Catholic women are voting with their feet over the church's failure to ordain women Lay theologians men and women now outnumber priest theologians but have little standing in the church outside of academia Far reaching agreements on theological issues have been made between Roman Catholicism and Anglicanism and Lutheranism but the practical consequences e.g. shared Eucharists are nil It is against this background that David Power the doyen of sacramental theologians in North America has written a magisterial work on the mission ministry and order of the church that is historically comprehensive theologically progressive ecumenically and globally focused and practical in its prescriptions **CAN LITTLE CHUCKIE COME OUT AND PLAY**

NOW? Chuck Brummel, 2014-03 My storey is about my life I was born in 1939 and my family literally broke apart when I was little I do not recall ever living in a home with my mother and father together There were several years I spent in foster care and then living with Mom and then Dad bouncing back and forth a couple of times until I was a junior in high school My father moved but I didn't I spent my final year in high school living with a local family thanks to a basketball coach who took special interest in me I spent some of my time growing up being a juvenile delinquent petty theft shop lifting drinking smoking and other such irresponsible activities I made a decision to change my life after my freshman year in high school and went to live with my father whom I already knew was a strict disciplinarian and a very controlling individual But I got the chance to start my life over again at age 15 I made the most of my new start and I want to tell my story *Federalism and the Westminster Tradition* Mark W. Karlberg, 2006-10-15 More than any other theological tradition Reformed federalism has recognized the importance of the biblical teaching on the covenants in its system of doctrine This tradition came to mature confessional status in the writing of the Westminster Confession of Faith and Catechisms The place of the Westminster tradition within the stream of Christian history and theology is remarkable indeed Westminster not only gained recognition as the epitome of Calvinist teaching at the close of the Protestant Reformation the middle of the seventeenth century it also earned the reputation for precision and comprehensiveness in doctrinal formulation It became the measure by which biblical interpreters defended their systems of doctrine either in agreement or disagreement with the theology of the Westminster divines These writings are the climax of three decades of research and study and they appear as the third in the series of collections published by Wipf and Stock beginning with *Covenant Theology in Reformed Perspective* followed by *Gospel Grace The Modern day Controversy* The critical teaching in dispute in each of these studies is the classic Protestant antithesis between the Law and the Gospel what serves as the basis for the Reformed doctrine of the twofold covenants the Covenant of Works and the Covenant of Grace Protestant Reformed Orthodoxy now stands at the crossroads the plight of Westminster Seminary East and West is merely illustrative of the depth and the intensity of the contemporary theological

dispute one impacting the future of Protestant evangelicalism as a whole The battle is between historic Reformed Protestantism and modern day revisionism of a radical sort The rapid rise of postmodernism or nonfoundationalism is indicative of the rapidly changing mood and posture in evangelical biblical scholarship at the opening of this third millennium of Christian interpretation Without question the modern church continues to loose her biblical moorings Forsaking the basic theological convictions of the Protestant Reformation it has attempted to subject the Word of God to vigorous academic i e scientific investigation the return of rationalism In doing so it has abandoned the Scripture principle which recognizes the uniquely authoritative and inerrant character of the Word of God Lost in the shuffle is the uncompromising proclamation of the one true Gospel the Gospel of justification by grace through faith alone Lost also is the doctrine of the perspicuity of Scripture Nothing less than a new Reformation in our day will halt travel down the road leading to destruction From the Preface *The Genius of Justice* Timothy C.
