Judaism of Jesus J. Christopher Garrison, 2014-04-17 We had hoped it was he the Messiah who would redeem Israel Luke 24 21 In this book you will learn that the religion Jesus founded was not Gentile or called Christianity The name Christianity is not found in the New Testament work authored by Jews who followed Jesus that the religion of Jesus was a form of Judaism that revolved around the Hebrew concept of Brit Hadashah meaning New Covenant This concept first appeared in the writings of Jeremiah one of the great prophets of Judaism that to achieve the full task Jews have expected of their Messiah of redeeming Israel and completing Gentile world salvation there have been three separate stages in the work of Jesus the Messiah 1 the Atonement 2 the Gentile stage represented by two thousand years of Gentile Christianity and 3 the Jewish or Jewish redemption stage that with regard to the Messiahs prophecy on Jerusalem and on the completion or fulfillment of his Gentile stages see Luke 21 24 Jerusalem will be trampled on by the Gentiles until the times of the Gentiles are fulfilled on June 7 1967 the day Jerusalem fell to Jews the Messiahs prophecy was fulfilled Hence with June 7 1967 formally marking the end of the Messiahs Gentile or Christian stage the Messiahs final or Jewish stage has already begun that with the times of the Gentiles or Christianity over why Christians must adjust and reorient themselves to the new Jewish era and reality that is rising many other topics of vital relevance to our present transitional era from Gentile Christian to Jewish centered times where world history is quickly reaching a tumultuous climax centered on the Jews Jesus the Messiah and the Messiahs New Covenant Judaism as the winning side of end time history **COMPLETE SPIRITUAL SECRETS** Rev Elizabeth

Supreme Desire to Please Him E.D. Burns, 2016-12-09 Adoniram Judson was not only a historic figurehead in the first wave of foreign missionaries from the United States and a hero in his own day but his story still wins the admiration of Christians even today Though numerous biographies have been written to retell his life story in every ensuing generation until now no single volume has sought to comprehensively synthesize and analyze the features of his theology and spiritual life His vision of spirituality and religion certainly contained degrees of classic evangelical piety yet his spirituality was fundamentally rooted in and ruled by a mixture of asceticism and New Divinity theology Judson's renowned fortitude emerged out of a peculiar missionary spirituality that was bibliocentric ascetic heavenly minded and Christocentric The center of Adoniram Judson's spirituality was a heavenly minded self denying submission to the sovereign will of God motivated by an affectionate

desire to please Christ through obedience to his final command revealed in the Scriptures Unveiling the heart of his missionary spirituality Judson himself asked What then is the prominent all constraining impulse that should urge us to make sacrifices in this cause And he answered thus A supreme desire to please him is the grand motive that should animate Christians in their missionary efforts

Hidden In Plain Sight: A Study of the Revelation to John Uchenna Mezue,2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits

The Holy Spirit as Space for the Living George C. Evans,2023-09-08 In The Holy Spirit as Space for the Living George Evans recognizes the significance of the Spirit in pneumatology within the New Testament emphasizing the Spirit s indwelling presence as a person However Evans notes that the functional aspect of the Spirit as the presence of God is often overlooked The Spirit not only gives life ruah but also creates space for individuals to live and thrive This spatial understanding suggests that the Spirit constructs a unique space for born again believers to inhabit leading to self awareness and a transformed lifeworld Evans adopts a spatial hermeneutic drawing inspiration from Jesus s encounter with Nicodemus to explore different spatial productions and their connection to the experience of being reborn within the space of the Spirit Through this approach he develops a concept of Christian spatiality that expands our theological understanding and highlights space as a construct shaped by the Spirit By considering the role of the Spirit in creating and shaping our lived experience Evans unveils a deeper understanding of the transformative power of the Spirit

and its impact on our spiritual journey
