Spirits Of The Stones:

Spirits of the Stones Alan Richardson, 2001 An investigation into the pagan past and the history of the ancient megaliths of the British Isles The author draws on the experiences of a variety of people including psychics shamans druids and daytrippers to provide a portrait of Britain as a place of spiritual energy and mystery *Spirits Captured in Stone* Jay H. Bernstein, 1997 This fascinating case study focuses on shamanism and the healing practices of the Taman a formerly tribal society indigenous to the interior of Borneo The Taman typically associate illness with an encounter with spirits that both seduce and torment a person in dreams or waking life Rather than use medicines to counter the effect of these discomfoting visitors the shamans called baliens use stones that are said to contain the convergence of wild spirits that have come into being during the initiation ceremony P 209 **The Sacred Stones** William Sarabande, 1991-09-01 Courageous passionate men and women battle for survival of their clans in the shadow of the great mammoth who speaks with thunder As the massive glaciers fade and the wide seas rise the warm grasslands of the Americas bring prosperity to the gentle People of the Red World followers of the Great Ghost Spirit the White Mammoth But farther north where the harsh dry winds howl another nation the People of the Watching Star are enmeshed with legends of an evil shaman and the man eating monster called the wanawut Relentlessly they have hunted the mammoth to near extinction Now as raiders and ravagers they are coming south to invade the villages of the People of the Red World The only ones who can prevent the murder of innocents and the final slaughter of the mammoth are a young boy shaman to whom the animals speak a man whose strength equals his conviction and a woman who hopes that beyond violence and cruelty humankind will recognize a stronger power the force of love
