meanings and these are discussed as well Dr Ulmer's study provides the reader with a complete view of the numerous symbolic meanings which this most important sense organ has been given in Jewish culture Book Jacket **A Spiral Life** Jean C. Vande Kappelle, 2011-01-12 In this third volume of his Adventures in Spirituality trilogy Dr Robert Vande Kappelle travels from Amsterdam to Cairo in search of his cultural and spiritual roots inviting readers to join him in exploring fabled places across the Mediterranean World Despite the grave problems centered in this region it is the birthplace of Western civilization and the source of the

world's three guiding religions Readers unfamiliar with the emergence and development of Western civilization will find *Into Thin Places* a compelling introduction others will discover here a new perspective Affirming the human quest for adventure meaning and wholeness Professor Vande Kappelle beckons adventurers to enjoy the wonderful experiences described in the book's travel entries Those seeking historical and cultural perspective will want to examine the numerous explanatory entries scattered throughout the narrative These vignettes expand and deepen the storyline piquing curiosity about seminal events persons and places that helped shape Western sensibility As Dr Vande Kappelle points out in his closing chapter our world is in a state of crisis precipitated by numerous factors but primarily by the loss of the sacred Whether the current crisis is curable is debatable but it will clearly require massive cultural reorientation More importantly it will require a transformation of the human spirit and a commitment of will *Into Thin Places* encourages readers to find thin places places transparent to the divine in their own transformative journeys of discovery
