**Complete Spiritual Doctrine of St. Therese of Lisieux** Fr. François Jamart, 2017-02-07 Over a century ago there lived a Carmelite nun Th r se of Lisieux Although she was young and seemed to have no authority she taught a Little Way very straight and short which would lead people to perfection Others had declared that sanctity was hard

to attain but she said that it was easy Th r se maintained that in order to become holy it was not necessary to engage in manifold practices to perform rigorous penances or to receive extraordinary graces What was needed was simply that we acknowledge our nothingness and approach God with love and confidence Sanctity she proclaimed is an interior disposition which makes us humble and little in God s arms conscious of our weakness and trusting even to audacity in the goodness of our Father Th r se did not reveal new truths nor did she teach new means for attaining perfection Her doctrine was not a revelation of a new kind of sanctity but a new way of revealing sanctity to us What she teaches flows from the knowledge of God as He is revealed in the Gospel she invites us to return to evangelical simplicity The Church has endorsed her doctrine at the highest level in 1999 Pope John Paul II declared her a Doctor of the Church In the Complete Spiritual Doctrine of St Th r se of Lisieux he presents her teachings in their original beauty simplicity and practicality According to the judgment of the Carmelite nuns of Lisieux this work represents the pure doctrine of Th r se without deviation Since this book first appeared in French in 1958 and in English in 1961 it has established itself as a classic Although many fine studies on St Th r se have appeared in more recent years the Complete Spiritual Doctrine of St Th r se of Lisieux is still an indispensable guide to the Little Way **Day by Day in the Little Way** Susan Brinkmann,2020-08-15 A year long immersion in the Little Way of Spiritual Childhood taught by St Therese of Lisieux Each day features a quote from St Therese a reflection and prayer

Martin,1923 *The Story of a Soul* Therese of Lisieux,de Lisieux Therese, Saint,2017-03-10 The Story of a Soul By St Therese of Lisieux Donations from the sales of this edition go to Prolife At the age of 14 on Christmas Eve in 1886 Therese had a conversion that transformed her life From then on her powerful energy and sensitive spirit were turned toward love instead of keeping herself happy At 15 she entered the Carmelite convent in Lisieux to give her whole life to God She took the religious name Sister Therese of the Child Jesus and the Holy Face Living a hidden simple life of prayer she was gifted with great intimacy with God Through sickness and dark nights of doubt and fear she remained faithful to God rooted in His merciful love After a long struggle with tuberculosis she died on September 30 1897 at the age of 24 Her last words were the story of her life My God I love You The world came to know Therese through her autobiography Story of a Soul She described her life as a little way of spiritual childhood She lived each day with an unshakable confidence in God s love What matters in life she wrote is not great deeds but great love Therese lived and taught a spirituality of attending to everyone and

everything well and with love She believed that just as a child becomes enamored with what is before her we should also have a childlike focus and totally attentive love Therese s spirituality is of doing the ordinary with extraordinary love She loved flowers and saw herself as the little flower of Jesus who gave glory to God by just being her beautiful little self among all the other flowers in God s garden Because of this beautiful analogy the title little flower remained with St Therese Her inspiration and powerful presence from heaven touched many people very quickly She was canonized by Pope Pius XI on May 17 1925 Had she lived she would have been only 52 years old when she was declared a Saint photorosesbnwsMy mission to make God loved will begin after my death she said I will spend my heaven doing good on earth I will let fall a shower of roses Roses have been described and experienced as Saint Therese s signature Countless millions have been touched by her intercession and imitate her little way She has been acclaimed the greatest saint of modern times In 1997 Pope John Paul II declared St Therese a Doctor of the Church the only Doctor of his pontificate in tribute to the powerful way her spirituality has influenced people all over the world The message of St Therese is beautiful inspiring and simple The Story of a Soul l Histoire d une me is the autobiography of Th r se of Lisieux It was first published on September 30 1898 a year to the day after her death from tuberculosis at the age of 24 on September 30 1897 The book was a single volume formed from three distinct manuscripts manuscripts of different length written at different times addressed to different people and differing from one another in character The work of unifying these disparate manuscripts was carried out by Pauline the sister of Th r se It was initially published with a limited audience in mind the Carmelite convents and certain religious personalities and just 2000 copies of the 475 page book were printed 1 It quickly became a publishing phenomenon however and Sister Th r se of the Child Jesus was canonised in 1925

Friederike Gšrres,2003-01-01 This study of the life and character of Therese of Lisieux is a remarkable penetrating and fascinating search for the truth behind one of the most astounding religious figures of modern times A young nun who entered a convent at fifteen and died at twenty four Therese roused an incredible storm of spontaneous veneration only a few months after her death and has been called by one Pope as the greatest saint of the modern times Countless images of the sweetly smiling saint flooded the world But who was she really The Hidden Face has sprung from this question It presents the true Therese as objectively as possible and gives a convincing interpretation of her sainthood It is a book not for Catholics alone but for anyone fascinated by the force of spirituality by the incalculable effects of what Pascal called the greatness of the human soul It opens the cloistered world of the Carmel takes off the sugar coating and reveals the stark drama behind convent walls the tension between personalities the daily details of conventual life And it throws light on the tremendous purifying process that turned the pampered darling into a saint of heroic virtue The work of a mind of rare intelligence and integrity this book is unique among the lives of saints First published in Germany in 1944 the original is now in its eighth edition This first English translation is based on a new revised version using the latest edition of the saint s writings
