Spiritual First Aid from A to Z Robert S. Maseroni, 1978

**Spiritual Care First Aid** Cody J. Sanders, 2025-04-15 Cody J

Sanders argues that spiritual care is inherently cultivated in every vibrant community congregations and otherwise and that every community member contributes to providing care for others. However many congregation and community members lack confidence in their caring skills. In *Spiritual Care First Aid* Sanders provides an accessible introduction to spiritual care characterized by mutuality, empathy and compassion. Recognizing that not everyone is a clinician, Sanders provides instruction in basic skills of spiritual care in a way nearly anyone can use. The book offers an approach of hearing, helping and healing so whoever is near can serve as a spiritual care first responder when and where needed. Readers will gain skills and confidence in their abilities to provide peer to peer care that contributes to their communities in life sustaining ways. *Spiritual Care First Aid* is an ideal training resource for seminary classrooms particularly skill building or pastoral care and counseling courses for non clinicians. The book will also serve as a go to field manual for lay ministry schools, congregations and adjacent communities such as campus ministries and nonprofit organizations that train laypeople in spiritual care as well as for pastors who desire to develop robust practical care skills.

**Be the Change** Dr. Duanita G. Eleniak, 2012-05-11 What happens when a forty five year old therapist goes to acting school with a group of young actors? While testing her theory that the arts are the pathway to higher consciousness and a spiritual worldview, the author encounters unexpected drama. Art and life blur as she faces daily conflicts, a brush with death, life altering neurological changes and a classmate's suicide. Through acting she gains powerful insights about artistic endeavor and heightened consciousness. Above all she realizes that shifting the worldview requires following Gandhi's wisdom: Be the change that you want to see in the world. Throughout her adventures Dr. Duanita shows the reader how to co-create reality, enhance creativity and deepen their spiritual connection. So powerful is the intention of her true story that few who read it will fail to experience a transformation of mind, heart and spirit.

**Realidad, Espiritualidad y el Hombre Moderno** David R. Hawkins, 2021 Este libro forma parte de la colección basada en las revelaciones obtenidas por el doctor Hawkins mediante el proceso de investigación de la conciencia y en la se aborda de manera especial la relación entre ciencia y espiritualidad así como los contextos en que rigen sus respectivas verdades Como en obras anteriores el objetivo del doctor Hawkins es encontrar la verdad espiritual verificable puesto que históricamente ha sido dejada de lado y ha quedado oscurecida por el dogma eclesástico Un punto clave de este análisis reside en el hecho de que el núcleo del ego humano no está motivado por la devoción a la verdad sino por la recompensa narcisista obtenida del conflicto y de tener razón El ego es intrínseca y activamente hostil a la humildad y prefiere morir o matar que renunciar a su declaración secreta de soberanía Los escritos del doctor Hawkins siempre hablan más al Ser que al pequeño yo Esta obra ayuda a desarrollar una visión clara basada en los niveles de conciencia con la que guiarse en medio de las complejidades de nuestro mundo moderno

**What Is Spiritual Care?** Pamela Cooper-White, Claudia Kohli Reichenbach, Emmanuel Y. Lartey, 2025-05-15 What is spiritual care Much has been assumed as an answer to this question within particular professional and religious silos The contributors to this volume offer fresh answers from perspectives of different caregiving professions medicine nursing public health psychology pastoral care and pastoral theology different religious traditions Islam Judaism Christianity and Buddhism and different cultural contexts Certain red threads become apparent the importance of deep listening openness to difference willingness to recognize the importance of spiritual care as practiced in different professions and religions respect for the inherent dignity of every person and support for each individual's unique spiritual journey At the same time the diversity of voices makes clear both by juxtaposition and argumentation that the hegemony of a mid twentieth century white American Protestant tradition of pastoral care is being reevaluated contested expanded and even decolonized

as voices formerly from the margins are being brought to the center and the spiritual needs of persons from many different traditions and locations are increasingly being met on their own terms The cumulative impact of this work emphasizes that spiritual care is finally inseparable from larger efforts toward justice and peacemaking This is an invaluable resource for healthcare providers chaplains and pastoral professionals Autocura David Hawkins, 2022-10-20
