Schweiter, 2012-04-23 What is a Chakra A chakra is a gathering of like energy that forms into a cone shape and resides within the seven major cavities of the physical body Each body cavity has its own energy field and in that energy field resides a major chakra center Each major chakra center processes energy This energy supports the organs associated with its particular body cavity Each chakra center inter communicates with all the chakra centers and comprises the comprehensive chakra energy system The chakra energy system overall supports the wellness of the spiritual energy field The spiritual energy field works in conjunction with the physical body Together these are the elements that support the body mind spirit connection which in turn brings wellness and the potential to live an empowered life Awakening America William Lee Michaels, 2015-12-02 This little handbook for America illustrates a journey on the spiritual path that sets a clear course into
