The Spiritual Legacy of John Foster Dulles John Foster Dulles,1960 The spiritual legacy of John Foster Dulles
John Foster Dulles, Henry Pitney van Dusen,1972 *The Spiritual Legacy of John Foster Dulles* John Foster Dulles,1960

The Spiritual Legacy of John Foster Dulles John Foster Dulles,1960 **The Transformation of John Foster Dulles**
Mark G. Toulouse,1985 Was the John Foster Dulles who personified the Cold War as U S secretary of state in the 1950s the same man who denounced narrow nationalism as a leader of worldwide ecumenism and liberal Protestantism in the 1930s In this remarkable study Mark Toulouse documents the transformation of Dulles from prophet of realism to priest of nationalism overturning misconceptions of those historians who have tended to read Dulles s early years backward from what they know of him as secretary of state Christian missions and international diplomacy shaped John Foster Dulles from childhood His father was a liberal Presbyterian minister one grandfather had been a missionary to India while the other had served as U S secretary of state under Benjamin Harrison and an uncle would serve Woodrow Wilson in the same office As a Princeton undergraduate Dulles accompanied his grandfather to an international peace conference at The Hague in 1907 where he became a secretary to the Chinese delegation That experience and a year at the Sorbonne pointed Dulles toward international law rather than the ministry But he remained an active ecumenically minded Presbyterian lay leader serving in several important denominational posts He successfully defended the the controversial Harry Emerson Fosdick and Henry P Van Dusen before the Presbyterian General Assembly when fundamentalists attempted to depose them In 1921 Dulles was appointed to the newly formed Commission on International Justice and Goodwill of the Federal Council of Churches Dulles emerged as an international leader in 1937 at the ecumenical Oxford conference on life and work Convinced in his discussions there of the need to translate his inherited spiritual values into practical international diplomacy Dulles organized and became chairman of the Federal Council s Commission to Study the Bases of a Just and Durable Peace Through the years of world war and as a participant in the United Nations Conference in 1945 Dulles sought a peace that would transcend the narrow concerns of nationalism and political ideology But after 1945 as Professor Toulouse shows the prophetic realism that had guided Dulles s ecumenical quest for world peace and justice became a priestly nationalism that uncompromisingly pursued the international political aims of the United States in the name of a supreme moral law Toulouse s incisive analysis of that transformation is compelling reading for scholars of international diplomacy and American religion and for every person who seeks to reconcile the imperatives of religion with the necessities of statecraft *Building the Kingdom of God on Earth* Martin Erdmann,2005-03-31 In his book *Building the Kingdom of God on Earth* Dr Erdmann deals primarily with John Foster Dulles participation in the ecumenical movement from 1919 to 1945 Dulles role in shaping the religious economic and political policies of the Federal Council of Churches in its support of world order and peace especially in his function as chairman of the Commission on a Just and Durable Peace was crowned with success in the founding of the United

Nations Organisation in 1945 His personal friends Philip Kerr Lord Lothian and Lionel Curtis the principal leaders of the Round Table Group come into the pictures at various times By and large they pursued the same objectives as those of Dulles The book shows the detailed influence of the Round Table Group and its affiliated organisations such as the Royal Institute of International Affairs London and the Council for Foreign Relations New York City on the ecumenical movement using it successfully for their purpose of creating an international community of nations

Sword of the Spirit, Shield of Faith

Andrew Preston,2012-02-28 A richly detailed profoundly engrossing story of how religion has influenced American foreign relations told through the stories of the men and women from presidents to preachers who have plotted the country s course in the world Ever since John Winthrop argued that the Puritans new home would be a city upon a hill Americans role in the world has been shaped by their belief that God has something special in mind for them But this is a story that historians have mostly ignored Now in the first authoritative work on the subject Andrew Preston explores the major strains of religious fervor liberal and conservative pacifist and militant internationalist and isolationist that framed American thinking on international issues from the earliest colonial wars to the twenty first century He arrives at some startling conclusions among them Abraham Lincoln s use of religion in the Civil War became the model for subsequent wars of humanitarian intervention nineteenth century Protestant missionaries made up the first NGO to advance a global human rights agenda religious liberty was the centerpiece of Franklin Roosevelt s strategy to bring the United States into World War II From George Washington to George W Bush from the Puritans to the present from the colonial wars to the Cold War religion has been one of America s most powerful sources of ideas about the wider world When just days after 9 11 George W Bush described America as a prayerful nation a nation that prays to an almighty God for protection and for peace or when Barack Obama spoke of balancing the just war and the imperatives of a just peace in his Nobel Peace Prize acceptance speech they were echoing four hundred years of religious rhetoric Preston traces this echo back to its source *Sword of the Spirit Shield of Faith* is an unprecedented achievement no one has yet attempted such a bold synthesis of American history It is also a remarkable work of balance and fair mindedness about one of the most fraught subjects in America

American Exceptionalism and Civil Religion

John D. Wilsey,2015-10-22 The idea of America s special place in history has been a guiding light for centuries With thoughtful insight John D Wilsey traces the concept of exceptionalism including its theological meaning and implications for civil religion This careful history considers not only the abuses of the idea but how it can also point to constructive civil engagement and human flourishing

The Papers of Dwight David Eisenhower Dwight David Eisenhower,2003-04-30 The final set of volumes Vol 18 21 sold separately of The Papers of Dwight David Eisenhower contain 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 Completing a monumental project that began with publication of *The War Years* in 1970 this final set of volumes of The Papers of Dwight David Eisenhower contains 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 In these years

Eisenhower worked hard to hold the focus of American national politics on the two major objectives he had set for his presidency in 1952 to sustain the policy of containment without precipitating a war with the Soviet Union and to reduce the role of the federal government in U S domestic affairs In both cases events at home and abroad intruded diverting attention to immediate problems endangering the peace and forcing the White House to devote most of its leadership to the crises of the day As president during this tense period Eisenhower maintained an extensive and revealing correspondence with prominent individuals as well as with personal friends These letters together with the occasional entries made in his diary shed considerable light upon the major national concerns of the 1950s The volumes also include private and secret correspondence previously unavailable to scholars Some of these items have been only recently declassified and many appear here in print for the first time Taken as a whole the Eisenhower papers from 1957-61 provide firm documentary evidence of the manner in which Eisenhower dealt with the complex internal and external problems faced by all of our modern political leaders

A Certain Arrogance George Michael Evica, 2011-02-01 Providing the first global cultural context for the assassination of John F Kennedy this investigation into how United States intelligence agencies and other entities manipulated liberal religious groups and educational institutions for ideological political and economic gain during the Cold War exposes numerous previously misunderstood political operations Including assassinations these projects include those facilitated by Allen Dulles John Foster Dulles the U S State Department the Office of Strategic Services and its successor the CIA and other individuals and groups Focusing on the manipulations of key individuals in the American Unitarian Association the Unitarian Service Committee and the Unitarian supported Albert Schweitzer College by covert American interests during the Cold War this expos asserts that an unwitting Lee Harvey Oswald an asset and pawn of American intelligence was the ideal scapegoat in a tragically successful conspiracy to murder President Kennedy

Diplomacy and the Making of World Politics Ole Jacob Sending, Vincent Pouliot, Iver B. Neumann, 2015-08-20 This book examines world politics through the lens of diplomatic practice It argues that many global phenomena of our time from the making of international law to the constitution of international public power through humanitarianism and the maintenance of global hierarchies are made possible and shaped by evolving forms of diplomacy The study of diplomacy is largely dominated by firsthand accounts and historical treaties with little effort at theoretical discussion This book shows how diplomatic studies can benefit from more explicit theorizing and argues that the study of world politics should pay more attention to what goes on in the diplomatic engine room of international politics

Millennial Dreams and Apocalyptic Nightmares Angela M. Lahr, 2007-10-31 Conservative evangelicals millennial outlook helped to demarginalize the subculture in the Cold War as secular apocalypticism paralleled and sometimes justified the dispensational worldview The prospect of nuclear warfare especially in the shadow of the Cuban Missile Crisis and the creation of the state of Israel appeared to be direct fulfillment of biblical prophecy The secular apocalypticism that accompanied these developments combined with conservative evangelicals

embrace of anticommunism helped to legitimize evangelicalism in the national secular domain This book examines the Americanization of Cold War evangelicalism and argues that these developments led up to the evangelical subculture's expansion with the rise of the New Christian Right

Imagining the Middle East Matthew F. Jacobs, 2011-09-12 As its interests have become deeply tied to the Middle East the United States has long sought to develop a usable understanding of the people politics and cultures of the region In *Imagining the Middle East* Matthew Jacobs illuminates how Americans' ideas and perspectives about the region have shaped justified and sustained U S cultural economic military and political involvement there Jacobs examines the ways in which an informal network of academic business government and media specialists interpreted and shared their perceptions of the Middle East from the end of World War I through the late 1960s During that period Jacobs argues members of this network imagined the Middle East as a region defined by certain common characteristics religion mass politics underdevelopment and an escalating Arab Israeli Palestinian conflict and as a place that might be transformed through U S involvement Thus the ways in which specialists and policymakers imagined the Middle East of the past or present came to justify policies designed to create an imagined Middle East of the future Jacobs demonstrates that an analysis of the intellectual roots of current politics and foreign policy is critical to comprehending the styles of U S engagement with the Middle East in a post 9 11 world

America's Miracle Man in Vietnam Seth Jacobs, 2005-01-27 Argues that American cultural conceptions of religion and race during the 1950s played a crucial role in framing an ideology through which U S policymakers understood their options in Vietnam

Dear Unknown Friend Alexis Peri, 2024-10-08 *Dear Unknown Friend* relates the story of US and Soviet pen pals amid the early Cold War The correspondents all of them women approached each other with curiosity and an eye toward coexistence Their letters initially tolerated by censors on both sides revealed the humanity of the enemy and inspired the women to reexamine their own societies

Myths, Models, and U.S. Foreign Policy Stephen W. Twing, 1998 In what ways does national culture influence the direction of US foreign policy This study analyzes how certain cultural elements influenced the policy preferences and policymaking behaviours of three Cold War era statesmen John Foster Dulles Averell Harriman and Robert McNamara

Wrestling with God Cecelia Lynch, 2020-03-12 Explores the ethical tensions impacting Christian practice in international politics from early missions to contemporary humanitarianism

Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today's students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among

Christian clerics and scholars on the idea of just war shifted with developments on the battlefield. Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo-Anabaptists and Niebhurians. Meanwhile, proponents of Christian just war theory had to address challenges from competing ideologies as well as those presented by the changing nature of warfare. **Modern Just War Theory: A Guide to Research** by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory, helping them navigate the wealth of just war literature produced in the twentieth and twenty-first centuries. Farrell's guide provides an introduction to the major developments of just war theory in the twentieth century, including sections on how to research just war theory, an overview of some of the most important theorists and developments of the twentieth century, and discussions of key search terms and related topics. Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories. **Modern Just War Theory** will appeal to students and scholars of theology, military history, international law, and Christian ethics.

Grotesque Relations Susan Edmunds, 2008-08-14. Whereas the primary scholarship on progressive reform and literature has focused on the New Deal, Edmunds returns to the Progressive Era when reformers pushed a sentimental view of the domestic sphere to advance social policy interests. In contrast, modernist writers including Djuna Barnes, Jean Toomer, Edna Ferber, Tillie Olsen, Nathanael West, and Flannery O'Connor reacted by producing fiction that belied depictions of a sunny home front by evoking the darker undercurrents of family life.

Embraced and Engaged Ron Kirkemo, 2010-01-01. What do Joseph, Joab, Jeremiah, and the Beatitudes have to do with a Christian young person in American foreign policy? Can a Christian be a diplomat, a spy, a defense industry scientist? Can a Christian impact foreign affairs as a member of Congress? Amid counsels for Christians to withdraw from the worlds of government and its power and self-interest, Ron Kirkemo argues a person embraced by God's grace should be engaged in the nation's purposes and the movement of history. Through such engagement, God's children can impact history, but they will inevitably face ethical issues. This book is not about the policy of foreign policy but about people conducting policy, the ethical issues they may and will face, and strategies for keeping one's First Love. Their first love: Is government ordained by God or history, a movement of fate? If not, God's grace becomes a central factor in life. Is America headed the way of Babylon? If not, or if maybe, then Christians need to engage the intellectual and operational aspect of policy to prevent that decline and prevail against enemies. Is there a disconnect between the traits for success in foreign affairs and the servant leadership model espoused by many Christian colleges and universities? Kirkemo engages these issues and urges students to consider the Rhodes Ideal for shaping their years in college. This book will at times provoke controversy, but it always hopes to inspire and enlighten as it interprets history and Scripture, describes professional life, gives insight, offers counsel, and affirms one's openness to God and growth in spiritual life.

Spiritual Legacy Of John Foster Dulles: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Spiritual Legacy Of John Foster Dulles : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Spiritual Legacy Of John Foster Dulles : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Spiritual Legacy Of John Foster Dulles Introduction

In today's digital age, the availability of Spiritual Legacy Of John Foster Dulles books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spiritual Legacy Of John Foster Dulles books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spiritual Legacy Of John Foster Dulles books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly,

especially if you need to purchase several of them for educational or professional purposes. By accessing Spiritual Legacy Of John Foster Dulles versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spiritual Legacy Of John Foster Dulles books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spiritual Legacy Of John Foster Dulles books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spiritual Legacy Of John Foster Dulles books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spiritual Legacy Of John Foster Dulles books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Spiritual Legacy Of John Foster Dulles books and manuals for download and embark on your journey of knowledge?

FAQs About Spiritual Legacy Of John Foster Dulles Books

1. Where can I buy Spiritual Legacy Of John Foster Dulles books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
