**Questions and answers** Carl Hinton, 2013-01-26 The author of this book has been travelling to Tanzania as a missionary since 1991 During that period he has been asked many Bible based and faith centred questions some of which are repeatedly asked It is thought that the answers to these repeated questions may be usefully contained in a pocket sized booklet for others to keep with them at all times so that they might give a ready answer to those that ask For this reason this booklet has been written as a compilation of answers to those often asked questions This is not another attempt to answer all the questions of religious leaders for that see Wrested Scriptures by Ron Abel This small booklet is aimed at answering the questions of the common man The materials found here are intended for the Ecclesias of Tanzania however the principles are universal and therefore are transferrable to any culture

**Questions About the Holy Spirit** S. Michael Houdmann, 2013-08-22 Every person in the world has felt the influence of the Holy Spirit at one time or another For some its the conviction of sin and righteousness and judgment John 16 8 For others its the comfort guidance and strength He gives To some the Spirit is as mysterious and unknowable as a night wind passing through the treetops To others He is as close and inviting as a friend across the table But even those who know the Holy Spirit personally have questions about Him As Oswald Chambers said The Spirit is the first power we practically experience but the last power we come to understand Thats the reason for this book What gifts does the Spirit give How can I be filled with the Spirit Will the Spirit ever leave me Weve received all these questions and more since GotQuestions org was founded in 2002 To find the answers we opened the Bible the one book inspired by the Holy Spirit Himself In searching the Scriptures we learn of the Spirits nature His work and His will May the Holy Spirit use the questions and answers in this volume to increase your awareness of His presence encourage
