Methods in Religion, Spirituality & Aging James W. Ellor, 2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation

Religion, Belief and Social Work Furness, Sheila, Gilligan, Philip, 2009-11-18 This book examines how religion and related beliefs have varied impacts on the needs and perceptions of practitioners service users and the support networks available to them The authors argue that social workers need to understand these phenomena so that they can become more confident in challenging discriminatory and oppressive practices The centrality of religion and associated beliefs in the lives of many is emphasised as are their potentially liberating and potentially negative impacts In line with the Social Work in Practice series style the book allows readers to explore issues in depth It focuses on knowledge transmission and the encouragement of critical reflection on practice Each chapter is built around real life case scenarios using a problem based learning approach This book is the first to deal with social work and religion so comprehensively and will therefore be essential reading not only for social work students but also for practitioners in a range of areas social work academics and researchers in the UK and beyond
