Business Ethics in the Middle East Yusuf

Sidani,2018-06-12 Business Ethics in the Middle East fills a crucial gap in the Middle East educational landscape Written in an easy and accessible format this book covers the foundations of business ethics by drawing from both Eastern and Western traditions The chapters include many examples case studies activities and illustrations that are customized to the Middle Eastern market yet relevant to readers outside of the Middle East who want thorough insights about business behaviour in the region A special module introduces the Arab Middle Eastern context that non Arab readers will find valuable The author addresses topics related to organizational culture leadership CSR corporate governance marketing HR accounting finance and production This is accomplished with a deep attention to the cultural and contextual elements of the Middle East Special attention is given to religious business ethics while still deeply engaging the vast heritage of Western ethical systems This combination is essential for the development of a comprehensive approach to the topic of business ethics This textbook will be essential reading for students of business ethics in the Middle East and will also be valuable for students and researchers across business ethics Islamic Studies religion and philosophy *Faith, Morals, and Money* Edward D. Zinbarg,2005-01-01

Most books on business ethics approach the subject philosophically That approach Zinbarg tells us is that it neglects the most important source of most people s understanding of right and wrong their religious tradition While philosophy can shed the light of reason on the ethical dilemmas of economic life it s less than convincing about why we ought to behave well lacking the compelling urgency of religious faith Following a wonderfully lucid and succinct summary of the ethical systems relative to Judaism Christianity Islam Hinduism Buddhism and Confucianism the author presents a variety of case studies in lively dialogue form from the whole gamut of economic life including misrepresentation by sellers truth in advertising the ethics of part time employment child labor and environmental ethics The solutions may vary from tradition to tradition but overall one is struck by the similarities This is a book grounded in the real ethical challenges of modern business practice with a kind of world religious perspective so necessary in an era of globalization **Wildmind** Bodhipaksa,2012-02-29

Meditation helps us to cut through the agonizing clutter of superficial mental turmoil and allows us to experience more spacious and joyful states of mind It is this pure and luminous state that I call your Wildmind From how to build your own stool to how a raisin can help you meditate this illustrated guide explains everything you need to know to start or strengthen your meditation practice *Servant Leadership* Dirk van Dierendonck,Kathleen Patterson,2010-10-13

Servant leadership may be the answer to the current demand for a more ethical people centred leadership where humility servitude and contribution are key elements The purpose of this book is to provide an overview of current thinking and empirical research of the determinants underlying processes and consequences of servant leadership **Ethics in Marketing** Patrick E.
