[On Art, Labor, and Religion](#) Ellen Starr, 2019-01-22 Chicago was a tumultuous and exciting city in 1889 Immigration industrialization urbanization and politics created a vortex of social change This lively chaos called out for both celebration and reform and two women Ellen Gates Starr and Jane Addams responded to this challenge by founding the social settlement Hull House Although Addams is one of the most famous women in American history and a major figure in sociology Starr remains virtually unknown *On Art Labor and Religion* is the first anthology of Starr's writings and biography and makes evident her contributions to national and international sociological thought and practice

The Works of Allen Ginsberg, 1941-1994 Bill Morgan, 1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world's most important writers for over 40 years This comprehensive bibliography covering the years 1941 to 1994 was prepared with the cooperation of the poet himself All books periodicals photographs recordings films and miscellaneous appearances are listed here Entries are grouped in chapters according to type of work and each entry provides full descriptive bibliographic information Allen Ginsberg is perhaps the most famous poet of our time as well as one of our most prolific writers His subjects range from Buddhist studies to drug research to gay rights to political issues of every description from Vietnam to censorship Ginsberg gave the author access to personal files and as a result every appearance of Ginsberg's writings in the English language is noted This bibliography is a comprehensive descriptive record of all of Ginsberg's works The volume contains descriptive annotations of every book pamphlet and broadside by Ginsberg It also contains complete descriptions of every contribution by Ginsberg to the works of others In addition all

periodical contributions recordings films and miscellaneous publications are listed Due to Ginsberg's recent acceptance as a photographer of note a special section identifies all of his published photographs Entries are arranged in chapters according to the type of work to facilitate ease of use As a result this book presents a history of Ginsberg's works and traces the evolution of his writings over a period of publications and revisions Creation, Myths Old and New Colin Jamieson, 2014-10-28 Sir Karl Popper the great philosopher said The real mystery in life is that the universe itself seems to be creative This book is an introduction to creativity with an essay on the connection between faith and fiction It contains a few of the authors favorite ancient cultural myths some folktales of recent times and some original stories These are ideal for reading to children This book includes stories for families from our ancestors great and unknown some are contemporary individualistic doodles in the sands of time that readers may simply enjoy All of us should be telling the stories of our imaginations for the sake of our children and future generations not only for their pleasure but wherein they might find a way forward through the mysteries and changes in life The book has commentaries on the myths and finishes with an explanation of the purpose of myths that concludes with a challenge for modern myth making **American Studies** Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology **Augustine and the Problem of Power** Charles Norris Cochrane, 2017-10-03 More than seventy years after his untimely death this collection of essays and lectures provides the first appearance of Charles Norris Cochrane's follow up to his seminal work Christianity and Classical Culture Augustine and the Problem of Power provides an accessible entrance into the vast sweep of Cochrane's thought through his topical essays and lectures on Augustine Roman history and literature Niccolo Machiavelli and Edward Gibbon These shorter writings demonstrate the impressive breadth of Cochrane's mastery of Greek Roman and early Christian thought Here he develops the political implications of Christianity's new concepts of sin and grace that transformed late antiquity set the stage for the medieval world that followed and faced the reactions of the Renaissance and Enlightenment Cochrane analyzes the revival of classical thought that animated Machiavelli's politics as well as Gibbon's historiography Written amid the chaos and confusion of depression and world war in the twentieth century Cochrane's writings addressed the roots of problems of his own distracted age and are just as relevant today for the distractions of our own age *Encyclopedia of Jewish-American Literature* Gloria L. Cronin, Alan L. Berger, 2015-04-22 Presents a reference on Jewish American literature providing profiles of Jewish American writers and their works Faith and Fiction Anita Gandolfo, 2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown's The Da Vinci Code The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature

transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown's *The Da Vinci Code* has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But *The Da Vinci Code* is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the *Left Behind* series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Faith and Fiction examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available
