## **Spirituality And Social Liberation:**

**Understanding Spirituality and the Sacred in Social Work Practice** Mary Jo McVeigh, Joel Hollier, Jioji Ravulo, 2025-03-31 Social work is constantly epistemically evolving and embracing diverse bodies of knowledge to inform its ontology and practice frameworks Over the years the impact of feminist post colonial and queer theory for example has broadened the social work lens and invited a welcome departure from dominant Westernised patriarchal and positivist paradigms However the separation of the spiritual realm from casework clinical community and group work traditions of social work remained steadfast The last decade or so has seen forages into the issues of social work and spirituality This examination into spirituality and social work has shown that for many service users spiritual practices be they religious or non religious are important in their lives and their way out of difficulties Concurrently relationships between socio political movements and global religions have grown increasingly complex To create a truly holistic approach to the needs of service users it is important that social work policy and practice give voice to these complexities and understand the place of spirituality within service delivery This book critically reflects upon and discusses the intersecting role of spirituality in the lives of people who access social work services By gathering contributions from people with lived experience practitioners and academics this book will explore a comprehensive range of issues opening the area of spirituality to current critical socio political and cultural thought It will be of interest to all social work scholars students and practitioners

**Types of Pentecostal Theology** Christopher A. Stephenson, 2016-10 In this the first critical study of the major theologians of pentecostalism Christopher A Stephenson establishes four original categories that classify recent pentecostal theologians methodologies in systematic constructive theology

**The Spirit and the Salvation of the Urban Poor** Brandon Kertson, 2019-11-15 Poverty What is it good for Absolutely nothing Still poverty is an ever present reality even in so called first world nations like the United States If the Holy Spirit is the member of the Trinity that is ever present in our world perhaps the Spirit can be a resource to address poverty In this pneumatological theology of poverty Brandon Kertson explores the current state of poverty in the United States arguing its complexities also require complex answers demanding a pneumatological approach that has yet to be offered Using Renewal theology and pneumatology Kertson develops a pneumatological four fold gospel based on Jesus pneumatic declaration of Luke 4 He explores how the Spirit addresses poverty through Jesus and the historic and global church and how we can begin to address poverty through the Spirit today The Spirit as savior baptizer healer and entelechy of the kingdom lays the foundation for a holistic response to the complex problem of poverty in our country

**Divine Healing: The Formative Years: 1830-1890** James Robinson, 2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America Africa and Asia Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy The prevailing view saw suffering as a divine chastening designed for growth in personal holiness and something

to be faced with submission and endurance It was not until the nineteenth century that this understanding began to be seriously questioned This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century *Total Liberation* Ruben L. F. Habito, 2006-09-01 What is Zen Buddhism What is its value for Christians How does it relate to Christian beliefs How does Zen relate to the world and to changing it *Total Liberation* explores these and other questions about Zen and Christianity Habito has two basic aims First he demonstrates the relevance of Zen to a contemporary Christian spirituality comparing Zen insights to the often overly cerebral qualities of Western Christianity Second he shows how a blending of Zen and Christian spirituality complement and sustain a social active role in the world While an important dimension of Zen involves contemplation and personal growth Habito points out that this basic ideal ultimately expands to embrace all of creation and not just the individual self Similarly the Christian spiritual relationship with God finds its expression not only in the personal and contemplative but in action *Total Liberation* defines true spirituality as engagement with rather than disassociation from the social dimension It shows that Zen no less than Christian spirituality must lead to active involvement and struggle against social violence and oppression *The Emergence of Liberation Theology* Christian Smith, 1991-08-27 Liberation theology is a school of Roman Catholic thought which teaches that a primary duty of the church must be to promote social and economic justice In this book Christian Smith explains how and why the liberation theology movement emerged and succeeded when and where it did

**Visionary Women Writers of Chicago's Black Arts**

**Movement** Carmen L. Phelps, 2013 A disproportionate number of male writers including such figures as Amiri Baraka Larry Neal Maulana Karenga and Haki Madhubuti continue to be credited for constructing the iconic and ideological foundations for what would be perpetuated as the Black Art Movement Though there has arisen an increasing amount of scholarship that recognizes leading women artists activists and leaders of this period these new perspectives have yet to recognize adequately the ways women aspired to far more than a mere dismantling of male oriented ideals In *Visionary Women Writers of Chicago's Black Arts Movement* Carmen L Phelps examines the work of several women artists working in Chicago a key focal point for the energy and production of the movement Angela Jackson Johari Amiri and Carolyn Rodgers reflect in their writing specific cultural local and regional insights and demonstrate the capaciousness of Black Art rather than its constraints Expanding from these three writers Phelps analyzes the breadth of women's writing in BAM In doing so Phelps argues that these and other women attained advantageous and unique positions to represent the potential of the BAM aesthetic even if their experiences and artistic perspectives were informed by both social conventions and constraints In this book Phelps's examination brings forward a powerful and crucial contribution to the aesthetics and history of a movement that still inspires

Perspectives in Pentecostal Eschatologies Peter Althouse, Robby Waddell, 2010-09-08 During the mid twentieth century Pentecostal theology was co-opted by fundamentalism and its dispensational brand of millennial eschatology Fundamentalist dispensationalism not only reinterpreted the original Pentecostal vision of the latter rain outpouring of the Spirit in the last days but undercut its raison d'être as a people empowered by the Spirit of Pentecost to participate in the kingdom of God Yet eschatology is much broader than twentieth century dispensationalism and Pentecostal eschatology is diverse reflecting the diversity of Pentecostal and Charismatic spiritualities There is no one Pentecostal eschatology but many Pentecostal eschatologies This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right

*Pentecostal Experience* Peter D. Neumann, 2012-08-22 Pentecostals are known for an experiential spirituality that emphasizes immediate encounters with God through the Holy Spirit But how should such experience be understood Is it in fact quite so immediate Neumann argues that Pentecostal experience of God is mediated by the Spirit's work through Scripture the Christian tradition and the broader cultural context Using the work of three contemporary Pentecostal theologians Frank D Macchia Simon K H Chan and Amos Yong the book demonstrates that a mediated view of experience of God is forging a more mature Pentecostal theology As further evidence of this maturation Neumann engages these Pentecostal theologians in ecumenical dialogue with leading representatives from Roman Catholic Eastern Orthodox and Protestant traditions

**Spirituality: A Guide for the Perplexed** Philip Sheldrake, 2014-09-25 Spirituality is a word that is used increasingly these days yet it is often ill defined What exactly is spirituality Is it distinct from religion and can we separate it from beliefs and traditions Does spirituality mainly focus on spiritual experiences and practices or is it something more This book suggests that while there may be common features in the use of the word

spirituality is not a single reality Different spiritualities reflect particular religious or philosophical viewpoints as well as the cultural contexts in which they arise and develop Spirituality A Guide for the Perplexed provides students and general readers with a reliable and comprehensive guide to spirituality as an area of study religiously historically philosophically and in the social sciences It explores the tools that are used to study the subject and to interpret spiritual classics whether these are written texts or other forms such as art from different times and cultures Attention is paid to spirituality in a variety of religious and non religious forms in their own terms and comparatively However for the sake of simplicity greatest attention is given to the study of spirituality within a religious perspective with illustrations drawn from texts personalities and themes associated with five major world religions Judaism Christianity Islam Hinduism and Buddhism The book concludes with an exploration of spirituality in contemporary perspective in particular how spirituality is currently employed in areas such as health care education and business among other examples *Being Spiritual but Not Religious* William B.

Parsons,2018-05-30 In its most general sense the term Spiritual but Not Religious denotes those who on the one hand are disillusioned with traditional institutional religion and on the other hand feel that those same traditions contain deep wisdom about the human condition This edited collection speaks to what national surveys agree is a growing social phenomenon referred to as the Spiritual but Not Religious Movement SBNRM Each essay of the volume engages the past present and future s of the SBNRM Their collective contribution is analytic descriptive and prescriptive taking stock of not only the various analyses of the SBNRM to date but also the establishment of a new ground upon which the continued academic discussion can take place This volume is a watershed in the growing academic and public interest in the SBNRM As such it will vital reading for any academic involved in Religious Studies Spirituality and Sociology **"Jesus Is Victor!"** Christian T. Collins Winn,2009-01-01 IN THIS INNOVATIVE WORK Christian T Collins Winn examines the role played by the Pietist pastors Johann Christoph Blumhardt 1805 1880 and Christoph Friedrich Blumhardt 1842 1919 in the development of Karl Barth s theology The disparate theological themes and dynamics of the two Blumhardts were crystallized in their eschatology and Collins Winn argues that as early as 1916 Barth had appropriated this Blumhardtian eschatological deposit in ways fundamental to his own theological development Against the grain of current Barth scholarship this book establishes how the theology of the Blumhardts though critically reconstructed was not merely an episodic influence on Barth s work Instead the Blumhardts had a complex and enduring impact on Barth such that their imprint can be detected even in the mature theology of his Church Dogmatics In treading new ground into Barth s theological formation Jesus Is Victor represents an important contribution to the field of Barth studies **The Pietist Impulse in Christianity** G William Carlson,Christian T Collins Winn,Christopher Gehrz,Eric Holst,2012-10-25 Pietism is a reform movement originating among German Lutherans in the 17th century It focused on personal faith reacting against Lutheran Church s emphasis on doctrine and theology over Christian living The movement quickly expanded exerting an enormous influence on various forms of Christianity and became

concerned with social and educational matters Indeed Pietists showed a strong interest in issues of social and ecclesial reform the nature of history and historical inquiry the shape and purpose of theology and theological education the missional task of the church and social justice and political engagement Though the movement remained largely misunderstood especially in Anglo American contexts negative stereotypes depicted Pietism as a quietist and sectarian form of religion merely concerned with the pious soul and its God The main proposal of the editors of this volume is to correct this misunderstanding assembling a deep collection of essays written by scholars from a variety of fields this work demonstrates that Pietism was a movement characterized by great depth and originality Besides they show the vitality and impulse of Pietism today and emphasize the ongoing relevance of the movement for contemporary problems and questions

*Revolutionary Change and Democratic Religion* Celucien L. Joseph, 2020-04-15 In *Revolutionary Change and Democratic Religion* Celucien Joseph provides a fresh and careful reexamination of Haiti's intellectual history by focusing on the ideas and writings of five prominent thinkers and public intellectuals Toussaint Louverture Joseph Antenor Firmin Jacques Roumain Dantes Bellegarde and Jean Price Mars The book articulates a twofold argument First of all Haiti has produced a strong intellectual tradition from the revolutionary era to the postcolonial present and that Haitian thought is not homogeneous and monolithic Joseph puts forth the idea that the general interweaving themes of rhetoric the race concept race vindication universal emancipation religious pluralism secular humanism the particular and the universal and cosmopolitanism are representative of Haiti's intellectual tradition Secondly the book also contends that Haitian intellectuals have produced a religious discourse in the twentieth century that could be phrased religious metissage The religious ideas of these thinkers have been shaped by various forces ideologies religious traditions and philosophical schools In the same way the religious experience of the Haitian people should be understood in terms of conflicting heterodox and pluralistic manifestations of religious piety as the people in Haiti reacted to the crisis of slavery Western colonialism and imperialism and the arrogance of race in modernity in their striving to reposition themselves within the framework of universal and human metanarratives The book departs from the dominant contemporary Vodou scholarship that is often characteristic of North American and Western studies on the religious life of the Haitian people and Haitian thinkers **Spiritual and**

**Religious** Haight, Roger, 2016-02-09 **"An Esoteric and Spiritual Approach to the Mystery of St. John's Gospel"** Ravi Godrick Vincent, Vincent, 2023-09-14 Synopsis The Hidden Mysteries of St John's Gospel is a profound exploration that delves into the rich tapestry of interpretations found in the Gospel of John Spanning across various religious traditions this book offers a comprehensive study of the Gospel's verses encompassing 1 Catholic Tradition 2 Orthodox Tradition 3 Protestantism 4 Evangelicalism 5 Liberal Christianity and 6 Fundamentalism as well as esoteric perspectives such as 7 Esoteric Christianity 8 Gnosticism 9 Hermeticism 10 Christian Kabbalah 11 Rosicrucianism 12 Anthroposophy and 13 Christian Mysticism The reader embarks on an enlightening journey meticulously deciphering each verse and uncovering
