Splendours And Miseries Biography Of S Sitwell:

Splendours and Miseries Sarah Bradford,1993 *Sacheverell Sitwell* Sarah Bradford,1993 *A Literary History of England Vol. 4* A Baugh,2004-06-02 First published in 1959 The scope of this four volume work makes it valuable as a work of reference connecting one period with another and placing each author clearly in the setting of his time This is the fourth volume and includes the Nineteenth Century and after 1789 1939 *Twentieth Century Borrowings from French to English* Julia Landmann,2013-01-16 French has long been the donor language par excellence in the history of English French has contributed to the English vocabulary in the form of new words since before the Norman Conquest The French influence on the English lexicon represents the focus of linguistic concern in a considerable number of investigations of the language and its development Yet French borrowings which have recently been adopted into English have as yet figured little if at all in such studies The present study sets out to shed light on the French impact on English in the recent past The results presented in this book are based on a corpus of 1677 twentieth century French borrowings collected from the Oxford English Dictionary Online On the basis of their meanings the words under consideration have been assigned to different subject fields in order to give a tour d horizon of the manifold areas and spheres of life enriched by French in recent times The first part of the present investigation concentrates on the phonological and orthographical reception of the various borrowings The focus of this study is on the semantic development of the French borrowings in comparison to their sources in the donor language Emphasis has been placed upon analysing whether a particular meaning a borrowing assumes after its first attested use is taken over from French or whether it represents an independent semantic change within English *Oxford Dictionary of National Biography: Sharp-Smiles* Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **The Many Facades of Edith Sitwell** Allan Pero,Gyllian Phillips,2017-06-13 A fascinating book that takes us deep into Edith Sitwell s world of artifice disguise high camp and verbal ingenuity In these essays Sitwell emerges as a central figure in an alternative avant garde in early twentieth century Britain Faye Hammill author of *Sophistication A Literary and Cultural History* Establishing Edith Sitwell at the center of British modernism this volume showcases her many achievements in poetry autobiography novel writing criticism art and performance Forgoing the gossip about her eccentric appearance and self fashioned persona that has too often overshadowed serious writing about her work the contributors explore how Sitwell combined persona and poetry to foster an outpouring of iconoclastic creativity The Many Facades of Edith Sitwell argues that Sitwell was crucial to the development of a British avant garde that operated alongside the conventionally accepted transatlantic modernism of Ezra Pound and T S Eliot With Sitwell as an influential literary player and social architect the British interwar arts scene was not an ascetic escape from personality as the modernism of Pound and Eliot has often been characterized but an alternative space of flamboyant extravagant and ornate performance Allan Pero is associate professor of English at the University of

Western Ontario Gyllian Phillips is associate professor of English studies at Nipissing University Siegfried Sassoon Jean Moorcroft Wilson, 2003 The World War I poet Siegfried Sassoon is one of the twentieth century's greatest icons and Jean Moorcroft Wilson is the leading authority on him In Siegfried Sassoon The Journey from the Trenches the second volume of her best selling authorized biography Wilson completes her definitive analysis of his life and works exploring Sassoon's experiences after the Great War For many people Sassoon exists primarily as a First World War poet and bold fighter who earned the nickname Mad Jack in the trenches and risked Court Martial possibly the firing squad with his public protest against the War Much less is known about his life after the Armistice Wilson uncovers a series of love affairs with such larger than life characters as Queen Victoria's great grandson Prince Phillip of Hesse the flamboyant Ivor Novello and the exotic and bejeweled Hon Stephen Tennant This period also sees Sassoon establishing close friendships with some of the greatest literary figures of the age Hardy Beerbohm E M Forster and T E Lawrence among them Sassoon himself said that most people thought he had died in 1919 But Wilson shows that his poetry is if anything more powerful in the second half of his life Based on a decade of meticulous research and interviews with many who knew Sassoon well much of the material is published here for the first time Siegfried Sassoon The Journey from the Trenches completes a fascinating story that is beautifully told **Selected Letters of Siegfried Sassoon and Edmund Blunden, 1919-1967 Vol 1** Carol Z

Rothkopf, 2020-09-10 Of the 16 WWI poets memorialized in Westminster Abbey two were destined to become lifelong friends Although both served on the Western Front it was not until 1919 that Siegfried Sassoon received his first letter from Edmund Blunden This collection of Sassoon and Blunden's correspondence contains more than 1 000 letters cards and telegrams

Art, Psychoanalysis, and Adrian Stokes Janet Sayers, 2018-03-21 Illustrated with Barbara Hepworth's abstract stone carving with other works of art and with fascinating vignettes from Adrian Stokes's writing this biography highlights his revolutionary emphasis on the materials led inspiration of architecture sculpture painting and the avant garde creations of the Ballets Russes In also detailing Stokes's role as catalyst of the transformation of St Ives in Cornwall into an internationally acclaimed centre of modern art and his falling in love again in his early forties this biography shows how Stokes used all these experiences together with his many years of psychoanalytic treatment by Melanie Klein in forging insights about ways the outer world gives form to the inner world of fantasy and imagination *The Sitwells* John

Pearson, 1980 John Pearson has sympathetically portrayed the often turbulent private lives of this remarkable English family of poets memoirists critics and patrons and has evaluated their literary output in a book that is as entertaining as it is knowledgeable Index illustrations **Castration, Impotence, and Emasculation in the Long Eighteenth Century** Anne Leah Greenfield, 2019-11-20 This essay collection examines one of the most fearsome fascinating and hotly discussed topics of the long eighteenth century masculinity compromised During this timespan there was hardly a literary or artistic genre that did not feature unmanning regularly and prominently from harrowing tales of castrations in medical treatises to

emasculated husbands in stage comedies to sympathetic and powerful eunuchs in prose fiction to glorious operatic performances by castrati in Italy to humorous depictions in caricature and satirical paintings to fearsome descriptions of Eastern eunuchs in travel narratives to foolish and impotent old men who became a mainstay in drama Not only does this unprecedented study of unmanning in all of its varied forms illustrate the sheer prevalence of a trope that featured prominently across literary and artistic genres but it also demonstrates the ways diminished masculinity reflected some of the most strongly held anxieties interests and values of eighteenth century Britons Oswald Mosley and the New Party Matthew Worley,2010-05-13 This is the first full length study of the organization that incubated Britain s most provocative and successful fascist movement Exploring Sir Oswald Mosley s secession from Labour his evolving politics and his eventual embrace of fascism this book examines the process by which he transformed from Labour politician to fascist **The Warm South** Robert Holland,2018-01-01 An evocative exploration of the impact of the Mediterranean on British culture ranging from the mid eighteenth century to today Ever since the age of the Grand Tour in the eighteenth century the Mediterranean has had a significant pull for Britons including many painters and poets who sought from it the inspiration beauty and fulfillment that evaded them at home Referred to as Magick Land by one traveler dreams about the Mediterranean and responses to it went on to shape the culture of a nation Written by one of the world s leading historians of the Mediterranean this book charts how a new sensibility arose from British engagement with the Mediterranean ancient and modern Ranging from Byron s poetry to Damien Hirst s installations Robert Holland shows that while idealized visions and aspirations often met with disillusionment and frustration the Mediterranean also offered a notably insular society the chance to enrich itself through an imagined world of color carnival and sensual self discovery **The Modernity of English Art, 1914-30** David Peters Corbett,1997 The modernity of English art reconceptualises the history of English painting from 1914 to the end of the 1920s Whereas most accounts have tended to see the period as marked by a tension between the native tradition and Modernism this ground breaking book rethinks the 1920s by situating both Modernist and non Modernist painters within a wider cultural history Established figures such as Paul Nash Edward Wadsworth and Wyndham Lewis as well as lesser known artists like Charles Sims John Armstrong and Ethelbert White are discussed and illustrated in a series of innovative readings within this context The modernity of English art offers a new account of painting in England after 1914 and argues for a strongly revisionist view of the significance of the modern during this important but neglected period in English art

Fuseli Studies Frederick Antal,2022-11-30 First published in 1956 *Fuseli Studies* deals with the many sided artistic achievements of Zurich born Fuseli s baffling personality who was one of the most erudite and renowned intellectuals of his day in Europe The author s intention has been to place his subject in clear historical perspective within his own epoch and thus traces Fuseli s contacts back to sixteenth century mannerism and forward to twentieth century expressionism In this book the social background of that absorbing period covering the artist s working years at the turn of the nineteenth century

is evoked not only in analysing his style poised between classicism and romanticism of the age but also accounting for its appeal and relevance to the present day This book will be of interest to students of art art history European history and literature *International repertory of the literature of art* ,1983 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. Seymour Smith,1953-01-02 Originally published in 1953 What Shall I Read Next lists nearly 2000 works published after 1900 with the compiler s own appreciatory comments on selected items It was a companion volume to Mr Seymour Smith s English Library Both books are published on behalf of the National Book League In his introduction explaining the scope and purpose of the book Mr Seymour Smith wrote Some will find it useful merely as a shopping list reminding them of books they know something about already and serving as a remembrancer To others and particularly to younger readers it may introduce books which have so far escaped their notice It is hoped too that for booksellers and librarians it will have a practical use as a desk book for answering enquiries for serving as a check list for stock and for use as a reference book when memory fails **The English Catalogue of Books Published from January, 1835, to January, 1863** ,1864
