CORPORATISM IN ISRAEL

Lev Luis Grinberg

Split Corporatism In Israel

Oren Yiftachel

Split Corporatism In Israel:

Split Corporatism in Israel Lev Luis Grinberg, 2012-02-01 This book examines the structural constraints and dynamic processes of Israel's political economy by a unique combination of neo corporatist and dual market approaches Grinberg demonstrates that this combination of theories provides a better framework for the analysis of the last decade of political and economic crises in Israel The author focuses on the Israeli workers organization the Histadrut its historical development and structure and its relations with workers employers the Labor party and the state on both economic and political levels By examining the unique structure of the Histadrut the author explains the most distinctive feature of contemporary corporatism in Israel namely the contrast between the business and public sectors *Work and Organizations in Israel* Itzhak

Harpaz, 2017-09-04 Since the State of Israel was established its labor force has grown rapidly and has become increasingly diverse in terms of its demographic cultural ethnic and socioeconomic characteristics Israeli work values have shifted towards greater individualism materialism careerism and preference for white collar and knowledge based occupations is evident A major structural change is underway as indicated by the decline of agriculture as a component in the Israeli economy and the growth of the industrial sector mostly towards high technology and innovative enterprises This volume sheds light on trends and developments that have been taking place in the realm of work in Israel in recent years It contains a unique selection of articles presenting empirical evidence of the major features and important changes characterizing work organizations and the regime of work in Israeli society labor relations work values power and management in organizations work in the Kibbutz inter organizational relations women and work migrants and minorities in the Israeli labor force Studies show that another two major trends characterize the contemporary economy and the labor market the trend toward privatization and globalization the results of which are a continuous decrease of job security and an increasing level of unemployed Israeli men and women that are replaced by the low cost labor of foreign workers emigrating from third world countries This timely volume is valuable for its contribution to illuminating the recent changes taking place in the realm of work in Israel and will be of interest to sociologists social scientists and students of Judaica **The Two-State Delusion**

Padraig O'Malley, 2016-07-26 Author Padraig O Malley is the subject of the new acclaimed documentary *The Peacemaker* Impressive O Malley has done a tremendous amount of research about the Israeli Palestinian conflict The New York Times Book Review Disputes over settlements the right of return the rise of Hamas recognition of Israel as a Jewish state and other intractable issues have repeatedly derailed peace negotiations between Israel and Palestine Now in a book that is sure to spark controversy renowned peacemaker Padraig O Malley argues that the moment for a two state solution has passed After examining each issue and speaking with Palestinians and Israelis as well as negotiators directly involved in past summits O Malley concludes that even if such an agreement could be reached it would be nearly impossible to implement given a variety of obstacles including the staggering costs involved Palestine's political disunity and economic fragility rapidly changing

demographics in the region Israel's continuing political shift to the right global warming's effect on the water supply and more In this revelatory hard hitting book O Malley approaches the key issues pragmatically without ideological bias to show that we must find new frameworks for reconciliation if there is to be lasting peace between Palestine and Israel

Entangled Histories in Palestine/Israel Dafna Hirsch, 2024-04-16 This edited volume offers a new critical approach to the study of Zionist history and Israeli Palestinian relations based on the encounter between history and anthropology Informed by the anthropological method of setting large questions to intimate settings the book examines processes of Zionist colonization nation building and Palestinian dispossession by focusing on encounters between members of different national religious and ethnic groups from below through paying close attention to life stories and reconstructing everyday practices and micro histories of places and communities Thus it tells a complex story in which the practices of historical actors are not simply reducible to a single underlying logic of colonization even as they participate in the production and reproduction of colonial structures This approach effectively undermines the prevailing tendency to study national communities in isolation projecting onto the past an essentialist and rigid separation Rather than assuming two clearly bounded and monolithic national groups caught from the start in perpetual conflict this volume probes their historical production through their evolving relationships and their varied and shifting political social economic and cultural manifestations The book will be of interest to students and researchers in an array of fields including the history of Israeli Palestinian relations anthropological perspectives on settler colonialism and Zionism

Handbook of Israel: Major Debates Eliezer Ben-Rafael, Julius H. Schoeps, Yitzhak Sternberg, Olaf Glöckner, Anne Weberling, 2016-10-24 The Handbook of Israel Major Debates serves as an academic compendium for people interested in major discussions and controversies over Israel It provides innovative updated and informative knowledge on a range of acute debates Among other topics the handbook discusses post Zionism militarism democracy and religion in equality colonialism today's criticism of Israel Israel Diaspora relations and peace programs Outstanding scholars face each other with unadulterated divergent analyses These historical political and sociological texts from Israel and elsewhere make up a major reference book within academia and outside academia About seventy contributions grouped in thirteen thematic sections present controversial and provocative approaches reflecting from different angles on the present day challenges of the State of Israel Other Major Works by the Editors Eliezer Ben Rafael Is Israel One Religion Nationalism and Ethnicity Confounded Brill 2005 Ethnicity Religion and Class in Israel Cambridge University Press paperback 2007 Julius H Schoeps Begegnungen Menschen die meinen Lebensweg kreuzten Suhrkamp 2016 Pioneers of Zionism Hess Pinsker R If Messianism Settlement Policy and the Israeli Palestinian Conflict De Gruyter 2013 Yitshak Sternberg World Religions and Multiculturalism A Relational Dialectic Brill 2010 Transnationalism Brill 2009 Olaf Glöckner Being Jewish in 21st Century Germany De Gruyter 2015 with Haim Fireberg Deutschland die Juden und der Staat Israel Olms 2016 with Julius H Schoeps

The Logic of Democratic Exclusion

Rebecca B. Kook, 2002-01-01 Kook makes the provocative argument that membership in democracies is inherently exclusionary and that national exclusion is a tacit requirement for successfully democratic regimes Neoliberalism as a State Project Asa Maron, Michael Shalev, 2017-07-07 This book explores the politics institutional dynamics and outcomes of neoliberal restructuring in Israel It puts forward a bold proposition that the very creation of a neoliberal political economy may be largely a state project Correspondingly it argues that key political conflicts surrounding the realization of this project may occur within the state Neoliberal restructuring and the institutionalization of permanent austerity are dependent on reconfigured power relations between state actors and are manifested in a new institutional architecture of the state This architecture in turn is the context in which efforts to change social and employment policies play themselves out The volume frames the coming of neoliberalism in Israel as a set of concrete and far reaching changes in the power and modes of operation of the key players in the political economy These changes undermined and neutralized veto players and enabled the ascendance of two state agencies the Ministry of Finance and the Central Bank which gained greatly augmented authority and autonomy These reconfigurations were set in motion by state initiatives that combined punctuated and incremental change The volume comprises case studies of changes in specific social and labor market policies revealing a close elective affinity between programmatic neoliberal changes on the one hand and on the other the proactive drive of the Ministry of Finance to enhance its control over public spending and policy design The book explores successful neoliberal reforms but also reforms that were blocked undermined or overturned by opposition emphasizing the importance of reformers capacity to translate temporary achievements into entrenched strategic advantages Democratic Citizenship and War Yoav Peled, Noah Lewin-Epstein, Guy Mundlak, Jean Cohen, 2014-06-03 This edited volume explores the theoretical and practical implications of war and terror situations for citizenship in democratic states Citizenship is a key concept in Western political thought for defining the individual's relations with society The specific nature of these rights duties and contributions as well the relations between them are determined by the citizenship discourses that prevail in each society In wartime including low intensity wars democratic societies face different challenges than the ones facing them during peacetime in areas such as human rights the status of minorities the state's obligations to its citizens and the meaning of social solidarity War situations can affect not only the scope of citizenship as an institution but also the relations between the prevailing discourses of citizenship and between different groups of citizens Since 9 11 and the declaration of the war on terror many democracies have been grappling with issues rising out of the interface between citizenship and war This volume examines the effects of war on various aspects of citizenship practice including immigration and naturalization the welfare state individual liberties gender relations multiculturalism social solidarity and state civil society relations This book will be of great interest to students of military studies political science IR and security studies in general *Israelis and Palestinians in the Shadows of the Wall* Stéphanie Latte Abdallah, Cédric Parizot, 2016-03-09 Shedding light on the recent

mutations of the Israeli separation policy whose institutional and spatial configurations are increasingly complex this book argues that this policy has actually reinforced the interconnectedness of Israelis and Palestinian lives and their spaces Instead of focusing on the over mediatized separation wall this book deals with what it hides its shadows Based on fieldwork studies carried out by French Italian Israeli Palestinian and Swiss researchers on the many sides of the Israeli Palestinian divide it highlights a new geography of occupation specific forms of interconnectedness and power relations between Israeli and Palestinian spaces It offers a better understanding of the transformation of people s interactions their experiences and the ongoing economy of exchanges created by the separation regime This heterogeneous regime increasingly involves the participation of Palestinian and international actors Grounded in refined decryptions of territorial realities and of experiences of social actors daily lives this book goes beyond usual political media and security representations and discourses on conflict to understand its contemporary stakes on the ground

The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2020-08-15 This publication offers the most wide ranging examination to date of an intriguing country one that is often misunderstood It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The Oxford Handbook of Israeli Politics and Society considers the role of external hostilities but this is not taken as the main determinant of Israel s internal politics Rather the Handbook presents an overview of the historical development of Israeli democracy through chapters examining the country s history contemporary society political institutions international relations and most pressing political issues This comprehensive volume offers contributions by internationally recognized authorities on their subjects outlining the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments

Trial and Error Yagil Levy, 1997-01-01 Questions the commonly accepted view that Israel s military policies were formed in direct response to Arab states hostility and argues for a historical linkage between Israel s changing military posture and the development of an inequitable Israeli social structure

Evolving Nationalism Nadav G. Shelef, 2018-09-05 *Evolving Nationalism* examines how the idea of Israel as a nation state has developed within Zionist and Israeli discourse over the past eight decades Nadav G Shelef focuses on the changing ways in which the main nationalist movements answered three distinct questions in their private and public ideological articulations between 1925 and 2005 Where is the Land of Israel Who ought to be Israeli What should the Zionist national mission be Framed within broader debates about how and why changes in foundational definitions of the nation occur Shelef s analysis centers on the mechanisms of ideological change and then subjects them to empirical scrutiny He thus moves beyond the common but problematic assumptions that such transformations must be either a rare rational adaptation to traumatic shock or a relatively constant product of manipulation

by power hungry elites He finds that nationalist movements including radical and religious fundamentalist ones can and do change cardinal components of their ideological beliefs in both moderating and radicalizing directions These changes have more to do with the unguided consequences of engagement in day to day politics than with strategic reaction to new realities the use of force or the changing incentives of leaders Engaging with some of the most contentious debates about the nature of Israeli nationalism and the geographic religious and ethnic definition of the state of Israel Shelef has made signal contributions to our understanding of Middle East politics and of the ideological underpinnings of nationalism itself

Ethnocracy Oren Yiftachel, 2006-07-25 An important book which adds the often neglected angle of political geography to the growing body of critical research on the Israeli state and society and on the Jewish Arab conflict Baruch Kimmerling The Hebrew University of Jerusalem The Israeli Path to Neoliberalism Arie Krampf, 2018-01-19 In recent years Israel has deeply and quickly transformed itself from a self perceived social democratic regime into a privatized and liberalized Start Up Nation and a highly divided society This transition to neoliberalism has been coupled with the adoption of a hawkish and isolationist foreign policy How can such a deep change be explained How can a state presumably founded on the basis of socialist ideas turn within a few decades into a country characterized by a level of inequality comparable to that of the United States By presenting a comprehensive and detailed analysis of the evolution of the Israeli economy from the 1930s to the 1990s The Israeli Path to Neoliberalism seeks to explain the Israeli path to neoliberalism It debunks the from socialism to liberalization narrative arguing that the evolution of Israeli capitalism cannot be described or explained as a simple transplantation of imported economic models from advanced liberal democracies Rather it asserts that the Israeli variant of capitalism is the product of the encounter between imported Western institutional models and policy ideas on the one hand and domestic economic social and security policy problems on the other This mechanism of change enables us to understand the factors that gave rise to Israel s unique combination of liberalization and strong national sentiments Providing an in depth analysis of Israel s transformation to neoliberalism the book is a valuable resource for those studying the economic history of Israel or the political economy of late developing countries *The Social History Of Labor In The Middle East* Ellis Goldberg, 2019-07-11 Once considered of little import the social history of labor in the Middle East emerged in the 1980s as a major area of research as historians sought to uncover the roots of working class organizing This volume the first in an important new series presents a broad overview of recent literature on the history of workers in the Middle East since 1800 in a bold effort to bring together new directions in research and to reexamine the relevance of established ones Contributors explore the history of labor by situating state led industrialization within the context of older artisanal social communities They examine how industrialization enhanced government control over the economy as a whole and analyze the public s reaction to centralized economic authority They also explain the longevity of social coalitions supporting state industrial monopolies and examine their breakdown along with the emergence of Islamist and other oppositional movements Taken

together the essays provide a historically grounded context for viewing the shifting relationship between states and the world economy as well as between particular states and classes and form a rich synthesis of current interdisciplinary literature on work and workers in the region

Being Israeli Gershon Shafir, Yoav Peled, 2002-02-14 A timely study by two well known scholars offers a theoretically informed account of the political sociology of Israel The analysis is set within its historical context as the authors trace Israel's development from Zionist settlement in the 1880s through the establishment of the state in 1948 to the present day Against this background the authors speculate on the relationship between identity and citizenship in Israeli society and consider the differential rights duties and privileges that are accorded different social strata In this way they demonstrate that despite ongoing tensions the pressure of globalization and economic liberalization has gradually transformed Israel from a frontier society to one more oriented towards peace and private profit This unexpected conclusion offers some encouragement for the future of this troubled region However Israel's position towards the peace process is still subject to a tug of war between two conceptions of citizenship liberal citizenship on the one hand and a combination of the remnants of republican citizenship associated with the colonial settlement with an ever more religiously defined ethno nationalist citizenship on the other

The Israeli Central Bank Daniel Maman, Zeev Rosenhek, 2011-03-01 This book examines the local and global political and institutional processes that have led to the strengthening of the Israeli central bank within the context of the now predominant neoliberal regime Using Israel as a case study to identify broader patterns around the world the authors examine the strengthening of central banks as a key dimension of the institutionalisation of the global regime Drawing on an in depth analysis of the political economy of the Israeli central bank since the mid 1980s the authors show how the Bank of Israel mobilized global logics in order to strengthen its position vis vis competing actors especially the Ministry of Finance and to promote the institutionalisation of the neoliberal regime Employing a conflict centered theoretical perspective the authors elucidate the character of this institutional transformation and the mechanisms that were involved Chapters examine the different phases of the process of central bank strengthening focusing on the actors involved the interactions between them and the political strategies they employed and analyse the consequences of the process for the shift in macro economic management and in the mode of state involvement in the economy Addressing the political and institutional processes that have led to the fundamental transformation of Israeli political economy this book is a valuable addition to the existing literature on the Israeli banking system political economy and globalisation

Developmentalism Graham Harrison, 2020 Developmentalism uses 250 years of case studies to show the deep contextualization of capitalist transformation as well as the massive improvements in material life that it has generated

Facing Barriers Vered Kraus, Yuval P. Yonay, 2018-03-22 Analyzes the labor experience of Israeli Palestinian women arguing that state policies and widespread discrimination hinder their labor force participation and success

Israeli Nationalism Uri Ram, 2010-12-16 This study of the construction of Jewish Israeli nationalism combines a

sociological study of a national culture with an analysis of the national discourse exploring the categories of thought that constitute the Jewish Israeli nation as an historical entity as a social reality and as a communal identity

Split Corporatism In Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Split Corporatism In Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Split Corporatism In Israel has opened up a world of possibilities. Downloading Split Corporatism In Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Split Corporatism In Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Split Corporatism In Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Split Corporatism In Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Split Corporatism In Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Split Corporatism In Israel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Split Corporatism In Israel Books

What is a Split Corporatism In Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Split Corporatism In Israel PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Split Corporatism In Israel PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Split Corporatism In Israel PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Split Corporatism In Israel PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
