

# LOOK AT THE IMAGES OF SPLITTING AND BUDDING ON P. 92.

- What is the most important difference between the processes?
- Splitting occurs as single-celled organisms split into two cells. Budding involves a small part of the parent's body that grows into a new individual.

## **Splitting Up Single Parent Liberation:**

**Splitting Up** Catherine Itzin, 1980      **The Virago Story** Catherine Riley, 2018-04-23 The 1970s witnessed a renaissance in women's print culture as feminist presses and bookshops sprang up in the wake of the second wave women's movement. At four decades remove from that heady era, however, the landscape looks dramatically different with only one press from the period still active in contemporary publishing: Virago. This engaging history explains how, from modest beginnings, Virago managed to weather epochal transformations in gender politics, literary culture, and the book publishing business. Drawing on original interviews with many of the press's principal figures, it gives a compelling account of Virago's place in recent women's history while also reflecting on the fraught relationship between activism and commerce.

**The Abolitionists** Ronald Fletcher, 2013-10-18 In *The Abolitionists*, a companion volume to *The Shaking of the Foundations*, Ronald Fletcher turns his attention to those critics who have advocated the abolition of the family. Blaming the strength of the family for all discontents, they see the family as the deeply entrenched last bastion of an exploitative capitalist society, an obstacle to social progress and a prop for patriarchy. These new critics have exerted a growing influence throughout the 1970s and 1980s, and this is the first book to subject them to a systematic critical appraisal. *The Abolitionists* is a controversial and impressive defence of the modern family shaped by a century and a half of humane reform.

**Having To (Routledge Revivals)** E. Cashmore, 2013-10-14 First published in 1985, *Having To* summarises the situation of more than a million parents in the UK alone that survive as single parents. This thought-provoking book is based on interviews with more than 200 women and men of all ages and backgrounds. The accounts of what life can be like in the world of one-parent families are revealing, sometimes disturbing, and above all moving. In this book, parents talk in depth about their experiences when confronted by violence, infidelity, lesbianism, child abuse, and paranoia. They portray stories that will provoke many questions about the state of the nuclear family.

*Women's Periodicals and Print Culture in Britain, 1940s-2000s* Laurel Forster, 2020-09-21 Foregrounds the diversity of periodicals, fiction, and other printed matter targeted at women in the postwar period. Foregrounds the diversity and the significance of print cultures for women in the postwar period across periodicals, fiction, and other printed matter. Examines changes and continuities as women's magazines have moved into digital formats. Highlights the important cultural and political contexts of women's periodicals, including the Women's Liberation Movement and Socialism. Explores the significance of women as publishers, printers, and editors. *Women's Periodicals and Print Culture in Britain 1940s-2000s* draws attention to the wide range of postwar print cultures for women. The collection spans domestic, cultural, and feminist magazines and extends to ephemera, novels, and other printed matter, as well as digital magazine formats. The range of essays indicates both the history of publishing for women and the diversity of readers and audiences over the mid-to-late twentieth century and the early twenty-first century in Britain. The collection reflects in detail the important ways in which magazines and printed matter contributed to, challenged, or informed British women's culture. A range of approaches, including interview

textual analysis and industry commentary are employed in order to demonstrate the variety of ways in which the impact of postwar print media may be understood

*The Family: Change or Continuity?* Faith Robertson Elliot, 1986-10-27 Faith Elliot

s book has a coherence unusual in a textbook As its title suggests it directs our attention to change and continuity in the family It reviews debates about the biological origins of the nuclear family and gender roles accounts of the development of the conjugal family as the dominant family form in modern Western societies and of change in the roles of men and women within and without the family the remodelling of the conjugal family consequent on the legitimization of divorce and the emergence of one parent families and remarriage families and the development of alternative lifestyles as exemplified in unmarried cohabitation same sex pairings and group living The book considers Marxist and feminist approaches alongside the functional approaches which have been more traditional in the sociological study of the family

**The Mating Trade** Robert Mullan, 2022-02-23 Are marriages made in heaven In reality many people need a little help in the arrangement of such matters whether from Jewish shadkhans matchmakers go betweens computer or video dating agencies marriage bureaux Asian arranged marriages gay dating agencies or personal ads Originally published in 1984 the author s clear sighted look at the mating trade takes some of the mystique away from the subject and is the first serious and detailed account of the third party in marriage Dr Mullan looks at the singles scene and the arranged marriage historically and cross culturally and makes it clear that there is nothing necessarily odd or deviant about the mating trade It is a business like any other and as long as people continue to want perfect partners marriage permanent relationships dates and sex and while evolving social structures make such demands ever more difficult to meet the business will thrive It could even expand and grow but the author believes that first it will have to clean up its act

**Women-Headed Households** S. Chant, 1997-01-31 Households headed by women are a growing presence worldwide This is the first book to focus on their diversity and dynamics in developing countries Set within the context of global trends and debates on female household headship and using case study material based on interviews with low income women in Mexico Costa Rica and the Philippines the analysis explores the reasons for the formation and increase in women headed households in different parts of the world and their capacity for survival in societies where male headed households are both the norm and ideal

Unbroken Homes J Dianne Garner, Wendy A Paterson, 2014-02-25 Explore the real life triumphs and tragedies of single parent mothers Unbroken Homes is a story quilt of personal narratives constructed from in depth case study interviews of five single parent mothers The book chronicles their journeys as mothers daughters and women in relationships and in solitude displaying their stories in their own words like the squares of a multicolored quilt Unbroken Homes breaks through the stigma associated with broken homes and provides a new perspective on the reorganization of American families Unbroken Homes encourages you to rethink some damaging stereotypical assumptions about children from single mother headed homes Drawing information from family research counseling and a cross section of social sciences this book is pertinent to any professional who works

with single parents or their children *Unbroken Homes* does not deal with what is typical in the single parenting experience nor does it give advice or proselytize Rather its purpose is to discover the meaning that single parent mothers bring to their own lives helping you to understand the dynamics of single parent families from a uniquely personal perspective In *Unbroken Homes* you will witness the ways that these women experience the ill effects of gender role socialization work to overcome stigma redefine ideals for family life and gender expectations balance responsibilities in and outside of their homes stretch finances to meet the needs of their families regain strength and self confidence encourage their children s development affirm the strength of their families cope with depression develop networks of support This intensely personal collection of women s stories and reflections is a must read for everyone who seeks a better understanding of divorce single parenting and being alone from an insider s perspective

**Liberating Tradition** Kristina LaCelle-Peterson, 2008-04 Offers a clear perspective on the issues Christian women face in the twenty first century and shows how the Bible is a liberating and enriching book for women

**Liberating Economics, Second Edition** Drucilla Barker, Suzanne Bergeron, Susan F. Feiner, 2021-02-08 In this brand new critical analysis of economics Barker Bergeron and Feiner provide a feminist understanding of the economic processes that shape households labor markets globalization and human well being to reveal the crucial role that gender plays in the economy today With all new and updated chapters the second edition of *Liberating Economics* examines recent trends in inequality global indebtedness crises of care labor precarity and climate change Taking an interdisciplinary and intersectional feminist approach the new edition places even more emphasis on the ways that gender race class sexuality and nationality shape the economy It also highlights the centrality of social reproduction in economic systems and makes connections between the economic circumstances of women in global North and global South Throughout the authors reject the idea that there is no alternative to our current neoliberal market economy and offer alternative ways of thinking about and organizing economic systems in order to achieve gender equitable outcomes Written in an accessible and engaging style this book will be of interest to students and scholars across a range of fields policymakers and any reader interested in creating just futures

**Middletown Families** , 1982 *Middletown Families* was first published in 1985 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Fifty years after publication of Robert and Helen Lloyd s classic studies *Middletown 1929* and *Middletown in Transition 1937* the Middletown III Project picked up and continued their exploration of American values and institutions By duplicating the original studies in many cases by using the same questions this team of social scientists attempted to gauge the changes that had taken place in Muncie Indiana since the 1920s In *Middletown Families* the first book to emerge from this project Theodore Caplow and his colleagues reveal that many widely discussed changes in family life such as the breakdown of traditional male female roles increased conflict between parents and children and disintegration of extended family ties are more perceived than actual Their evidence suggests that the

Middletown family seems to be stronger and more tolerant with closer bonds and greater marital satisfaction than fifty years ago. Instead of breaking it apart the pressures of modern society may have drawn the family closer together. **Introducing Liberation Theology** Leonardo Boff, 1987

**Liberation's Garden** DJ Rankin, 2020-04-29 A work of fiction from the frontline of the socio ecological revolution Miles is lost in a world he doesn't believe in. Paralyzed by the enormity of our situation and resigned to a life of inaction. Then a brief moment sparks his exploration into the folds of the Great Mystery. He learns what it means to live in a good way, how to carry abundance in his heart while shedding the illusion of scarcity and through the journey becomes an active participant in his own life. This book has it all: Action, Adventure, Comedy, Romance, Water Protectors, Deep philosophical meanderings and mystical nonsense. Plus frybread. The weights of the world are heavy, there's a lot of work to be done, let's get to it already.

**Liberated Love** Mark Groves, Kylie McBeath, 2024-04-16 We all desire great love. Yet there seems to be a lot in the way when it comes to cultivating a relationship we crave. Why is that? It's time for a new template, one rooted in choice, truth, safety and respect. To get us there, Mark Groves and Kylie McBeath, champions of positive philosophy, provide us a roadmap, one they walked themselves to step out of protection mode and into connection mode. Groves and McBeath's work through their Create the Love seminars, workbooks and consultation programs have educated a new generation of relationship seekers on the best ways to practice and cultivate love. In *Liberated Love* you'll explore your original relationship blueprint and learn how it informs your current relationships. Spoiler alert: it's often a pretty direct line and discover how limitation can be the key to finding freedom and experiencing fully realized love with another person. Equipped with real life situations and stories, exercises, rituals and tools that lead to productive self-examination, Groves and McBeath illuminate how to be aware of our most instinctual defenses, survival strategies and coping mechanisms, how to have conversations about relationships without turning them into relationship conversations and how to date in a way that protects your heart as you open it up to new possibilities. In these pages, in a format you'll want to turn to again and again, you'll learn how to begin and maintain relationships that allow true self-expression, to feel safe and to feel real, involving sustaining love.

**Liberating Black Theology** Demaine Solomons, Eugene Baron, 2024-02-14 Current debates on decolonisation call for academic disciplines including the practitioners of Black theology to reflect on its content and curriculum. This edited volume actively engages in these ongoing dialogues, specifically addressing the pertinence of a Black theology of liberation within the post-apartheid landscape. It not only delves into the historical underpinnings of this theological framework but also endeavours to establish a conceptual framework for assessing its significance within the current discourse on decolonising theological disciplines. In addition to shedding light on the historical importance of Black theology, the late Vuyani Vellem poses a crucial question: What lessons has Black theology yet to learn? This inquiry by emerging South African scholars serves as a guide for navigating the path forward in developing this theological perspective. Beyond emphasising the historical context, the volume aims to contribute to broader discussions about social cohesion in

South Africa where conflicting socio political narratives persist This work adds to the theoretical development by grappling with the history of Black theological thought and influences contemporary engagements with theology Its impact spans various levels encompassing the reconsideration of Black theology s influence on race gender politics community development and more Ultimately this volume serves as a catalyst for understanding and reshaping the discourse on Black theology offering valuable insights for navigating the complexities of theological thought in today s diverse and evolving landscape
