Spon's Architects And Builders Price 2003:

Spon's Architects' and Builders' Price Davis Langdon, 2004-08-26 Spon's Architects and Builders Price Book 2005 is the most detailed professionally relevant source of construction price information currently available anywhere. With its unique Tender Index it is the only price book that publishes details of its cost base in a way allowing adjustments for market conditions that affect building prices. A separate minor works section covers contracts of around 65 000 in value. The 2005 edition includes the following new items: acrylic water based emulsion paints, additional insulation boards and quilts, green items and head and wall restraints among others.

Spon's Architects' and Builders' Price Davis Langdon, 2003-08-28 Spon's Architects and Builders Price Book 2004 is the most detailed professionally relevant source of construction price information currently available anywhere. With competition growing fiercer throughout the industry and with increasing pressure to obtain a competitive advantage, the A and B's unique tender index will be more valuable than ever before. This is the only price book that publishes details of its cost base in such a way that it can be adjusted to allow for market conditions that affect building prices. A separate minor works section on coloured paper covers contracts of around 65 000 in value. The A and B comes with a free CDROM that enables the reader to view the entire book on screen, cut and paste prices into other tender documents, export to other major packages, perform simple calculations, index search, produce estimate and tender documents and adjust rates and data. This complete package now means that Spon's Architects and Builders Price Book 2004 is now better than ever and is a resource that no building firm, surveyor or architect should be without. New features in this 129th edition include an easier to read format, information on and incorporating the new CICJ three year wage agreement effective from Monday 30th June 2003. It also includes additional items for hot and cold water piping systems, additional building boards and external wall cladding, further aluminium systems, curtain walling, western red cedar external wall cladding, fire retardant steel beams, metal and glazed balustrading, sarnafil roofing and acoustic sliding partitions.

From Concept to Monument: Time and Costs of Construction in the Ancient World Simon J. Barker, Christopher Courault, Javier Á. Domingo, Dominik Maschek, 2023-07-13 21 papers focus on modelling the costs of construction over the course of 2 500 years from Bronze Age Greece to the early Middle Ages. They discuss both broader issues of methodology and particular case studies with particular attention to the exploitation of raw materials, e.g. quarries, transport and construction processes on building sites.

Spon's Landscape and External Works Price Davis Langdon & Everest, 2003-08-28 Spon's Landscape and External Works Price Book 2004 offers the only comprehensive source of information for detailed external works and landscape costs. It covers all the items to be found in hard and soft landscape contracts and is therefore an indispensable reference book for quantity surveyors, landscape architects and contractors. Essential for compiling estimates, specifications, bills of quantities and works schedules. A full index and list of manufacturers and suppliers gives easy reference to all items. The L and E comes with a free CDROM that enables the reader to view the entire book on screen, cut and paste
