Spon's Civil Engineering And Highway Works Price 1999:

Spon's Civil Engineering and Highway Works Price Davis Langdon, 2005-08-16 More than just a price book Spon's Civil Engineering and Highway Works Price Book 2006 is a comprehensive work manual that all those in the civil engineering surveying and construction business will find it hard to work without. It gives costs for general and civil engineering works, highway works and shows a full breakdown of labour, plant and material elements. Thoroughly comprehensive and structured to comply with CESMM3 and MMHW, the book includes prices and rates covering everything from rock bolts to runways, from staircases to step irons. In a time when it is essential to gain competitive advantage in an increasingly congested market, this book provides instant access to cost information and is a one-stop reference containing tables, formulae, technical information and professional advice. This twentieth edition, in its easy-to-read format, incorporates a general review throughout with special emphasis on the tender and estimating process. Plus the standard features you have come to expect from Spon's Civil Engineering and Highway Works Price Book for budgeting, estimating, principles on cost advice, method-related charges, resource costings, labour costs, plant costs, material prices for rapid cost information, approximate estimates, dayworks cost indices for plant and labour, allowances, production rates, outputs, man-hour constants for detailed pricing, unit costs with full breakdown or specialist prices with advice on item coverage, waste allowances and comparative costs for incidental advice, tables and formulae, technical information, professional advice, updated free of charge every three months (see enclosed card to register). Updates are available online at www.pricebooks.co.uk. With FREE CD-ROM containing Spon's Civil Engineering and Highway Works price data. *Spon's Civil Engineering and Highway Works Price* Davis Langdon & Everest, 2003-08-28 More than just a price book Spon's Civil Engineering and Highway Works Price Book 2004 is a comprehensive work manual that all those in the civil engineering surveying and construction business will find it hard to work without. It gives costs for both general and civil engineering works and highway works and shows a full breakdown of labour, plant and material elements. Thoroughly comprehensive and structured to comply with CESMM3, the book includes prices and rates covering everything from beany blocks to well pointing, from radio masts to coastal defence. In a time when it is essential to gain competitive advantage over the competition in an increasingly congested market, this book provides instant access to cost information and is a one-stop reference containing tables, formulae, technical information and professional advice. Spon's Civil Engineering and Highway Works Price Book 2004 comes with a free CD-ROM that enables the reader to view the entire book on screen, cut and paste prices into other tender documents, export to other major packages, perform simple calculations, index search, produce estimate and tender documents, adjust rates and data. This complete package now means that Spon's is now better than ever and is a resource that civil engineers, surveyors and the construction industry cannot do without.
