Routledge Handbook of Youth Sport Ken Green, Andy Smith, 2016-01-08 The Routledge Handbook of Youth Sport is a comprehensive survey of the latest research into young people's involvement in sport Drawing on a wide diversity of disciplines including sociology psychology policy studies coaching physical education and physiology the book examines the importance of sport during a key transitional period of our lives from the later teenage

years into the early twenties and therefore helps us develop a better understanding of the social construction of young people's lives. The book covers youth sport in all its forms from competitive game contests and conventional sport to recreational activities, exercise and lifestyle sport and at all levels from elite competition to leisure time activities and school physical education. It explores youth sport across the world in developing and developed countries and touches on some of the most significant themes and issues in contemporary sport studies including physical activity and health, lifelong participation, talent identification and development and safeguarding and abuse. No other book brings together in one place such a breadth and depth of material on youth sport or the engagement of young people in physical activity. The Routledge Handbook of Youth Sport is therefore important reading for all advanced students, researchers, practitioners and policy makers with an interest in youth sport, youth culture, sport studies or physical education. **School Physical Education in China**, 1989

Psychological factors in physical education and sport, volume II Manuel Gómez-López, Carla Maria Chicau Costa Borrego, Marianna Alesi, 2023-07-05 **Sports Engineering and Computer Science** Qi Luo, 2015-05-18 Sports Engineering and Computer Science contains papers presented at the 2014 International Conference on Sport Science and Computer Science SSCS 2014 held September 16-17 2014 in Singapore and at the 2014 International Conference on Biomechanics and Sports Engineering BSE 2014 held October 24-25 2014 in Riga, Latvia. The contributions have *Sport and Christianity* Hugh McLeod, Nils Martinus Justvik, Robert Hess, 2020-06-09 Sport and Christianity examines sport and Christianity from a variety of historical perspectives with the main focus on the period from the nineteenth to the early twenty-first centuries. The book is not limited to a narrow definition of Christianity but rather encompasses a wide range of denominations, related philosophies and viewpoints. The contributors are international and the geographical range of their chapters is equally wide, extending for example from China to Argentina and from Australia to Poland. Some chapters focus on a single sport such as gymnastics, soccer or Australian Rules football while others look at modern sports more generally. Different methodological and theoretical approaches have been adopted as contributors enter the debates on for example cultural imperialism, gender, changing Christian attitudes to leisure or the intersection between religion, politics and sport. Demonstrating the many-sided significance of the relationship between Christianity and Sport, this book is ideal for scholars of Sport History and Christianity. This book was originally published as a special issue of The International Journal of the History of Sport. **Women, Sport and Exercise in the Asia-Pacific Region** Gyoza Molnar, Sara N. Amin, Yoko Kanemasu, 2018-06-27 Although socio-cultural issues in relation to women within the fields of sport and exercise have been extensively researched, this research has tended to concentrate on the Western world. Women Sport and Exercise in the Asia-Pacific Region moves the conversation away entirely from Western contexts to discuss these issues with a sole focus on the geographic Asia-Pacific region. Presenting a diverse range of empirical case studies from bodybuilding in Kazakhstan and Thailand, karate in Afghanistan and women's rugby in Fiji to women's soccer in North Korea and netball in Papua New

Guinea the book demonstrates how sports may be used as a lens to examine the historical socio cultural and political specificities of non Western and post colonial societies It also explores the complex ways in which non Western women resist as well as accommodate sport and exercise related sociocultural oppression helping us to better understand the nexus of sport exercise gender sexuality and power in the Asia Pacific area This is a fascinating and important resource for students of sports studies sports management sport development social sciences and gender studies as well as an excellent read for academics and researchers with an interest in sport exercise gender and post colonial studies
