Sports Great Derek Jeter Sports Greats:

Derek Jeter #2 David Fischer, 2014-10-14 This book commemorates The Captain's career in pinstripes through words and images David Fischer traces Derek Jeter's legendary baseball career from his early minor league struggles through his exhilarating days as a Yankees superstar to his status as an enduring symbol of the steroid free athlete Indeed Jeter's intangible ability to play at a high level in the postseason makes him the face of the modern Yankees dynasty and of America's national pastime Fischer makes clear that Jeter walks in the footsteps of other Yankees greats such as Ruth Gehrig DiMaggio and Mantle and that someday his shadow will loom just as large The author celebrates Jeter's career in a fully illustrated scrapbook style album with passionate and vivid prose supreme photographic images and memorabilia call out quotes and dozens of personal anecdotes and recollections about Jeter from prominent members of the Yankees organization and the New York community Treasures from the Baseball Hall of Fame and the Yankees Museum rarely seen photographs and artifacts enhance the nostalgic experience This unique collection captures the magic of Derek Jeter making it an essential addition to every Yankee fan's library and a fitting tribute to one of the game's greatest players Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Sports Heroes, Fallen Idols Stanley H. Teitelbaum, 2008-06-01 On the court and on the field they are the world's winners exhibiting a natural grace and prowess their adoring fans can only dream about Yet so often off the field our sports heroes lose their perspective their balance and ultimately their place In a work as timely as the latest fracas on the basketball court or the most recent drug induced scandal in the dugout Stanley H Teitelbaum looks into the circumstances behind many star athletes precipitous fall from grace In his psychotherapy practice Teitelbaum has worked extensively with professional athletes and sports agents work he draws on here for insight into the psyche of sports figures and the off the field challenges they face Considering both historical and current cases he shows how in many instances the very factors that elevate athletes to superstardom contribute to their downfall An evenhanded and honest look at athletes who have faltered Teitelbaum's work helps us see past our sports stars exalted images into what those images and their frailty say about our society and ourselves

Andrews,Steven J. Jackson,2002-09-11 In a culture obsessed with celebrity sportmen and women are some of the highest profile figures We are fascinated by sport stars lifestyles love lives and earning power Sport Stars investigates the nature of contemporary sporting celebrity examining stars often turbulent relationships with the media and with the sporting establishment Through a series of case studies of sporting stars including Diego Maradona Michael Jordan Venus Williams and David Beckham contributors examine the cultural political economic and technological forces which combine to produce sporting celebrity and consider the ways in which these most public of individuals inform and influence private experience Rising Stars Alan Schwarz,2002-12-15 Discusses the challenges and accomplishments of ten of the best young players in baseball including Nomar Garciaparra Sean Casey and Kevin Millwood *51 Questions for the Diehard Fan* Ryder Edwards,2014-04-22 Test your knowledge with these hardball questions about your favorite team all the sluggers hurlers and greatest moments in New York Yankees history 51 questions to challenge the diehard Yankees fan Principles and Practice of Sport Management Lisa Masteralexis,Carol A. Barr,Mary Hums,2012 Club management Narrating the NBA Lukasz Muniowski,2021-04-20 This book analyzes career narratives of selected prominent NBA players after the Michael Jordan era understood as the time after his second retirement in January 1999 It was a pivotal time for the league as Jordan became synonymous with NBA basketball and the face of its global expansion The players discussed in the book have been selected because of the

significance of their career narratives as all of them correspond with certain archetypes prevalent in the world of not only professional basketball but professional sports in general The private and public personas of eight players as well as their depiction by the media are analyzed not only regarding their success on the basketball court but also in light of what they have come to represent for the modern NBA The players discussed in this book are Shaquille O'Neal, Alonzo Mourning, Vin Baker, Allen Iverson, Antoine Walker, Steve Nash, Tim Duncan, and Kobe Bryant Collectively these eight players embody the distinguishing character profiles and career arcs of sports superstars with dominance, individualism, and athleticism being as much a part of sports star culture as egotism, injuries, boredom, addiction, and bankruptcy

Baseball's Two-Way Greats
Chris Jensen, 2025-01-03 The first book to explore the entire history of two way baseball players from the 19th century up to the modern era, this comprehensive work demonstrates that Shohei Ohtani and Babe Ruth are not the only players to excel at both pitching and batting In depth profiles examine how Ohtani and Ruth compare to 19th century star John Montgomery Ward and Negro League standouts Bullet Rogan, Martin Dihigo, Leon Day, and Ted Double Duty Radcliffe as two way players This historical overview outlines the path each player took to reach greatness as a pitcher and a batter and helps answer the fundamental question: who is baseball's greatest two way player Sixty additional Negro League players are covered for their two way feats plus an examination of top two way players from the 19th century Deadball Era and Live Ball Era more than 130 players overall are featured Also included is an overview of 25 top hitting pitchers and a closer look at all the statistics that define a two way player

Sports, Media, and Society
Kevin Hull, 2024-03-26 Whether espoused by sports leagues, teams, or individual athletes, social issues are part of the sporting world fabric The sports media often plays the gatekeeper, deciding how messages are presented and to what extent they're covered if at all Sports Media and Society investigates the impact of societal issues in sports and how the media reports those stories Why does the sports media operate in the manner that it does and what's the impact of its decisions on the audience With Sports Media and Society there is now a resource that combines mainstay class discussion points, current case studies, and theoretical and historical foundations in one comprehensive text The book's 34 chapters are each short and concise, a format preferred by instructors covering a wide range of topics and easily digestible for students Part I covers sports media history and the media's role as gatekeeper Chapters explore the history and evolution of various media: newspapers, magazines, radio, television, and social media, and the business of and competition between sports media entities Case studies examine NBC's Olympics coverage and the nimbleness of Sports Illustrated in the digital space Part II showcases television's impact on how fans follow sports Discussions include ABC's Wide World of Sports, which exposed viewers to events around the globe, ESPN's foray into 24/7 sports coverage, and Fox Sports' shocking NFL deal which marked a new era in media rights negotiations and sports broadcasting technologies The intersection of sports and social issues is the focus of part III Numerous issues are addressed, punctuated by case studies involving key players and events related to each topic Cases concerning Colin Kaepernick

USWNT and coverage of women's sports generally LGBTQ issues and obstacles faced by women working in sports media are highlights while examinations of social identity theory and framing provide context on how people identify with specific groups and how the media influences opinions. Athletes and sport entities are constantly in the news not always in a positive light. Part IV addresses crisis management and communication featuring case studies about Tiger Woods, Lance Armstrong, LeBron James, The Decision, Kobe Bryant, his death, and the misreporting of facts surrounding it, and the Houston Astros sign stealing scandal. The text concludes with part V which explores emerging trends in sports media and society. Through social media, virtually anyone can become a thought leader, wresting control from traditional outlets, and teams and athletes can dialogue directly with fans, effectively sidelining sports journalists. Chapters on the formerly taboo subjects of athlete mental health and sports wagering, as well as the exploding popularity of esports, round out the text. Sports shape our culture in numerous ways, and the sports media plays a transformative role in how it occurs. Sports Media and Society prepares tomorrow's sports journalists and communicators to venture beyond the how-tos of developing content to understanding the whys behind it.

The New York Yankees in the Twentieth Century William Klink, Bonnie Castleberry, Diane Gaede, 2023-09-07. Not for baseball fans only, this enlightening, entertaining exploration of Yankee history examines how design theory and corporatism combined to create the world's most famous baseball franchise, how the managers and star players were outliers who reflected philosophical movements including existentialism, Gnosticism, and Machiavellianism, and how baseball, among other leisure pursuits, creates a stronger, more civil society. Throughout the book, Dr. Klink points out the distinction between looking and seeing by exploring things spectators look at without really seeing or understanding their meaning and impact: the pinstripe uniforms, the stadium's facade, even the Yankee baseball cap on a guy drinking a beer at a bar. The book explores all aspects of the culture surrounding the New York Yankees, from the stadium to the players and the larger community. It will be of interest to Yankees fans and non-fans alike.
