After winning Rookie of the Year honors, O'Neal led the Orlando Magic to the NBA Finals in only his third season. He helped lead the United States Men's Basketball Team to a Gold medal in the Summer Olympics. That same summer, O'Neal signed with the Los Angeles Lakers and hopes to lead them back to the top of the league. *Who Is Shaquille O'Neal?* Ellen Labrecque, Who HQ, 2022-10-04 NBA champion sports analyst and successful businessman Shaquille O'Neal is a lively and entertaining addition to the 1 New York Times Bestselling Series. Shaquille O'Neal discovered his love of basketball while spending time in an afterschool program called the Boys Girls Club of America. Standing over six feet tall by the time he turned eleven years old, Shaq, as he is affectionately known, continued to practice the game and stunned the country with his phenomenal skills. From leading his high school team to its first ever state title to becoming the first pick in the 1992 NBA draft and going on to win four NBA championships, Shaq proved that he could dominate almost any player. But the fifteen-time All-Star who played for six teams throughout his nineteen-year NBA career isn't just a force on the court; he is also an actor, television host, musician, and businessman who is always ready to crack a joke or bust a dance move. With such a welcoming personality and immense talent, it is easy to see why Shaquille O'Neal is often considered one of the greatest players in NBA history.

Sports John R. Gerdy,2010-10-12 John R Gerdy knows sports inside out He has been an All American basketball player whose college jersey was retired He was briefly a professional player Later he served as an associate commissioner in the NCAA s Southeastern Conference and as a legislative and ethical advisor to the NCAA and the Knight Commission Currently he teaches courses on sports administration Now in Sports The All American Addiction he brings his insights and observations together in a radical critical evaluation of the impact of sports on American life This book argues that our society s huge investment in organized sports is unjustified Ardent boosters say that sports embody the American Way developing winners by teaching lessons in sportsmanship teamwork and discipline In fact Gerdy writes modern sports are eroding American life and undermining traditional American values essential to the well being of the nation and its people Like a drug this obsession allows Americans to escape problems and ignore issues Gerdy asks tough questions Have sports

lost their relevance Is it just mindless entertainment Is our enormous investment in sports as educational tools appropriate for a nation that needs graduates to compete in the information based global economy of the twenty first century Do organized sports continue to promote positive ideals Or do sports in the age of television corporate sky boxes and sneaker deals represent something far different Boldly making his case Gerdy detects five causes for alarm A violent win at all cost mentality exists A greater number of spectators are idly watching the few elite athletes An athletic culture that is anti intellectual systematically creates dumb jocks While bridges inner cities and schools are crumbling tremendous sums of tax dollars vanish to wealthy owners millionaire players and to college athletic programs Studies show that sports are no more effective in promoting equality than any other American institution Can organized sports be restructured The author concludes with a series of daring suggestions for change *Crossing Sidelines, Crossing Cultures* Joel Franks, 2009-12-02
