Ogden,Joel Nathan Rosen,2013-06-03 Female athletes are too often perceived as interlopers in the historically male dominated world of sports Obstacles specific to women are of particular focus in A Locker Room of Her Own Race sexual orientation and the similar qualities ancillary to gender bear special exploration in how they impact an athlete s story Central to this volume is the contention that women in their role as inherent outsiders are placed in a unique position even more complicated than the usual experiences of inequality and discord associated with race and sports The contributors explore and critique the notion that in order to be considered among the pantheon of athletic heroes one cannot deviate from the traditional demographic profile that of the white male These essays look specifically and critically at the nature of gender and sexuality within the contested nexus of race reputation and sport The collection explores the reputations of iconic and pioneering sports figures

and the cultural and social forces that helped to forge their unique and often problematic legacies Women athletes discussed in this volume include Babe Didrikson Zaharias the women of the AAGPBL Billie Jean King Venus and Serena Williams Marion Jones Chris Evert and Martina Navratilova Sheryl Swoopes Florence Griffith Joyner Roberta Gibb and Kathrine Switzer and Danica Patrick     **Ad Focus** ,2007     *"Sports Illustrated" Swimsuit Day-to-Day Calendar* Ink Group Publishers, The,2001-08-01     **Sports Idols' Idols** Scott Lynn,2015-11-17 You probably had a childhood idolthat one special person who meant the world to you It might have been a family member a teacher or a coach Its also quite possible you were first drawn to a professional athlete you saw on television or read about in a magazine or newspaper Many of us once dreamed of becoming a pro athlete just like our first childhood hero But do the athletes we idolize have someone they considered to be extra special when they were kids In Sports Idols Idols nearly 150 past and present athletesincluding dozens of Hall of Famersshare stories about their very first childhood heroes They discuss what it was like the first time they met their idols Many experienced euphoria However a few were crushed when their encounters did not go as anticipated In this oral history some of the most well known sports figures from yesterday and today tell you about their idols and about special moments in their lives and careers Go ahead Reach for the stars In Sports Idols Idols sports fans of all ages will learn about the heroes of their heroes     Sports Illustrated Swimsuit Desk Calendar ,1995     **1994 "sports Illustrated" Swimsuit Calendar** ,1993     Brandweek ,2005-10     Library Journal Melvil Dewey,Richard Rogers Bowker,L.
