A Not-So-Small-Time Town Viola

Sawyer Lunderville,2013-04-10 Plainfield New Hampshire has been an extraordinary place since its beginnings The serene

river valley life offers nature's very best and has beckoned many artists and intellectuals including Augustus Saint Gaudens, Maxfield Parrish, and J.D. Salinger. In her whimsical and touching Americana memoir, *Viola Sawyer Lunderville* reflects on her growing up years spent in the quaint New England town in the Connecticut River Valley where she explored, learned, and experienced a simple lifestyle full of freedom, memorable places, and special times. As she looks back on the years, Viola not only offers a unique look at Plainfield's history from the mid 1950s to the early 1970s but also shares a glimpse into all the reasons why the beautiful landscape beckoned many to settle on this picturesque land, including the famous and wealthy. Using detailed personal anecdotes, Viola brings to life historic places in this glorious river valley through real life experiences that she and others have shared. As well, she reveals through the eyes of her youth, adventurous days spent enjoying local swimming holes and freely exploring the vast countryside. *A Not So Small Time Town* takes a nostalgic sentimental ride through a New England town filled with historical significance and many wonderful memories from a simpler time. **My Animal Friends** Eric Hill, 1998

Wild Woman Sandy Cathcart, 2011-09-14 I've been accused of being a rebel, but I'm not really. I simply answer the call of the wild that runs deep in my blood. I hear it every time I smell the musky scent of game and wet earth. I savor it over open fires and far seeing places, and I dream of it on my bed at night when rain makes music on the roof, and I begin planning the next adventure. Wild is more than a physical, untamed place. It is an unrestrained soul soaring on the wings of the wind. It is a connection to the heart of Creator, Redeemer, a total immersion in a Father's love. From a hospital room to the wilderness, set against the backdrop of the terrorist attacks of September 11, 2001, and linking those events with the deaths of Martin Luther King Jr. and Bobby Kennedy during the turbulent sixties era, *Wild Woman* is the journey of reconciling valued relationships and reaching for your dreams. It invites readers on a mental trip back through their own lives and challenges them to take a closer look at creation while offering an open door to fall into the arms of the One who created it. Wild answers to wild questions you were afraid to ask. John Wiuff, counselor and creator of the Lightbox Method.

Kindred Spirits Allen M. Schoen, D.V.M., M.S., 2002-05-14 Treating animals just as any healer would treat human beings, Allen Schoen has become one of America's most celebrated veterinarians. *Kindred Spirits* shares the transformative power of his remarkable methods, explores how alternative healing is revolutionizing his profession, and in the tradition of James Herriot, shares heartwarming stories of animals and their caretakers who have deeply enriched each other's lives. Through moving scenes such as an ailing German shepherd who fights to stay alive so he can assist and comfort his ailing human companion, Schoen details the ways in which the human-animal bond can provide a wellspring of love and support, and outlines his own special prescription for improving the care we give our animals through adopting simple healing practices at home. A remarkable new synthesis of science and spirit, *Kindred Spirits* at last reveals the many ways our animal friends can help us lead happier, healthier, more fulfilling lives.
