## Spring Into Love:

**The Great Feast of Language in Love's Labour's Lost** William C. Carroll, 2015-03-08 This book contends that in *Love's Labour's Lost* Shakespeare sought to discover the ways in which the imagination uses and abuses language. The author's critical reading shows that the characters are endowed with a wide variety of rhetorical disguises. Each assumes that his verbal and social point of view is correct and the limitations and virtues of each viewpoint are explored as the drama unfolds. In an elegant examination of theme and style, Professor Carroll heightens the reader's awareness of Shakespeare's marvellously inventive use of language. The author analyzes the different kinds of style, the characters' attitudes toward language, the play's theatrical modes, the frequent metamorphoses, and the debates. The term debate justified by Shakespeare's use of the medieval conflictus relates to both theme and structure. The author finds that the conflicting theories about the proper relation of language and imagination are resolved stylistically and thematically only in the final Debate between Spring and Winter, where the playwright reasserts the nature and value of good art. *Springtime in Carolina* Michelle Major, 2022-03-01 Love gets one last chance to bloom in Magnolia. Josie Trumbull has rebuilt her life after her ballet dreams were crushed by a career-ending injury. Now she teaches dance in Magnolia and has mostly made peace with her life and future. Until her best friend and proprietor of the bookstore next door, Stuart Madison, takes her completely by surprise. Stuart Madison has had a crush on Josie for years. He knows now it won't go anywhere and it's probably time for him to move on, even if a few Magnolia residents think he still has a shot. Will Josie realize that she can reach for what she wants before Stuart decides to stop waiting? I Hated, Hated, Hated This Movie Roger Ebert, 2022-05-24 The Pulitzer Prize-winning film critic offers up more reviews of horrible films. Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year. But when the noted film critic does pan a movie, the result is a humorous scathing critique far more entertaining than the movie itself. *I Hated, Hated, Hated This Movie* is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize. Ebert has no patience for these atrocious movies and minces no words in skewering the offenders. Witness *Armageddon* 1998. The movie is an assault on the eyes, the ears, the brain, common sense, and the human desire to be

entertained No matter what they're charging to get in it's worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you've ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It's appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It's so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you'll want to distance yourself from but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss *Discover America Diaries. 50 States, 50 States of Mind.
