Copeland, 2009-01-01 Warren Copeland draws from his experience of more than two decades in city politics and addresses head on the issue of Christian ethics in public service Throughout he animates the discussion with numerous anecdotes from his tenure in City Hall combining examples of specific ethical issues in American cities with theological and ethical reflection Then he takes it a step further by including specific suggestions for addressing social injustice in a manner that is true to Christian faith *A Standard History of Springfield and Clark County, Ohio* Benjamin F. Prince, 1922 *The Centennial Northwest. Kinnison, 2022-01-26 On Mud Run near the recently abandoned Shawnee Indian village of Pickewe Samuel Shellabarger was born in a log cabin on December 10 1817 It was in the middle of an endless Ohio forest a world away from civilization Indians said a bird could fly from the Ohio River to Lake Erie never having to land on the ground Mud Run was so deep into the forest that it seemed unlikely that anyone lost there could in a single lifetime win national fame and fortune There were clues in Samuel Shellabargers early years that suggest he might surely rise above this wilderness Shellabargers inspiration for a new America was a religious belief that God had created of one blood all the peoples of the earth and all were equal in God s sight whether he or his father wanted it to be so or not The nation he believed for its own sake should embrace equality before the law or dire consequences would result The nation s founders had declared that all men were equal but failed to achieve equality in practice His generation was called upon to correct the mistake But they let the opportunity slip from their grasp and created instead a new America he described as not fit to be Samuel Shellabarger did not become famous though he almost did He became instead a footnote in a forgotten story that the nation should have remembered And America he believed missed the only chance it might ever have to preserve democracy in the nation **Wittenberg: An American College** William A. Kinnison, 2008-09-23 Half of all the colleges founded before the Civil War did not survive Wittenberg did This is the story of a college on the Ohio frontier that sought to Americanize millions of German immigrants and to Americanize the German Lutheran Church In spite of that Wittenberg was caught in the anti foreign prejudice of Nativists who feared the influence of immigrants on American institutions The school prospered after the Civil War as America embraced German culture from classical music to the Christmas tree The school again faced prejudice in the anti German

furor of World War I Simultaneously this is the story of students and faculty coping with the pressures of a nation going from the poverty of the rural frontier to the wealth of an urban industrial society and how they and Wittenberg changed **20th Century History of Springfield, and Clark County, Ohio, and Representative Citizens** William Mahlon Rockel,1908

Illustrated History of Nebraska Julius Sterling Morton,1913 **Modern Wittenberg** William A. Kinnison,2011-08-08
