American Buffalo Steven Rinella,2009-09-15 A hunt for the American buffalo an immensely readable Los Angeles Times examination of an animal that has haunted the national imagination from the 1 New York Times bestselling author and host of Netflix's MeatEater Both a fascinating piece of outdoor writing and a gonzo meditation on the history of the mighty beast in our national life Milwaukee Journal Sentinel A SAN FRANCISCO CHRONICLE BEST BOOK OF THE YEAR In 2005 Steven Rinella won a lottery permit to hunt for a wild buffalo or American bison in the Alaskan wilderness Despite the odds there's only a 2 percent chance of drawing the permit and fewer than 20 percent of those hunters are successful Rinella managed to kill a buffalo on a snow covered mountainside and then raft the meat back to civilization while being trailed by grizzly bears and suffering from hypothermia Throughout these adventures Rinella found himself contemplating his own place among the 14 000 years worth of buffalo hunters in North America as well as the buffalo's place in the American experience American Buffalo is a narrative tale of Rinella's hunt But beyond that it is the story of the many ways in which the buffalo has shaped

our national identity Rinella takes us across the continent in search of the buffalo s past present and future to the Bering Land Bridge where scientists search for buffalo bones amid artifacts of the New World s earliest human inhabitants to buffalo jumps where Native Americans once ran buffalo over cliffs by the thousands to the Detroit Carbon works a bone charcoal plant that made fortunes in the late 1800s by turning millions of tons of buffalo bones into bone meal black dye and fine china and even to an abattoir turned fashion mecca in Manhattan s Meatpacking District where a depressed buffalo named Black Diamond met his fate after serving as the model for the nickel Both a captivating narrative and a book of environmental and historical significance American Buffalo tells us as much about ourselves as it does about the creature who perhaps best of all embodies the American ethos WINNER OF THE SIGURD OLSON NATURE WRITING AWARD Pony Express ,1952
