s major Cold War novels The first in depth study of le Carr this century this book analyses his work in light of key topics in 20th century history including containment of Communism decolonization the Berlin Wall the Cuban missile crisis the Cambridge spy ring the Vietnam War the 70s oil crisis and Thatcherism Examining The Spy Who Came in from the Cold 1963 Tinker Tailor Soldier Spy 1974 Smiley's People 1979 and other novels this book offers an illuminating picture of Cold War Britain while situating le Carr s work alongside that of George Orwell Graham Greene and Ian Fleming Providing a valuable contribution to contemporary understandings of both British spy fiction and post war fiction Toby Manning challenges the critical consensus to reveal a considerably less radical writer than is conventionally presented **Formula Story** George N. Dove,1989 Dove states that the purpose of this book is to develop a theoretical base for a critical approach to the interpretation of the formula story Such an approach should take into account the relationship between author and reader that determines such tacit agreements as the two axioms of formula fiction the reader knowledge convention and the signals that pass between author and reader Specifically the chief concern of this book will be the The Films of Martin Ritt Gabriel Miller, 2000 criticism interpretation of the mystery **Transformational Syntax and Model Theoretic Semantics** J. McCloskey, 2012-12-06 This piece of work began life as a doctoral thesis written at the University of Texas between 1976 and 1978 Now after a year in Dublin it is to become a book Of the many people in the Department of Linquistics at Texas who shaped my interests and who helped me through the writing of the thesis I must single out Lee Baker Lauri Karttunen Bill Ladusaw Sue Schmerling and Stanley Peters for special gratitude All of them have provided specific suggestions which have improved this work but perhaps more importantly they provided a uniquely stimulating and harmonious environment in which to work and a demanding set of professional standards to live up to To Ken Hale lowe a particular debt of gratitude for two years of encour agement and suggestions and particularly for a set of detailed comments on an earlier version of the book which led to many changes for the better I also thank my friends Per Kristian Halvorsen and Elisabet Engdahl both of whom took the trouble to provide me with detailed criticisms and comments In Dublin I am grateful to the School of Celtic Studies of the Institute for Advanced Studies for giving me the opportunity of teaching a seminar on many of the topics covered in the book and of exposing the material to people whose knowledge of the language is unequalled Donal 6 Baoill and Liam Breatnach have been particularly helpful **Divided, But Not Disconnected** Tobias Hochscherf, Christoph Laucht, Andrew Plowman, 2010-12-01 The Allied agreement after the Second World War did not only partition Germany it divided the nation along the fault lines of a new bipolar world order This inner border made Germany a unique place to experience the Cold War and the German question in this post 1945 variant remained inextricably entwined with the vicissitudes of the Cold War until its end This volume explores how social and cultural practices in both German states between 1949 and 1989 were shaped by the existence of this inner border putting them on opposing sides of the ideological divide between the Western and Eastern blocs as well as stabilizing relations

between them This volume s interdisciplinary approach addresses important intersections between history politics and culture offering an important new appraisal of the German experiences of the Cold War

The Palgrave Handbook of
Cold War Literature Andrew Hammond, 2020-09-04 This book offers a comprehensive guide to global literary engagement
with the Cold War Eschewing the common focus on national cultures the collection defines Cold War literature as an
international current focused on the military and ideological conflicts of the age and characterised by styles and approaches
that transcended national borders Drawing on specialists from across the world the volume analyses the period s fiction
poetry drama and autobiographical writings in three sections dominant concerns socialism decolonisation nuclearism
propaganda censorship espionage common genres postmodernism socialism realism dystopianism migrant poetry science
fiction testimonial writing and regional cultures Asia Africa Oceania Europe and the Americas In doing so the volume forms a
landmark contribution to Cold War literary studies which will appeal to all those working on literature of the 1945 1989
period including specialists in comparative literature postcolonial literature contemporary literature and regional literature

The Bondian Cold War Martin D. Brown, Ronald J. Granieri, Muriel Blaive, 2023-09-01 James Bond Ian Fleming s irrepressible and ubiquitous spy is often understood as a Cold Warrior but James Bond's Cold War diverged from the actual global conflict in subtle but significant ways That tension between the real and fictional provides perspectives into Cold War culture transcending ideological and geopolitical divides The Bondiverse is complex and multi textual including novels films video games and even a comic strip and has also inspired an array of homages copies and competitors Awareness of its rich possibilities only becomes apparent through a multi disciplinary lens The desire to consider current trends in Bondian studies inspired a conference entitled The Bondian Cold War convened at Tallinn University Estonia in June 2019 Conference participants drawn from three continents and multiple disciplines film studies history intelligence studies and literature as well as intelligence practitioners offered papers on the literary and cinematic aspects of the spy discussed fact versus fiction in the Bond canon went in search of a global Bond and pondered gender and sexuality across the Bondiverse This volume of essays inspired by that conference suitable for students researchers and anyone interested in Cold War culture makes vital contributions to understanding Bond as a global phenomenon across traditional divisions of East and West and beyond the end of the Cold War from which he emerged Secrets of the Cold War Andrew Long, 2024-01-05 The dramatic story of how the superpowers collected secrets and used intelligence to build an advantage during the Cold War the longest and most dangerous confrontation of the twentieth century The Cold War which lasted from the end of the Second World War to the collapse of the Soviet Union in 1991 was fought mostly in the shadows with the superpowers maneuvering for strategic advantage in an anticipated global armed confrontation that thankfully never happened How did the intelligence organizations of the major world powers go about their work What advantages were they looking for Did they succeed By examining some of the famous infamous or lesser known intelligence operations from both sides of the Iron Curtain this book

explains how the superpowers went about gathering intelligence on each other examines the type of information they were looking for what they did with it and how it enabled them to stay one step ahead of the opposition Possession of these secrets threatened a Third World War but also helped keep the peace for more than four decades With access to previously unreleased material the author explores how the intelligence organizations both civilian and military took advantage of rapid developments in technology and how they adapted to the changing threat The book describes the epic scale of some of these operations the surprising connections between them and how they contributed to a complex multi layered intelligence jigsaw which drove decision making at the highest level On top of all the tradecraft gadgets and cloak and dagger the book also looks at the human side of espionage their ideologies and motivations the winners and losers and the immense courage and frequent betrayal of those whose lives were touched by the Secrets of the Cold War **Picking Up the Tab** Carlton Jackson,1994 At the memorial held after Martin Ritt's death in 1990 he was hailed as this country's greatest maker of social films From No Down Payment early in his career to Stanley yet he went to a small college in North Carolina Elon where he played football for The Fighting Christians His school days in the South gave him a lifelong love for the region Thus in his movies he was just as much at home with southern as with northern topics He did not deal totally in his southern experience with racism and poverty He directed The Long Hot Summer and The Sound and the Fury both of which described conflicts between and among white social groups He once remarked I have spent most of my film life in the South Some referred to his films as think movies and perhaps this is why he never won an Oscar for best directing But he gave moviegoers all over the world an opportunity to see what America was really like from the viewpoint both of the wealthy and of the poor It may be unfortunately that we will never see his likes again
