MELISSA GREEN

Squanicook Eclogues

Reid Mitchell

Squanicook Eclogues:

The Squanicook Eclogues Melissa Green, 1999 **A Beat Beyond** Major Jackson, 2022-08-02 In this collection of essays interviews and notes Major Jackson reveals and revels in the work of poetry to not only limn and give access to the intellectual width and spiritual depth of poets but also to amplify the controversies and inner conflicts that define our age political unrest climate crises the fallout from bewildering traumas and the social function of the art itself Accessible and critically minded Jackson avoids pedantry and provisional judgments by returning to the poem as an unparalleled source of linguistic pleasure that structures a multilayered lyric self In his interviews Jackson illustrates poetry's distinct ability through metaphor and expressive language to mediate the inexplicable while foregrounding the possibilities of human song Collected over several decades these essays find Jackson praising mythmaking in Frank Bidart and Ai's poetry expressing bafflement at the silence of white identified poets in the cause of social and racial justice unearthing the politics behind Gwendolyn Brooks's Pulitzer Prize and marveling at the hallucinatory speed of thought in the poetry of a diverse range of poets including Mei Mei Berssenbrugge Brenda Hillman Afaa Weaver Forrest Gander and Terrance Hayes This collection passionately surveys the radical shifts of the art and notes poetry's ardor and cultural value as a necessity for a modern sensibility

The ^AVacant Chair Reid Mitchell, 1995-07-13 In many ways the Northern soldier in the Civil War fought as if he had never left home On campsites and battlefields the Union volunteer adapted to military life with attitudes shaped by networks of family relationships in units of men from the same hometown Understanding these links between the homes the troops left behind and the war they had to fight writes Reid Mitchell offers critical insight into how they thought fought and persevered through four bloody years of combat In *The Vacant Chair* Mitchell draws on the letters diaries and memoirs of common soldiers to show how mid nineteenth century ideas and images of the home and family shaped the union soldier's approach to everything from military discipline to battlefield bravery For hundreds of thousands of boys as they called themselves the Union army was an extension of their home and childhood experiences Many experienced the war as a coming of age rite a test of such manly virtues as self control endurance and courage They served in companies recruited from the same communities and they wrote letters reporting on each other's performance conscious that their own behavior in the army would affect their reputations back home So too were they deeply affected by letters from their families as wives and mothers complained of suffering or demanded greater valor Mitchell also shows how this hometown basis for volunteer units eroded respect for military rank as men served with officers they saw as equals Lieut Col Dewey introduced Hugh T Reid one sergeant wrote dryly by saying Boys behold your colonel and webeheldhim In return officers usually adopted paternalist attitudes toward their boys especially in the case of white officers commanding black soldiers Mitchell goes on to look at the role of women in the soldiers experiences from the feminine center of their own households to their hatred of Confederate women as she devils The intimate relations and inner life of the Union soldier the author writes tell us much

about how and why he kept fighting through four bloody years and why demoralization struck the Confederate soldier as the war penetrated the South threatening his home and family while he was at the front The Northern soldier did not simply experience the war as a husband son father or brother he fought that way as well he writes That was part of his strength The Confederate soldier fought the war the same way and in the end that proved part of his weakness The Vacant Chair uncovers this critical chapter in the Civil War experience showing how the Union soldier saw and won our most costly conflict

Brodsky Translating Brodsky: Poetry in Self-Translation Alexandra Berlina, 2014-04-24 Is poetry lost in translation or is it perhaps the other way around Is it found Gained Won What happens when a poet decides to give his favorite Russian poems a new life in English Are the new texts shadows twins or doppelgangers of their originals or are they something completely different Does the poet resurrect himself from the death of the author by reinterpreting his own work in another language or does he turn into a monster a bilingual bicultural centaur Alexandra Berlina herself a poetry translator and a 2012 Barnstone Translation Prize laureate addresses these questions in this new study of Joseph Brodsky whose Nobel prize winning work has never yet been discussed from this perspective Ibbetson Street #29 Doug Holder, 2011-05-27 Ibbetson Street has increased its stature with our new affiliation and has attracted such poets as Marge Piercy X J Kennedy Daniel Tobin Sam Cornish Diana der Hovanessian and Richard Hoffman to name a few We continue to be dedicated to publishing fine emerging poets as well I want to thank Poetry Editors Mary Rice and Harris Gardner for their fine work as well as Managing Editor Dorian Brooks and Consulting Editor Robert K Johnson **Joseph Brodsky** Joseph Brodsky, 2002 Biography Literary Criticism Joseph Brodsky 1940 1996 is unquestionably the greatest poet to emerge from postwar Russia and one of the great minds of the last century After his expulsion from the Soviet Union in 1972 Brodsky transformed himself from a stunned and unprepared emigre into as he himself termed it a Russian poet an English essayist and of course an American citizen In interviews from 1972 to 1995 Joseph Brodsky Conversations covers the course of his exile The last interview dates from just ten weeks before his death In talks he calibrates the process of his remarkable reinvention from a brilliant brash but decidedly provincial Leningrad poet to an international man of letters and an erudite Nobel Prize laureate Brodsky's poetry earned him a Nobel and his essays won him awards and international acclaim This volume shows that there was a third medium in addition to poetry and essays in which Brodsky excelled the interview Although he said that in principle prose is simply spilling some beans which poetry sort of contains in a tight pod he nevertheless emerges as an extraordinary and inventive conversationalist This volume includes not only his notable interviews that helped consolidate Brodsky's international reputation but also early and hard to find interviews in journals that have since disappeared Cynthia L Haven is a literary critic at the San Francisco Chronicle and a regular contributor to Times Literary Supplement the Los Angeles Times Book Review the Cortland Review and Stanford Magazine Her work also has been published in Civilization the Washington Post and the Georgia Review **Our Savage Art** William Logan, 2009 This collection of essays critically

evaluates Robert Lowell's correspondence Elizabeth Bishop's unfinished poems the inflated reputation of Hart Crane the loss of the New Critics and a damning and already highly controversial indictment of an edition of Robert Frost's notebooks The book also includes essays on Derek Walcott and Geoffrey Hill two crucial figures in the divided world of contemporary poetry and an attempt to rescue the reputation of the nineteenth century poet John Townsend Trowbridge Short reviews consider John Ashbery Anne Carson Billy Collins Rita Dove Louise Glück Jorie Graham Robert Hass Seamus Heaney and more **The Electric Life** Sven Birkerts, 1989 **Poetry** Harriet Monroe, 1988 *Fulcrum*, 2003 **Imagining Boston** Shaun O'Connell, 1990 O'Connell English U of Mass Boston discusses not only the familiar Boston Cambridge Concord literary figures from Emerson Thoreau and Hawthorne to Updike Cheever and Robert Lowell but also authors of other roots and regions including Edwin O'Connor WEB Dubois John Greenleaf Whittier Norman Mailer Robert Frost and Emily Dickinson Annotation copyrighted by Book News Inc Portland OR **Partisan Review**, 1991 Roth's American Poetry Annual, 1989 *The Antigoneish Review*, 1995 **Agni**, 2003 Color is the Suffering of Light Melissa Green, 1996 An astonishing memoir to be approached with awe delicacy and plenty of leisure time Ann Morrisett Davidson The Philadelphia Inquirer Color is the Suffering of Light recounts Green's turbulent life growing up in the 1960s on her family's farm in Massachusetts The narrative breathes with energy and honesty Leslie Larson The Women's Review of Books **The American Humanities Index** Stephen H. Goode, 1992 60 Years of American Poetry, 1996-09 More than 200 poems and poets representing a cross section of six decades of the best in American poetry **Partisan Review** Edith Kurzweil, 2000 A cumulative index of Partisan Review the American literary cultural journal started in 1934 It features essays articles and reviews from the journal printed between 1934 and 1999 *The Agni Review*, 1983
