## **Squarehead And Me:**

Squarehead and Me Henry Louis Haynes, 1980 David has always tried to avoid associating too much with Squarehead Palmer but when circumstances throw them together for a few days at a farm in the country David begins to understand his friend's special problem **The Squareheads** William Salisbury, 1929 Unfaithful Owen McCafferty, 2014-08-28 we re still ourselves when we lie Joan and Tom have been married for nearly thirty years Tara lies alone while Peter works nights How far will people go to hear their heart beat again What does it mean to be unfaithful to those you love A stark and searing glimpse into two tangled relationships the unspoken desires the piercing regrets and the postponed conversations Owen McCafferty's Unfaithful premiered at the Traverse Theatre Edinburgh in August 2014 After Anderson Jamila Mikhail, 2019-04-15 The day that Anderson brought a gun to school was the day Aly's life changed forever Her fellow classmates were murdered right before her eyes as her former best friend embarked on the deadliest high school massacre since Columbine Now nearly two years later Aly sets foot in the halls that nearly cost her her life for the first time since the shooting ready to face her demons Unanswered questions linger anxiety abounds and flashbacks are frequent as Aly struggles to understand how Anderson could've mercilessly gunned down her friends and classmates and how she's not only going to forgive him but herself as well for the role she might have played in influencing his actions Was she to blame Did she have blood on her hands Could she have done something more Could anyone have done anything more Aly sets out to find the elusive answers to just that as she also attempts to rebuild the life that was shattered by gunfire that otherwise quiet Friday morning nearly two years prior Jamila Mikhail pens a story of tragedy in After Anderson Two years have passed since Aly Feldman's best friend Anderson Massey entered their high school and began shooting Twenty people paid with their lives for everyone's collective failure Aly remains tormented by the massacre She feels great remorse for all those who lost their lives especially Anderson Although she survived Aly lost her life that day as well Two years of therapy hadn't really helped and consumed with memories her recovery is unrealized The pain comes and goes but never leaves it has become part of her Yet it is time to somehow move forward time to return to Belden High School the place where her life changed forever On her return to school Aly discovers friendship and moral support from the Petrov twins Her new found friends become instrumental in bridging the gap between Aly's old life and a new one Is it really possible to have a life After Anderson After you survive Anderson Massey your life doesn't just pick up where it left off After Anderson by Jamila Mikhail wrenches your heart challenges your soul tests your personal morality and beliefs I totally agree with the author's statement in her commentary if it doesn't bother you there's something wrong We all need to learn to listen to the spoken and unspoken and really pay attention to those around us There were many aspects I admired even more that I appreciated and a few I could have done without The story is multi cultural a bit political honestly my patriotism was battered a bit yet very insightful There is no denying The universe with all of its flaws and disasters was so beautifully and intricately crafted This line

continues to echo in my mind In saying that how does one enjoy a book about a mass shooting You don't but you do hope to gain an understanding of the cause of such a tragedy Jamila Mikhail reveals the trauma that lingers long after such a violent act After Anderson is the story of a survivor Written in the first person the heroine's thoughts and emotions are explicitly described thus felt Page by page her character grows and evolves beyond the tragedy She befriends an unlikely duo the twins who open her eyes change her perspective and encourage her to move forward One of the key elements within the narrative are the letters between Aly and Anderson they create raw realness and depth of soul The words exchanged in those passages are my favorite part of the story As the story concludes the denouement reveals that life truly goes on There is life After Anderson Reviewed by Cheryl E Rodriguez for Readers Favorite *Handsome Harry* James Carlos Blake, 2010-01-26 Harry Pierpont and John Dillinger were die hard and deadly partners who made national headlines with their daring bank hold ups and gun battles and they had a lot of laughs while they were at it They were known as the Dillinger Gang but at its heart was Handsome Harry Pierpont tough fearless intelligent and sworn to live by no law but his own Presented as his intimate confessions Harry's story takes us from his teenage days as a small time crook to his fateful meeting with the equally young Dillinger to the pinnacle of his notoriety and to his final hours in the penitentiary death house Crafted in James Carlos Blake's signature style of fast paced violence sizzling sex and darkly raucous humor Handsome Harry re creates a thrilling chapter from the chronicles of American crime **Owen McCafferty: Plays 2** Owen McCafferty, 2016-10-25 Absence of Women A fine example of theatre at its small scale best Evening Standard Titanic Owen McCafferty's rigorous verbatim play provides an antidote to Titanic fatigue Two months of hearings from 97 witnesses are whittled down to nine What remains even after a century is a disturbing sense of moral ambiguity 1 517 dead and no one to blame Guardian Quietly Vibrates with a violent tension so taut that if you were a bystander you'd hardly dare to breathe New York Times Remarkable inspired The piece packs sweeping questions about forgiveness and accountability into a tightly plotted encounter Daily Telegraph The most powerful theatrical production I have had the privilege of seeing McCafferty's script is perfectly taut This play is extraordinary and completely unmissable Metro Herald Unfaithful McCafferty excels with tight plotting and pithy painful dialogue The Times McCafferty writes with empathy and a wry humour that makes for an absorbing if painful hour Financial Times Owen McCafferty is a sly observer of the human heart Guardian Death of a Comedian Despite the humour McCafferty's play is a tragedy his most accomplished work to date Belfast Telegraph **Make Me a City** Jonathan Carr, 2019-03-19 A propulsive debut of visionary scale Make Me a City embroiders fact with fiction to tell the story of Chicago's 19th century tracing its rise from frontier settlement to industrial colossus The tale begins with a game of chess and on the outcome of that game hinges the destiny of a great city From appalling injustice springs forth the story of Chicago and the men and women whose resilience avarice and altruism combine to generate a moment of unprecedented civic energy A variety of irresistible voices deliver the many strands of this novel those of Jean Baptiste Pointe de Sable the long unheralded

founder of Chicago John Stephen Wright bombastic speculator and booster and Antje Hunter the first woman to report for the Chicago Tribune The stories of loggers miners engineers and educators teem around them and each claim the narrative in turns sharing their grief as well as their delight As the characters and their ancestors meet and part as their possessions pass from hand to hand the reader realizes that Jonathan Carr commands a grand picture one that encompasses the heartaches of everyday lives as well as the overarching ideals of what a city and a society can and should be Make Me a City introduces us to a novelist whose talent and ambition are already fully formed
