young players who dream of it ever make it to the National Hockey League and then very few of them become super stars the best in the business in the history of the sport Most of these dynamic players are retired or gone now but their spirit lives on with the teams where they played and in the rinks where they skated In most of those rinks their names are displayed high up in the rafters and most of them have their names engraved on one of the rings of the famous Stanley Cup This book tells of their lives their love of their game and where they are now *Pittsburgh's Greatest Teams* David Finoli,2017-10-30

Pittsburgh is synonymous with winning From the Penguins and Steelers to the Pirates and Panthers the Steel City knows championships There must be something special in the water to make Pittsburgh so particularly gifted with its sports teams The most famous teams in the city s history would most likely be the 1970s Steelers known as the Steel Curtain for obvious reasons and the Penguins who raised the Stanley Cup five times Names such as Lemieux Crosby Roethlisberger Bradshaw Clemente and Stargell are legends of American sport and members of Pittsburgh s most cherished franchises but for every sports legend and multi million dollar franchise there are a dozen more talented players and long past teams that have been forgotten to history the Negro League s Crawford and Homestead Grays are too often overlooked in the city s sports history but were as talented as any team that has played there Author Dave Finoli ranks the fifty greatest teams that won trophies brought glory and lifted the hearts of Pittsburgh s devoted sports fans **Where We Live 4: Teacher's Guidebook** Sylvia Hill,1986-01-01
