"We all want our children to be excited by learning and gaining an early command of our language. This superb dictionary was carefully and systematically researched to accomplish just these things. Based on established educational methods, it contains all the words children need to know in the early grades. And it is so dynamic in design that children are highly motivated to use it. What could be more exciting than to have the greatest superheroes give meaning to a solid reading vocabulary."

Superhero Keith Brooks, 2007-09 Who really am I This question may be the root cause of all questions you may have asked Questions such as Why do I always fail Why do I keep acting this way How come life is a struggle for me Why is it that I have everything and still I m not happy I know I need to change but how do I do it These questions have no racial barrier They don t care whether you are black white or Hispanic These questions can care less if you re poor middle class or rich These questions are rooted and grounded in the hearts of men like green grass is rooted and grounded across the earth In today s society the masses of men are being held captive by a self imprisonment called an identity crisis I ve experienced the worst of both worlds a spiritual prison within myself and a natural prison behind real bars It wasn t until I made my mind up to simply be a free man by awakening the true man on the inside of me How By discovering who I really am In this mind renewing book you will discover that true freedom will exist in your life when you discover who you really are This book was written behind the dark walls of prison while sitting on an old ice cooler For a number of months as chapters went by you were on my mind while writing this book of change I must say that this book is designed for men who are tired of being tormented by living a lifestyle of not knowing who you are Keep in mind that the key to having a fulfilled abundant life is when you discover who you really are Then and only then will you stand boldly as the super hero that you were created to be And God will say boldly This is a man after my own heart
