**North of Supernova** Lindsey Leavitt, 2023-06-06 When Stella's world is shaken up by her father's surprise engagement she takes fate into her own hands with astrology tarot and crystals in this irresistible heartfelt middle grade novel Stella North Virgo has waited her whole life for a coveted birthday party invite that will guarantee a friend filled summer in Washington Forget summer this opportunity could change her universe Maybe in this universe she'll have less anxiety about big things like the growing absence of her addict mom and small things like what everyone else is thinking or what she's wearing or or or breathe But those perfect summer plans implode when her Dad returns with a surprise from his business trip his new fiancée Whitney Even worse Stella and her brother have to spend the next couple of weeks in Whitney's Las Vegas home pretending like these absolute strangers are her family At least her potential stepsister feels the same way about ruining their parents wedding Together the girls set out to discover and ultimately change the future through astrology crystals and even Magic 8 Balls Yet nothing can predict the surprising friends new maybe more than friends and ghosts from the past that Stella encounters on her quest to find calm in a galaxy beyond control Godwin Books **Rocks in My Scotch**

Angus MacVicar, 1977 **Supernova EMP** Grace Hamilton, This action packed post apocalyptic series is now available in a box set of over 1 500 pages When civilization collapses only the strong will survive Josh and Maxine Standing's marriage is circling the drain But the fractured family of four has never needed each other more than when a supernova EMP strikes Earth and sends humanity back to the Stone Age The shrieks of a dying civilization echo all around as they combat the chaos to reach the West Virginian family farm However it's not just a firefight for valuable resources that awaits them when long festering secrets and betrayals come to light and threaten to permanently tear the Standings apart Black and white no longer exist in a post apocalyptic world swirling with shades of gray and the Standings must find a way to survive the dark matter hurricane and stitch their frayed family back together Or face complete annihilation at the hands of a maniacal madman who will do anything and destroy anyone in his quest to dominate This thrilling post apocalyptic box set includes all four novels in the Supernova EMP series Dark End Deep End Bitter End Final End Prepper survivalist author Grace Hamilton invites you to step into a post apocalyptic EMP ravaged world filled with strong resourceful characters survivalist knowledge and edge of your seat action **Writers Directory** NA NA, 2016-03-05 **The Star Trek Universe** Douglas Brode, Shea T.

Brode, 2015-05-14 As one of the most influential shows of all time Star Trek continues to engage fans around the world But its cultural impact has grown far beyond the scope of the original seventy nine episodes The show spawned an unprecedented progeny beginning with Star Trek The Next Generation followed by three additional series of space exploration Film versions featuring Captain Kirk Mr Spock and other original crew members first appeared in 1979 followed by a number of successful sequels and ultimately a reboot of the original show From the modest ambitions of the show's creator Gene Roddenberry Star Trek gradually transformed into a true franchise an expanded universe that continues to grow In The Star Trek Universe

Franchising the Final Frontier Douglas and Shea T Brode have collected several essays that examine the many incarnations that have arisen since the original program concluded its run in 1969 Every aspect of media into which Star Trek has penetrated is covered in this collection the four television shows literature toys games and the big screen reboot of the original series featuring the Enterprise and her crew Essays address a number of elements particularly how the franchise has had an impact on gaming fandom and even technology Other essays consider how race gender and sexuality have been addressed by the various shows and films After a half century of boldly exploring topical issues that concern all of humanity Star Trek warrants serious attention now more than ever Looking beyond the entertainment value of its many versions The Star Trek Universe a companion volume to Gene Roddenberry's Star Trek offers provocative essays that will engage scholars of gender studies race studies religion history and popular culture not to mention the show's legions of fans around the planet
