**Seventeen and Oh** Marshall Jon Fisher,2022-07-12 The definitive chronicle of the 1972 Miami Dolphins the only undefeated team in NFL history from award winning literary sportswriter Marshall Jon Fisher The 1972 Miami Dolphins had something to prove Losers in the previous Super Bowl a ragtag bunch of overlooked underappreciated or just plain old players they were led by Don Shula a genius young coach obsessed with obliterating the reputation that he couldn't win the big game And as the Dolphins headed into only their seventh season all eyes were on Miami For the last time a city was hosting both national political conventions and the backdrop to this season of redemption would be turbulent the culture wars the Nixon reelection campaign the strange unfolding saga of Watergate and the war in Vietnam Generational and cultural divides abounded on the team as well There were long haired bell bottomed party animals such as Jim Mad Dog Mandich as well as the stylish Marv Fleming and Curtis Johnson with his supernova afro playing alongside conservative straitlaced men like the quarterbacks Bob Griese and the crew cut savior 38 year old backup Earl Morrall Larry Csonka and Jim Kiick nicknamed Butch and Sundance had to make way for a third running back the outspoken and flamboyant Mercury Morris But unlike the fractious society around them this racially and culturally diverse group found a way to meld seamlessly into a team The perfect team Marshall Jon Fisher's **Seventeen and Oh** is a compelling fast paced account of a season unlike any other diving deep into every game and key events before and after with thorough portraits of key players coaches executives and more

*Songs of Sacrifice* Rebecca Maloy,2020 Rebecca Maloy's *Songs of Sacrifice* argues that liturgical music both texts and melodies played a central role in the cultural renewal of early Medieval Iberia with a chant repertory that was carefully designed to help build a society unified in the Nicene faith

*The Carolingian Sacramentaries of Saint-Amand* Arthur Westwell,2024-08-06 The series of beautiful sacramentaries made at Saint Amand in the later ninth century offer us unique insight into an early medieval scriptorium at work These manuscripts contain principally the prayer

texts for the celebration of the Mass a ceremony which stood at the centre of monastic life in this period They display how this largely neglected genre discloses creativity and initiative on the part of the monks of Saint Amand who re organised and re composed this especially versatile literature They made their books uniquely comprehensive and full of insight into how the mass liturgy was re made at a critical period in its development This innovative study makes these sources accessible for the first time In depth study of script decoration and content enables a new appreciation of the context in which the deluxe Saint Amand manuscripts were produced It foregrounds ecclesiastical patronage the political and intellectual dynamics at the waning of Carolingian power and the intensive collaboration of scribes artists and liturgical composers as well as the unique ways liturgical manuscripts can inform our understanding of medieval life and thought **My Tryst with Destiny**
